NDRRMC UPDATE

Sitrep No. 02 re Preparedness Measures and Effects of Intertropical Convergence Zone (ITCZ) enhanced by Tropical Storm "DANTE" (I.N. CHOI-WAN)

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD 

DATE: 02 June 2021, 8:00 AM

Sources: DOST-PAGASA, DSWD, MGB, DOH, DILG, DA, DPWH, OCDROs V, VII, VIII, XI, XII, CARAGA, CAR and BARMM

I. SITUATION OVERVIEW

A. CHRONOLOGY

30 May 2021

At 5:00 AM, Tropical Depression east of Mindanao entered the Philippine Area of Responsibility (PAR) and was named "DANTE". At 4:00 AM, the center of TD "DANTE" was estimated at 1,000 km east of Mindanao with maximum sustained winds of 45 km/h near the center, gustiness up to 55 km/h, the central pressure of 1,004 hPa, and moving West Northwestward at 15 km/h.

At 5:00 PM, TD "DANTE" decelerated and moved west-northwestward over the Philippine Sea east of Mindanao. At 4:00 PM, it was estimated at 835 km east of Mindanao with maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, the central pressure of 1,002 hPa, and moving west Northwestward at 15 km/h.

At 11:00 PM, TD "DANTE" maintained its strength while moving northwestward. At 10:00 PM, it was estimated at 685 km east of Davao City with maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, the central pressure of 1,000 hPa, and moving Northwestward at 15 km/h.

31 May 2021

At 5:00 AM, TD "DANTE" intensified into a Tropical Storm (TS). At 10:00 AM, the center of TS "DANTE" was estimated at 625 km East of Davao City, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, and moved North Northwestward at 15 km/h. Gale-force winds extend outward up to 50 km from the center.

At 11:00 AM, TS "DANTE" slightly intensified while moving northwestward over the Philippine Sea.

At 5:00 PM, TS "DANTE" maintained its strength as it continued to move Northwestward over the Philippine Sea. At 4:00 PM, it was estimated at 375 km East Northeast of Hinatuan, Surigao del Sur or 455 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

TCWS No. 1 was raised in the eastern portion of Northern Samar (Mapanas, Gamay, Lapinig, Palapag, Laoang) and the northeastern portion of Eastern Samar (Arteche, San Policarpio).

At 11:00 PM, TS "DANTE" maintained its strength as it continued to move Northwestward over the Philippine Sea. At 10:00 PM, it was estimated at 375 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 1 was raised in LUZON: the eastern portion of Sorsogon, Northern Samar, Samar, Eastern Samar, Biliran, the eastern portion of Leyte, the eastern portion of Southern Leyte (Sogod, Libagon, Saint Bernard, San Juan, Anahawan, Hinundayan, Silago, Hinunangan), Dinagat Islands, and Siargao, and Bucas Grande Islands.

01 June 2021

As of 5:00 AM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated at 310 km East of Surigao City, Surigao del Norte or 380 km East of Maasin City, Southern Leyte (10.2°N, 128.3°E), with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, and a central pressure of 996 hPa.

As of 8:00 AM, TS "DANTE" turns west-northwestward while over the Philippines Sea East of Dinagat-Siargao Island. At 7:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 270 km East of Maasin City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 11:00 AM, TS "DANTE" maintains its strength while moving westward over the Philippine Sea east of the Dinagat-Siargao Islands area. At 10:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 235 km east of Maasin City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving westward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 2:00 PM, TS "DANTE" is now moving north-northwestward towards the southern portion of Eastern Visayas. At 1:00 PM the center of TS "DANTE" (CHOI-WAN) was estimated on all available data at 220 km East Northeast of Maasin City, Southern Leyte, or 125 km east southeast of Guiuan, Eastern Samar, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa. Moving North Northwestward at 15 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 5:00 PM, TS "DANTE" slightly weakens as it continues to move north-northwestward closer towards Eastern Samar. At 4:00 PM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 85 km East Northeast of Guiuan, Eastern Samar or 110 km East Southeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, moving North Northwestward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 2 was raised over Catanduanes, Camarines Sur, the southern portion of Camarines Norte, Masbate including Ticao and Burias Island, Albay and Sorsogon, Eastern Samar, Samar, Northern Samar, Biliran, and the northeastern portion of Leyte.

Meanwhile, TCWS No. 1 was raised over Rizal, Laguna, the southeastern portion of Batangas, Quezon including Polillo Islands, the rest of Camarines Norte, Marinduque, and Romblon, the northeastern portion of Aklan, the northeastern portion of Capiz, the northeastern portion of Iloilo, the northeastern portion of Negros Occidental, the northern portion of Cebu, the northeastern portion of Bohol, the rest of Leyte and Southern Leyte, Surigao del Norte including Siargao and Bucas Grande Islands, Dinagat Island, the northern portion of Agusan del Norte, the northern portion of Agusan del Sur, and the northern portion of Surigao del Sur

As of 8:00 PM, TS "DANTE" maintains its strength and is about to make landfall over the northern portion of Eastern Samar. At 7:00 PM the center of TS "DANTE" was estimated based on all available data at 55 km East Northeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, and a central pressure of 998 hPa, moving northwestward at 30 km/h, and gale-force winds extend outward up to 100 km from the center.

At 8:30 PM, the center of TS "DANTE" made its landfall in the vicinity of Sulat, Eastern Samar.

02 June 2021

As of 2:00 AM, TS "DANTE" made another landfall in the vicinity of Cataingan, Masbate. At 1:00 AM the center of TS "DANTE" was estimated based on all available data in the vicinity of Cataingan, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and a central pressure of 998 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

As of 5:00 AM, TS "DANTE" is now off the southwestern coast of Masbate and is heading towards the vicinity of Romblon. At 4:00 AM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Mactan and Iloilo Doppler Weather Radars over the western coastal waters of Balud, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

II. EFFECTS

A. Related Incidents (TAB A)

The following incidents were monitored and reported in Regions XII and BARMM:

REGION	LANDSLIDE	FLOODING	FLASHFLOOD	FLASHFLOOD AND SOIL EROSION
TOTAL	2	4	1	1
XII	2	3	1	1
BARMM	0	1	0	0

Sources: OCDROs

B. Affected Population

A total of **566 families** or **2,642 persons** were affected in **18 barangays** in **Region XI** and **XII**. Of which, **158 families** or **604 persons** are currently taking temporary shelters in **ten (10) evacuation centers**.

REGION / PROVINCE / CITY / MUNI	NUMBER OF AFFECTED			NUMBER OF DISPLACED						
				NO. OF ECs	INSIDE ECs		OUTSIDE ECs		TOTAL INSIDE + OUTSIDE ECs	
	BRGY	FAMILIES	PERSONS		FAMILIES	PERSONS	FAMILIES	PERSONS	FAMILIES	PERSONS

B. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensures dissemination of Severe Weather Bulletins, Weather Advisories, Gale Warning, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Issued NDRRMC Memorandum No. 52, s. 2021 regarding Emergency Preparedness and Response Measures for TS "DANTE" dated 01 June 2021.
- Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- Conducted PDRA Core Group Meeting together with RDRRMCs NCR, CAR, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, IX, X, XI, XII, and BARMM on 31 May 2021, 4:00 PM via video teleconferencing.
- Disseminated a total of 16 Emergency Alert and Warning Messages (EAWM).
- Established and activated the Virtual Emergency Operations Center (EOC) on 01 June 2021.

C. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, XI, CARAGA, CAR, and NCR are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warning, Severe Weather Bulletins, and General Flood Advisories through SMS, facsimile, and official social media websites.

IV. DISASTER RESPONSE

A. COST OF ASSISTANCE

A total of **₱537,714.00** worth of assistance was provided by the DSWD and LGU to the affected families in Region XII.

REGION / PROVINCE/ CITY / MUNI	COST OF ASSISTANCE (₱)		
	DSWD	LGU	GRAND TOTAL
GRAND TOTAL	334,714.00	203,000.00	537,714.00
REGION XII	334,714.00	203,000.00	537,714.00
South Cotabato	334,714.00	203,000.00	537,714.00
Banga	334,714.00	203,000.00	537,714.00

Preparedness Measures and Effects of TS “DANTE” (I.N. CHOI-WAN)**DISASTER PREPAREDNESS****As of 02 June 2021, 8:00 AM****A. NATIONAL DRRM COUNCIL (NDRRMC)****1. NDRRM Operations Center (NDRRMOC)**

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Disseminated one (1) Emergency Alert and Warning Message (EAWM).
- d. Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- e. Conducted Pre-Disaster Risk Assessment (PDRA) Core Group Meeting together with RDRRMCs NCR, CAR, II, CALABARZON, MIMAROPA, V, VI, VIII, IX, X, XI, XII, and **BARMM** on 31 May 2021, 4:00 PM via video teleconferencing.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Participated on the Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 30 May 2021, 2:00 PM and provided Weather Update re Tropical Storm “DANTE” during Pre-Disaster Risk Assessment (PDRA) via video teleconferencing on 31 May 2021, 4:00 PM.
- b. Continuous weather monitoring and provision of weather updates.

3. Department of Social Welfare and Development (DSWD)

The Disaster Response Management Bureau (DRMB) is closely coordinating with the concerned field offices for significant reports on the status of affected families, assistance, and relief efforts.

4. Department of Health (DOH)

- a. Raised Code Alert.
- b. Sent weather alert memorandum to all Centers for Health Development and BARMM Ministry of Health and DOH-retained hospitals.
- c. Continuously monitoring the weather disturbance through DOST-PAGASA.

5. Department of the Interior and Local Government (DILG)

- a. Continuously providing all available information (i.e., PAGASA's Global Spectral Model/Weather Research Forecasting Model Forecast Rainfall, Severe Weather Bulletins and Tropical Cyclone Warning for Shipping; and MGB's Updated Barangay List of LGUs Prone to Landslide, Debris Flow and Flood) to all DILG Regional and Field Offices regarding the Tropical Depression DANTE thru texts and e-mails.
- b. Activated the Emergency Operations Centers and Disaster Online Reporting and Monitoring System (DORMs) for Tropical Depression DANTE in DILG Regions X, XI, and XII as of 31 May 2021, 12:00 NN.
- c. Advised concerned LGUs to establish critical preparedness actions based on the Operation L!STO Protocols, and DILG Memorandum Circular No. 2020-125 - LISTO SA TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020.

- d. Attended LDRRMC PDRA meetings.
- e. Informed and advised LCEs, LDRRMOs, and Punong Barangays to activate their EOCs.
- f. Prioritized the prepositioning of supplies, equipment, and personnel for response.
- g. Reminded LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes.
- h. Directed all concerned regions to assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID-19 testing requirements will not hamper and delay the entry, passage, and operations of all government and private sector disaster response personnel.
- i. Recommended the activation of BDRMMCs for early warning measures and monitoring of weather updates and hazard prone areas, conduction of canal clearing operations, implementation of pre-emptive evacuation in areas with high to very high susceptibility to hazards brought by the weather disturbance, restriction or ban of tourist activities, cessation of mining activities, and implementation of No-fishing policy and sea travel restrictions.

6. Department of Agriculture (DA)

- a. Activated DA Regional DRRM Operation Centers.
- b. Issued advisories to provinces thru the Agricultural Program Coordinating Offices (APCOs).
- c. Coordinating with the LGU counterparts and other RDRRM related offices and monitoring the actual field situation for possible agricultural damage.
- d. Prepositioned seeds of rice and corn; drugs and biologics for livestock and poultry.

7. Mines and Geosciences Bureau (MGB)

- a. Provided a list of cities and municipalities susceptible to landslide and flood to the NDRRMOC and other concerned offices for information, reference, and redundancy of information.
- b. Attended the NDRRMC Emergency Meetings and PDRA Meetings and presented and recommended the following:
 - Vigilant monitoring of areas showing signs of landslides such as tension cracks, seepages, terracettes, and tilting of trees.
 - Avoid areas affected by repeated flooding, meandering with riverbank erosion, floodplain with shifting and braiding streams, coastal areas, affected by storm surge, flashflood areas, and river deltas with many distributary channels.
 - Be aware of the geohazard in your area. MGB Geohazard maps are available in the barangay, municipal, and provincial LGUs nationwide as well as your respective MGB Regional Offices. Visit the MGB Web portal and other platforms like Hazard Hunter (GeoRiskPH).

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs NCR, CAR, II, CALABARZON, MIMAROPA, V, VI, VIII, IX, X, XI, XII, and BARMM are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC V

OCD V

- a. On RED Alert status for TS Dante effective 01 June 2021.
- b. Conducted PDRA with RDRRMC and PDRRMOs on 01 June 2021 via VTC at Handyong Hall, OCD5, Camp Ola, Legazpi City.
- c. Issued memorandum to LDRRMCs to implement their respective Response Plans/Contingency Plans; preparedness measures and local counter measures for floods and landslide, and to include pre-emptive evacuation and no sailing policies when necessary.
- d. On-going coordination with PDRRMOs and NGAs for preparedness activities and response for TS "DANTE".
- e. Disseminated information, Weather Advisories and other relevant advisories regarding "TS DANTE".
- f. Prepositioned mobilities, radio communications and satellite phone on standby.

DOST-PHIVOLCS

- a. Released timely relevant advisories to LGUs.
- b. Coordinated with PAGASA Southern Luzon of the developments of TS "DANTE" for the preparation of lahar advisories.

PAGASA Southern Luzon

- a. Provisioned weather updates/advisories including localized weather updates to the Regional and local DRRMCs and other stakeholders.
- b. Continuously monitors weather updates.

DSWD V

- a. Prepositioned a total of 22,632 FFPs amounting to ₱ 9,156,164.80 and Food Items amounting ₱10,061,204.50 (i.e. 12,908 tins of Goldcup sardines, 60,000 tins of Kingcup sardines, 120,000 Bingo corned beef, 12,908 tins of Youngstown corned beef, 120,000 tins of Century Tuna flakes in oil, 6,454 tin Century Tuna, 78,980 sachet Maskape brown and creamy coffee, 150,000 sachets Blend 45 coffee, and 166,765 sachets Energen cereals) available and ready for repacking.
- b. Provided NFIs amounting to ₱18,121,555.40 (i.e. 33 sets of tents, 1,772 boxes of sleeping kits, 1,475 boxes of family kits, 1,384 hygiene kits, 1,559 kitchen kits, 16,197 pes, malongs, 1,060 rolls laminated sacks and 16,330 pes blanket).
- c. Continuously monitors weather updates and information.
- d. Ensured the availability of FFPs and NFIs as need arises.
- e. Alerted QRT.
- f. Activated PAT and MAT members in the six (6) provinces and instructed them to coordinate with the P/MDRRMOs, C/MSWDOs for effects of heavy rain reports and updates.

BFP V

- a. Circulated Memorandum dated 01 June 2021 re: Operational Preparedness and Intensification of OPLAN PAGHALASA and Observance of Precautionary Measures in Response to the effects of TROPICAL STORM DANTE:
 - Coordinate with DILG, RDRRMC, PDRRMC and LDRRMCs in the conduct of local PDRA and undertake preparedness and response protocols.

- Intensify conduct of Oplan Paghalasa in line with COVID19 situation;
 - Continuous
 - monitoring of PAGASA weather advisories and bulletins;
 - Conduct close coordination with the local DRRMO and other agencies for possible effects and/or hazards brought about the weather disturbance;
 - Ensure availability of BFP assets and PPEs at all times;
 - Vigilant monitoring within AOR for possible rise of waters prone to flooding especially on areas proximal to river channel and nood plains (prioritize areas which are highly susceptible to recent and repeated flooding for monitoring)
 - Monitor houses along esteros and riverbank for possible erosion, debris flow and flooding;
 - Conduct vigilant monitoring of landslide prone areas including moderately sloping ground with creeks/gullies;
 - Strict observance of precautionary measures in responding to Search and Rescue Operations, Medical Response and Mass Evacuation;
 - Coordinate with other agencies for the assessment of safety of evacuation centers and other established COVID-19 isolation, quarantine and treatment facilities from hazards;
 - Ensure health and safety of all responders at all times
- b. All units are directed to closely monitor respective areas of responsibility, implement preparedness measures and ensure the availability of resources as necessary for monitoring and prompt responses. In addition, continuous implementation of BFPS Implan on OPLAN PAGHALASA in response to typhoons and its damaging effects.
 - c. Standby/Operational readiness of all units ready to respond to any emergency and rescue operations.

DA V

- a. Activated Regional Command and Action Center and personnel are instructed to conduct an inventory of machineries in their respective areas that can be used in evacuation and rehabilitation activities.
- b. Instructed their personnel to secure all properties, documents, computers and all electronic equipment in their work areas.
- c. On-going distribution and prepositioning of seeds for rice and high value crops and preparation of drugs and biologics for livestock and poultry needs are ready and available at DA RF05 Research Outreach Stations.

DENR-MGB

- a. Issued Landslide Warning Bulletin No 1 for Typhoon "Dante".
- b. Coordinated with PAGASA Southern Luzon of the developments of TS DANTE for the preparation of MGB Advisories.

DOH-CHD V

- a. On Code White Alert status per Regional Circular No. 2021-0050
- b. Activated OpCen on 24/7 alert status and attended RDRRMC PDRA thru VTC
- c. Reiterated DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID-19 during Disaster Evacuation and Displacement) during RDRRMC PDRA Meeting.
- d. Monitored weather system thru DOST PAG-ASA website/Facebook Page.

- e. Coordinated with PDO's, DOH Hospitals and DRRM-H Managers for inventory of logistics and action taken in their respective AOR.
- f. Prepositioned medical teams on standby drugs and medicines to PDO's worth ₱500,000.00
- g. Released advisories on Typhoons thru DOH-BCHD facebook page
- h. Conducted inventory of logistics at Supply Section and Warehouse.
- i. Submitted reports to HEMS, OCD 5 and other partner agencies
- j. Buffer Stock at DOH BHD warehouse:
 - Drugs and medicines- 17,344,949.34
 - Hygiene kits-4,10S,710.16
 - Responder kits- 24,456.80
 - Family kits- 56,828.00
 - Collapsible water containers- 255,121.60
 - Slim water container- 1,275,755.00

Provincial DOH Offices

- a. On Code White Alert Status
- b. Coordinated with MDRRMO/RHU/LGU and monitored TS "Dante" through DOST-PAG-ASA website
- c. Conducted inventory and prepositioned medicines
- d. Attended SPDRMC meeting

DOH Hospitals

➤ Bicol Regional Teaching and Training Hospital (BRTTH)

- a. Conducted 24/7 monitoring of the latest tracking of the typhoon via quad media and all other reliable sources
- b. Conducted pre-disaster ocular inspection of hospital and secured identified vulnerable areas
- c. Activated daily 9:00 habit meeting via Zoom application.
- d. Activated Code Blue Alert status, adjusted personnel staffing basing on the code alert raised.
- e. Continuous reporting to EXECOM, Senior House on Duty, Nurse Officer of the shift and OpCen Medical Officer on duty.
- f. Ensured availability of lifelines (communication, fuel and food).
- g. Facilitated transfers of vulnerable areas.
- h. Coordinated with OCD V regarding augmentation of manpower and logistics.
- i. Disseminated latest weather bulletin to hospital personnel
- j. Prepositioned necessary logistics at the COVID Ward, regular ward and emergency department
- k. Coordinated with network agencies
- l. Activated monitoring of typhoon related injuries at ER Department
- m. Managed the preparation of timely and updated reports and documentation

➤ Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

Activated on Code White Alert, standby evacuation center and conducted pre-assessment.

➤ Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

Placed on Code White Alert and convened with safety officers regarding preparation to TS "Dante".

DPWH V

- a. Prepositioned DRRM Team and other related assets ready for emergency response.
- b. Placed early warning signs to alert motorists against road blocks or hazards brought about by the typhoon to ensure road safety.

Joint Task Force BICOLANDIA (PA,PAF, NAVY)

- a. Placed ORO Teams and mobility assets on standby alert for possible deployment
- b. TOGS coordinated with OCDs for the prepositioning of air asset for Aerial Assessment of areas to be affected by TS "DANTE"
- c. Continuous monitoring of situation in the AOR and close coordination with R/LDRMMCs

LTO V

- a. Issued Memorandum No. 2021-05-009 - Precautionary measures on the imminent threat of TS "Dante".
- b. Implemented temporary suspension of land travel of vehicles bound for Visayas and Mindanao.

NFA V

- a. Activated Regional Operations Center.
- b. Conducted inventory of Rice at NFA warehouses in the Region V.

PCG V

- a. Implemented "NO SAIL POLICY".
- b. On-going patrol and manning of control points and patrols.
- c. Prepositioned SRR Teams on standby at the CGD Bicol Headquarters.
- d. Placed personnel, equipment and mobility on standby for possible deployment
- e. Disseminated weather updates to all sub-stations.
- f. Continuous monitoring of situation of sea ports of Bicol Region.

PNP-PRO V

- a. Attended the PDRA on 01 June 2021.
- b. Activated of Regional Disaster Incident Management Task Group (RDIMTG)
- c. Directed lower units to activate their EOC and SAR Team in preparation TS "DANTE".
- d. Activated Tactical Operations Center 24-hour close monitoring of the situation provided technical assistance and other public safety service to LDRRMC.
- e. Activated Reactionary Stand-by Support Force on 01 June 2021.
- f. Coordinated to different unit Commanders to other NGAs and PDRRMO/MDRRMO on preparation for incoming TS 'Dante'.
- g. Conducted safety reminders for security measures thru patrolling and monitoring of flood-prone areas and posting on social media.

PRC V

- a. Placed PRC chapters on 24/7 duty.
- b. Prepared response equipment, communications and logistics (wash and relief logistics).
- c. Prepared and briefing of team for deployment.
- d. Continuous coordination with the National Headquarters and PDRRMCs.

PDRRMC ALBAY

- a. Issued advisories regarding Preparedness Status and Evacuation Status of the Albay Province, Suspension of Work for both Private and Government, online and face-to-face classes and mall operations.
- b. Continuous coordination with the local DRRMCs and monitoring and updates of the weather disturbance.
- c. Conducted PDRA at the provincial level.
- d. Issued advisories to the public on preparedness activities.
- e. Disseminated of weather advisories and other relevant advisories to the public via sms, tri-media and social media platforms.
- f. Continuously monitors weather forecast and rainfall advisory issued by PAGASA.
- g. Attended Regional PDRA Meeting.

PDRRMC CAMARINES NORTE

- a. Attended Regional PDRA Meeting.
- b. Advised to monitor weather condition relative to the forthcoming weather disturbance.
- c. Disseminated weather advisories, thunderstorm advisories and other relevant weather advisories.
- d. Alerted emergency responders are alerted and put on stand-by.
- e. LCE is regularly monitoring the situation.
- f. Close monitoring of data and alert sources from PAGASA.

PDRRMC CAMARINES SUR

- a. Issued PDRRMC Memorandum No. 1
- b. Activated response clusters (SRR, Road Clearing, CCCM, ETC, Law and Order, Health, Education, MOM) and 24/7 IMT and EOC.
- c. Implemented no sailing policy and prohibition of other water activities starting 01 June 2021.
- d. Checked community-based early warning tool and early warning system
- e. Closely monitors AORs.
- f. Conducted pre-emptive evacuation and ensured implementation of minimum public health standards in evacuation centers

PDRRMC CATANDUANES

- a. Attended Regional PDRA Meeting
- b. Prepositioned and conducted inventory assets are inventoried and prepositioned
- c. Activated City/Municipal DRRM Operation Centers on 24/7 monitoring.
- d. Alerted barangays with flood, landslide and storm surge prone area.
- e. Disseminated warning/alerts/advisories from PAGASA MWS to PDRRMC member agencies, MDRRM Officers and to the general public.
- f. Coordinated with key PDRRMC member agencies and MDRRM Officers to closely monitor their AORs.

PDRRMC MASBATE

- a. All Members of the PDRRM Council have prepared all the necessary resources needed for immediate response.
- b. Activation of EOC and 24n OpCen of PDRRMO Masbate.
- c. Close monitoring with PAGASA for latest weather updates.
- d. Close monitoring with all C/MDRRMOs of the Province of Masbate for their reports.

PDRRMC SORSOGON

- a. Continuous monitoring and updates of the weather disturbance.
- b. Disseminated information and weather advisory obtained from PAGASA regarding the TS "DANTE" to SPDRRMC Member/LDRRMOs, public and concerned person thru broadcast, social media, INFOBOARD and INFOSYS.
- c. Issued Memorandum No. 0521-04 regarding Weather Advisory and Memorandum No. 2021 – 08 regarding Blue Alerts Status:
- d. Conducted PDRA Meeting with SPDRRMC Members/Stakeholders and LDRRMOs;
- e. Attended the Emergency PDRA Meeting for Tropical Storm "CHOI-WAN" or "DANTE" hosted by the RDRRMC Bicol.
- f. Issued of temporary cancelation of travel traversing to Visaya's and Mindanao;
- g. Reminded Quarry Operators to extract stockpile of materials that may block the flow of water ways and to avoid flooding, flash flood and blockage of river channels and tributaries.
- h. Conducted inventory of prepositioned goods, rescue equipment and resources;
- i. Pre-positioned soup kitchen for distribution to strategic areas for standees/travelers.
- j. Plotted coordinates and conducted assessment to all possible affected municipalities.
- k. Ensured clear lines of communication with all DRRMOs for updates and coordination.
- l. Operation Center on 24/7 standby alert.

CDRRMC NAGA

- a. Attended Regional PDRA Meeting
- b. Standby of Search and Rescue Personnel
- c. Conducted inventory of equipment.
- d. Timely monitoring of weather situation.

2. RDRRMC VII

OCD VII

- a. Raised its Alert status to BLUE regarding TS "DANTE".
- b. Facilitated the conduct of Emergency Response and Preparedness Meeting.
- c. Continuously disseminates weather advisories to RDRRMC member agencies P/C/M DRRMOs, Local Chief Executives (LCEs) and stakeholders re TS "DANTE".
- d. Issued Memo to RDRRMC members, regarding raising of the alert status to BLUE.
- e. Closely monitors weather updates with PAGASA.

DOST PAGASA VII

PAGASA Mactan continuously issues advisories.

DILG VII

- a. Activated the DILG 7 EOC for TS "Dante".
- b. Disseminated PAGASA advisories to all LGUs concerned including those from MGBs list of Barangay's susceptible to landslide and flash flood.
- c. Constant coordination with the filed offices for any untoward incidence relating to the weather disturbance.

DSWD VII

- a. Placed R/P/C/M/ QRT on standby alert and ready for mobilization for any assistance and augmentation support needed from the LGUs.

- b. Alerted City and Municipal Action Team and SWAD Offices and closely coordinate with their local counterparts and their respective LDRRMCs.
- c. Requested Field staff to monitor AOR and provide reports and updates to the Regional DROMIC Focal for any impacts/effects.
- d. Continuous monitoring of weather updates from PAGASA and cascading the same for widest dissemination to Provincial /City/Municipal Action Team.
- e. Regional Disaster Division is in closed coordination with OCD-7 and other members of the RDRRMC for any response mobilization activities/strategies. Regional QRT members on standby alert.
- f. Standby warehouses in the three islands for any response activities.
- g. Continuously repacks goods to replenish stocks and maintain the needed quantity of stockpile of goods with the help of volunteers from the AFP including DSWD Regional staff and personnel.

DENR-MGB VII

- a. Activated MGB VII Operation Center.
- b. Monitored and coordinated with MDRRMO/LDRRO on update related to Geohazard incident within their area of jurisdiction.
- c. Issued Geohazard Advisory for LGUs and RDRRMC members.
- d. Provided standby vehicle for immediate dispatch of assessment team as the need arises.

DICT VII

- a. Activated the DICT VC2 EOC
- b. Continuous monitoring of the status and updates of the incoming Tropical Cyclone.
- c. In-close coordination with RDRRMC VII.
- d. Prepared to augment IP Radio communication system and VSAT to provide emergency connectivity.
- e. Issued memorandum to all the DICT Provincial Offices to monitor the situation and be on standby.
- f. Monitored the DICT ICT Facilities specifically the Government Network (GovNet) and Free Wifi4All Sites.
- g. Checked telecommunications service providers status in the area of responsibility.
- h. Prepared the High Frequency (HF) Radio Communications and conduct radio check to all Provincial Offices.
- i. Prepositioned DICT Government Emergency Communications System (GECS) Team on standby for a possible augmentation.

Task Group CBS, 31D, PA

Deployed resources.

Philippine Coast Guard (PCG)

Issued a temporary suspension of sea trips to 4 Coast Guard Stations (CGS) for all types of vessels/watercrafts in Region VII.

REGION/COAST GUARD STATION/ SEAPORT /PROVINCE	STATUS	DATE & TIME (NON-OPERATIONAL)	REMARKS
Region VII			
Cebu			

CGS-Camotes	Temporary suspension to all types of vessels/watercrafts	01 June 2021, 5:00 AM	
Bohol			
CGS-Eastern Bohol	Temporary suspension to all types of vessels/watercrafts	01 June 2021, 5:00 AM	Plying in the areas of the Province of Leyte
Cebu			
CGS-Central Cebu	Temporary suspension to all types of vessels/watercrafts	01 June 2021, 11:00 AM	Plying in the areas of Province of Central Cebu
CGS-Southern Cebu	Temporary suspension to all types of vessels/watercrafts	01 June 2021, 11:00 AM	

PDRPMC Cebu

- Disseminated typhoon advisory to all council members and LDRRMOs thru the LDRRM League.
- Raised its alert status to Blue as of 01 June 2021, 1:00AM.
- Placed PDRRM Monitoring Team on 24/7 duty to track the movement of typhoon and to gather updates and other information from the LGUs
- Standby rescue vehicles, equipment, food and non-food items.
- Prepositioned heavy equipment in North, Central and South (PEO).
- Conducted inventory of manpower and logistics.

MDRRMC Tabuelan

Placed Local DRRM-EOC on standby.

CDRRMC Cebu City

- Raised its Alert Status to BLUE.
- Placed EOC personnel and emergency equipment on standby.

CDRRMC Mandaue City

- Monitored roads and bridges, tributaries for likely to be affected due to heavy rains.
- Placed MDRRMC personnel, rescue equipment and ambulance on standby.

MDRRMC MINGLANILLA

- Disseminated Weather Advisories to all Barangay Captains through sms.
- Activated Opcen and conducted continuous monitoring for any eventualities.
- Advised all BDRRMC to activate EOC.
- Placed emergency vehicle and heavy equipment on standby.
- Conducted risk assessment to high-risk barangays, especially the coastal area.

CDRRMC Talisay

- Continuously monitors high-risk areas.
- Informed barangays to be vigilant.

MDRRMC Carmen

- Continuous monitoring of PAGASA and VISAYAS PRSD updates.

- b. Disseminated information sharing updates from VISAYAS PRSD and PAGASA through social media platform, conducted rekorida and roving in risk areas

PDRRMC Bohol

- a. Prepositioned TaRSIER 117 and PDRRMO personnel on 24/7 alert status.
- b. Convened the key personnel of PDRRMO and TaRSIER 117.
- c. Ordered the TaRSIER 117 Headquarters and all its substations in the province to continuously check all towns in the province particularly those with dam and major rivers
- d. Standby SRR, SAR and WaSAR teams for possible deployment.
- e. Disseminated text blast through TaRSIER 117 to all P/M/BDRRMCs members for continued monitoring/updating

MDRRMC Candijay

- a. Conducted pre-emptive evacuation to ensure safety of residents living in landslide-prone or flood-prone areas
- b. Activated IMT and EOC is on code blue by virtue of Memo Order No. 06-01 series of 2021.
- c. Conducted PDRA with MDRRMC and the Association of Barangay Council, sent text blast and recorida

MDRRMC Albur

Disseminated information to the barangays through sms/phone call.

MDRRMC Corella

- a. Text brigade to all Punong Barangays, Rescue team members/ volunteers, and key players of the MDRRM Office.
- b. Conducted situational checkup to every barangay at 4:00PM and 5:00PM.
- c. Activated EOC
- d. Conducted a roving to eight barangays for inspection and ocular situational evaluation

MDRRMC Anda

- a. Conducted BDRRMC meeting and activation of Barangay Operation Center and Response Units.
- b. Continuously informs and advises all communities through local television and radio stations.
- c. Monitored with vigilance the level of river waters and settlements in low-lying areas such as rice lands or near riverbanks.
- d. Conducted road clearing of all road hazard and unclogging/cleaning of drainage canal.
- e. Enforced a No-Fishing Policy and ensure that sea travel and small-scale fishing activities are closely monitored and prohibited
- f. Prepared evacuation centers.

MDRRMC President Carlo P. Garcia

- a. Conducted Pre-Disaster Assessment in the storm surge prone areas of Barangays Tugas, Kabangkalan and Aguinig

- b. Made public address enjoining resident in the coastal areas to refrain from sailing with their small pumpboats due to big waves and instructed them to settle on higher ground if the situation so demands.
- c. Conducted periodic rounds in the coastal areas and constant communications
- d. Checked situational status in the four island Barangays.

3. RDRRMC VIII

OCD VIII

- a. Activated Bravo Protocol, RDRRMC EOC and raised BLUE Alert Status on 01 June 2021, 8:00 AM.
- b. Attended the National PDRA Meeting on 31 May 2021.
- c. Continuous monitoring of current weather condition.
- d. Continuous monitoring and coordination with P/C/MDRRMOs on their status.

DSWD VIII

- a. Prepositioned FFPs in Samar Island, Biliran and Southern Leyte which can be distributed immediately by the P/C/MATs to LGUs.
- b. Communicated SWAD Teams and City/Municipal Actions Teams to be alerted on the weather disturbance.
- c. Monitored the weather situation through watching the live updates of PAGASA regarding the weather disturbances.
- d. SFO Northern Samar attended their PDRA Meeting on 31 May 2021.
- e. Coordinated with DRMD PDOs regarding updates on the weather status in different provinces of Eastern Visayas.
- f. Continuous reconditioning of good and repacking of FFPs.
- g. Established DROMIC Tool for TS “Dante” in the live spreadsheet.

BFP VIII

- a. Issued memorandum re Operational Preparedness and Intensification of Oplan Paghalasa and Observance of Precautionary Measures in Response to Tropical Storm “DANTE”;
- b. Placed Special Rescue Unit Personnel on standby
- c. Conducted inventory of available assets

DA

Ensured the availability of buffer stocks

DENR-MGB VII

- a. Issued advisory on the possible effects of TS “DANTE” to Provinces, Cities and Municipalities in the region and to take precautionary measures especially in hazard prone areas.
- b. Issued list of Municipalities/ Cities and Barangays in the region with possibly affected areas based on the 120-hour model of PAGASA.

DOH VIII

- a. Raised Code White Status for TS “DANTE”.
- b. Maintained hotline number opens 24/7.
- c. Disseminated weather advisories
- d. Buffer commodities for initial response prepositioned to 6 Provincial DOH offices.

DPWH VIII

- a. Activated their EOC.
- b. Prepositioned their assets.
- c. Provided situational report every 6 hours.

8TH Infantry Division, Philippine Army

- a. Activated the Disaster Risk Task Group and showed the location of their DRTs deployed in the region.
- b. Encouraged the Local DRRMCs to coordinate in case of response.

PCG VIII

- a. Directed all stations and sub stations of Eastern Visayas to be on full alert status.
- b. Prepared all floating assets and activated all deployable response group.
- c. Advised shipping lines and fishing vessels to take shelter and not to venture sea area during this weather disturbance.

PPA VIII

Issued Ports Operations Bulletin/ Advisory on the suspension of port operations and pull out of vessels.

PDRRMC Southern Leyte

➤ MDRRMC Padre Burgos/ San Francisco/ San Ricardo

Continuous monitoring and sending of severe weather and rainfall advisories to all MDRRMC members and BDRRMCS thru text and group chat

PDRRMC Leyte

- a. Continuous monitoring on rainfall and water levels in the different stations installed.
- b. Activated interoperability communication and response networks.
- c. Placed SAR team on stand-by and secured the safety of responders.
- d. Disseminated advisories to frontline service departments in Provincial Government of
- e. Leyte.
- f. Maintained all water assets and other equipment for any untoward incidents.
- g. Continuous monitoring of weather advisories, reports, or any related issuances and disseminated to PDRRM Council members, LGUs, other stakeholders, and the public.
- h. Coordinated with the LGUs in prepositioning resources including quarantine facilities
- i. and other preparedness activities.
- j. Coordinated with Philippine Coast Guard and CAAP RO8 for any suspension and
- k. cancellation of air and sea travel.
- l. Disseminated information and updates through social media and other
- m. communication networks.
- n. Submitted preparedness measures and situational reports to RDRRMC 8 Operations
- o. Center and to the concerned agencies.
- p. Prepositioned heavy equipment per district offices and goods in PSWD Office;
- q. Conducted online meetings for coordination.
- r. EOC on standby and on monitor to coordinate and respond to any eventualities.

CDRRMC Tacloban

- a. On Red Alert status
- b. Prepositioned emergency responders on standby for any eventualities

- c. Advised BDRRMCS to activate contingency plan for typhoon, to submit preparedness measures and emergency response goods and materials and its inventory of evacuation centers intended for hydromet hazards and to conduct pre-emptive evacuation especially on high-risk areas.

CDRRMO Ormoc

- a. Continuous monitoring and contact with Barangay DRRM Committee and PB's especially
- b. Manual Water Level at Brgy. Lilo-an, Pagsanga-an River.
- c. BDRRM Committee advice to monitor their perspective AOR and render report thru
- d. the BDRRMC-CDRRMO Group Chat.
- e. Placed LGU heavy equipment and vehicles, drivers and response personnel on standby at
- f. CEO and GSO Compound.
- g. Prepositioned 500 bags food packs, tarps and privacy tents at CSWDO.
- h. Pre-positioned food packs, goods, tarps and privacy tents are on standby at
- i. CSWDO.
- j. Advised ENRO to inform upland barangays with its officials of possible landslides
- k. due to current weather condition.
- l. LIGA Personnel contacted all the Punong Barangays for updates and informed of
- m. possible dangers during TS Dante.
- n. KABALIKAT – CIVICOM on continuous monitoring on Pagsanga-an River.

MDRRMC Alang-Alang

- a. Conducted continuous monitoring with the Alangalang, Leyte EMS and Rescue Team.
- b. Continuous dissemination of weather advisories to 54 barangays thru radio
- c. communication and social media;
- d. Recommended pre-emptive evacuation at the high-risk barangays.
- e. Coordinated with volunteer groups for possible emergency response assistance
- f. Advised all 54 BDRRMCs to:
 - Prepare all Temporary Evacuation Shelters;
 - Implement force evacuation if necessary of families within the high risk areas;
 - Conduct 24hr monitoring of water level of rivers, creeks and canals;
 - Facilitate information dissemination of weather advisories to all constituents;
 - Advised all Barangay DRRMCs to be activated and on standby;
 - Continue monitoring of weather advisories from Municipal Operation Center;
 - All barangays were strongly advised to periodically report/ update to
 - Municipal Operation Center the current situation of their respective barangays.

PDRRMC Eastern Samar

- a. Monitored weather updates, warnings and advisories and disseminated to
- b. LGUs through their MDRRMOs and other agencies concerned.
- c. Disseminated MGB List of LGUs and Barangays susceptible to flooding and
- d. landslide once received.
- e. Activation of PDRRM Council as needed.
