NDRRMC UPDATE

Sitrep No. 03 re Preparedness Measures and Effects of Intertropical Convergence Zone (ITCZ) enhanced by Tropical Storm "DANTE" (I.N. CHOI-WAN)

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD 

DATE: 03 June 2021, 8:00 AM

Sources: DOST-PAGASA, DSWD, MGB, DOH, DILG, DA, DPWH, OCDROs V, VII, VIII, XI, XII, CARAGA, CAR and BARMM

I. SITUATION OVERVIEW

A. CHRONOLOGY (TAB A)

03 June 2021

As of 8:00 AM, TS "DANTE" continues to move north northwestward over the coastal waters west of Pangasinan. At 7:00 AM, the center of TS "DANTE"(CHOI-WAN) was estimated based on all available data 145 km West Northwest of Dagupan City, Pangasinan, with maximum sustained winds at 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving north northwestward at 35 km/h, and with gale-force winds extend outward up to 50 km from the center.

TCWS No. 2 was raised over the western portion of Pangasinan. TCWS No. 1 was raised over the central portion of Pangasinan, the northwestern portion of Tarlac, and the northern portion of Zambales.

As of 02 June 2021, 8:00 PM, TS "DANTE" made a total of 8 landfalls since 01 June 2021:

TS "DANTE" LANDFALLS			
No.	Location	Date	Time
1	Sulat, Eastern Samar	01 June 2021	8:30 PM
2	Cataingan, Masbate	02 June 2021	1:00 AM
3	Balud, Masbate	02 June 2021	3:30 AM
4	Romblon, Romblon	02 June 2021	8:00 AM
5	San Agustin, Romblon	02 June 2021	8:50 AM
6	Pola, Oriental Mindoro	02 June 2021	2:00 PM
7	Tingloy (Maricaban Is.), Batangas	02 June 2021	7:20 PM
8	Calatagan, Batangas	02 June 2021	8:00 PM

II. EFFECTS

A. Related Incidents (TAB B)

The following incidents were monitored and reported in Regions XII and BARMM:

REGION	LANDSLIDE	FLOODING / FLASHFLOOD	RIVER SWELLING	RIVER SCOUR	FLASHFLOOD AND SOIL EROSION
TOTAL	2	6	1	1	1
XII	2	5	1	1	1
BARMM	0	1	0	0	0

Sources: OCDROs XII and BARMM

B. Affected Population (TAB C)

A total of **9,831 families** or **45,456 persons** were affected in **89 barangays** in **Regions XI, XII, and Caraga**. Of which, **3,090 families** or **12,071 persons** are currently taking temporary shelters in **104 evacuation centers**.

III. DISASTER PREPAREDNESS (TAB G)

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensures dissemination of Severe Weather Bulletins, Weather Advisories, Gale Warning, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Issued NDRRMC Memorandum No. 52, s. 2021 regarding Emergency Preparedness and Response Measures for TS "DANTE" dated 01 June 2021.
- Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- Conducted PDRA Core Group Meeting together with RDRRMCs NCR, CAR, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, IX, X, XI, XII, and BARMM on 31 May 2021, 4:00 PM via video teleconferencing.
- Disseminated a total of **27** Emergency Alert and Warning Messages (EAWM).
- Established and activated the Virtual Emergency Operations Center (EOC) on 01 June 2021.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, XI, CARAGA, CAR, and NCR are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warning, Severe Weather Bulletins, and General Flood Advisories through SMS, facsimile, and official social media websites.

C. PRE-EMPTIVE EVACUATION

A total of **280 families / 1,043 persons** were pre-emptively evacuated in Regions V and VII.

REGION	PROVINCE	CITY / MUNICIPALITY	No. of Ecs	INSIDE Ecs		OUTSIDE Ecs	
				Families	Persons	Families	Persons
				NOW	NOW	NOW	NOW

IV. DISASTER RESPONSE (TAB H)

The NDRRMC Response Cluster ICOW TS "DANTE" was activated on 02 June 2021, 6:00 PM through NDRRMC Memorandum. Hence, activating the following clusters to monitor and facilitate emergency response and humanitarian assistance:

- Food and Non-Food Items (DSWD)
- Camp Coordination and Camp Management (DSWD)
- Internally Displaced Persons Protection (DSWD)
- Health (DOH)
- Logistics (OCD)
- Search, Rescue, and Retrieval (AFP) (on stand-by)
- Emergency Telecommunications (DICT) (on stand-by)
- Education (DepEd) (as need arises)
- Law and Order (PNP) (as need arises)

A. COST OF ASSISTANCE

A total of **₱1,120,764.00** worth of assistance was provided by the DSWD and LGU to the affected families in Region XII and **Caraga**.

Preparedness Measures and Effects of TS “DANTE” (I.N. CHOI-WAN)
CHRONOLOGY TROPICAL CYCLONE BULLETIN
As of 03 June 2021, 8:00 AM

30 May 2021

At 5:00 AM, Tropical Depression east of Mindanao entered the Philippine Area of Responsibility (PAR) and was named “DANTE”. At 4:00 AM, the center of TD “DANTE” was estimated at 1,000 km east of Mindanao with maximum sustained winds of 45 km/h near the center, gustiness up to 55 km/h, the central pressure of 1,004 hPa, and moving West Northwestward at 15 km/h.

At 5:00 PM, TD “DANTE” decelerated and moved west-northwestward over the Philippine Sea east of Mindanao. At 4:00 PM, it was estimated at 835 km east of Mindanao with maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, the central pressure of 1,002 hPa, and moving west Northwestward at 15 km/h.

At 11:00 PM, TD “DANTE” maintained its strength while moving northwestward. At 10:00 PM, it was estimated at 685 km east of Davao City with maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, the central pressure of 1,000 hPa, and moving Northwestward at 15 km/h.

31 May 2021

At 5:00 AM, TD “DANTE” intensified into a Tropical Storm (TS). At 10:00 AM, the center of TS “DANTE” was estimated at 625 km East of Davao City, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, and moved North Northwestward at 15 km/h. Gale-force winds extend outward up to 50 km from the center.

At 11:00 AM, TS “DANTE” slightly intensified while moving northwestward over the Philippine Sea.

At 5:00 PM, TS “DANTE” maintained its strength as it continued to move Northwestward over the Philippine Sea. At 4:00 PM, it was estimated at 375 km East Northeast of Hinatuan, Surigao del Sur or 455 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

TCWS No. 1 was raised in the eastern portion of Northern Samar (Mapanas, Gamay, Lapinig, Palapag, Laoang) and the northeastern portion of Eastern Samar (Arteche, San Policarpio).

At 11:00 PM, TS “DANTE” maintained its strength as it continued to move Northwestward over the Philippine Sea. At 10:00 PM, it was estimated at 375 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 1 was raised in LUZON: the eastern portion of Sorsogon, Northern Samar, Samar, Eastern Samar, Biliran, the eastern portion of Leyte, the eastern portion of

Southern Leyte (Sogod, Libagon, Saint Bernard, San Juan, Anahawan, Hinundayan, Silago, Hinunangan), Dinagat Islands, and Siargao, and Bucas Grande Islands.

01 June 2021

As of 5:00 AM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated at 310 km East of Surigao City, Surigao del Norte or 380 km East of Maasin City, Southern Leyte (10.2°N, 128.3°E), with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, and a central pressure of 996 hPa.

As of 8:00 AM, TS "DANTE" turns west-northwestward while over the Philippines Sea East of Dinagat-Siargao Island. At 7:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 270 km East of Maasin City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 11:00 AM, TS "DANTE" maintains its strength while moving westward over the Philippine Sea east of the Dinagat-Siargao Islands area. At 10:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 235 km east of Maasin City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving westward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 2:00 PM, TS "DANTE" is now moving north-northwestward towards the southern portion of Eastern Visayas. At 1:00 PM the center of TS "DANTE" (CHOI-WAN) was estimated on all available data at 220 km East Northeast of Maasin City, Southern Leyte, or 125 km east southeast of Guiuan, Eastern Samar, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa. Moving North Northwestward at 15 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 5:00 PM, TS "DANTE" slightly weakens as it continues to move north-northwestward closer towards Eastern Samar. At 4:00 PM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 85 km East Northeast of Guiuan, Eastern Samar or 110 km East Southeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, moving North Northwestward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 2 was raised over Catanduanes, Camarines Sur, the southern portion of Camarines Norte, Masbate including Ticao and Burias Island, Albay and Sorsogon, Eastern Samar, Samar, Northern Samar, Biliran, and the northeastern portion of Leyte.

Meanwhile, TCWS No. 1 was raised over Rizal, Laguna, the southeastern portion of Batangas, Quezon including Polillo Islands, the rest of Camarines Norte, Marinduque, and Romblon, the northeastern portion of Aklan, the northeastern portion of Capiz, the northeastern portion of Iloilo, the northeastern portion of Negros Occidental, the northern portion of Cebu, the northeastern portion of Bohol, the rest of Leyte and Southern Leyte, Surigao del Norte including Siargao and Bucas Grande Islands, Dinagat Island, the northern portion of Agusan del Norte, the northern portion of Agusan del Sur, and the northern portion of Surigao del Sur

As of 8:00 PM, TS "DANTE" maintains its strength and is about to make landfall over the northern portion of Eastern Samar. At 7:00 PM the center of TS "DANTE" was estimated based on all available data at 55 km East Northeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, and a central pressure of 998 hPa, moving northwestward at 30 km/h, and gale-force winds extend outward up to 100 km from the center.

At 8:30 PM, the center of TS "DANTE" made its landfall in the vicinity of Sulat, Eastern Samar.

02 June 2021

As of 2:00 AM, TS "DANTE" made another landfall in the vicinity of Cataingan, Masbate. At 1:00 AM the center of TS "DANTE" was estimated based on all available data in the vicinity of Cataingan, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and a central pressure of 998 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

As of 5:00 AM, TS "DANTE" is now off the southwestern coast of Masbate and is heading towards the vicinity of Romblon. At 4:00 AM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Mactan and Iloilo Doppler Weather Radars over the western coastal waters of Balud, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 8:00 AM, TS "DANTE" is about to make landfall in the vicinity of Romblon. At 7:00 AM, The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Iloilo Doppler Weather Radar over the southern coastal waters of Romblon, Romblon, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and Gale-force winds extend outward up to 50 km from the center.

As of 11:00 AM, TS "DANTE" is now moving Northwestward and is approaching the eastern coast of Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 2:00 PM, TS "DANTE" continues to move northwestward towards the southwestern portion of Batangas - northeastern portion of Oriental Mindoro. At 1:00 PM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Pola, Oriental Mindoro or 45 km East Southeast of Calapan City, Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving northwestward at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 5:00 PM, TS "DANTE" is now moving west northwestward and is heading towards the Southwestern coast of Batangas. At 4:00 PM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Calapan, Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving West

Northwestward at 15 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 8:00 PM, TS "DANTE" is now over the Verde Island passage and is moving towards the southwestern coast of Batangas. At 7:00 PM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Calapan, Oriental Mindoro, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 11:00 PM, TS "DANTE" has crossed the southwestern portion of Batangas and is now heading towards the Bataan Peninsula-Southern Zambales area. At 1:00 AM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Subic Doppler Weather Radar over the coastal waters of Nasugbu, Batangas, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 15 km/h, and gale-force winds extend outward up to 50 km from the center.

03 June 2021

As of 2:00 AM, TS "DANTE" maintains its strength and is now over the coastal waters west of the Bataan Peninsula, with The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Subic Doppler Weather Radar over the coastal waters of Morong, Bataan, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 20 km/h, and with gale-force winds extend outward up to 50 km from the center.

As of 5:00 AM, TS "DANTE" now over the coastal waters of Northern Zambales after passing very close to the western coast of central and Southern Zambales. At 4:00 AM, The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Santa Cruz, Zambales, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving North northwestward at 25 km/h, and with Gale-force winds extend outward up to 50 km from the center.

Preparedness Measures and Effects of TS “DANTE” (I.N. CHOI-WAN)

DISASTER PREPAREDNESS

As of 03 June 2021, 8:00 AM

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Disseminated one (1) Emergency Alert and Warning Message (EAWM).
- d. Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- e. Conducted Pre-Disaster Risk Assessment (PDRA) Core Group Meeting together with RDRRMCs NCR, CAR, II, CALABARZON, MIMAROPA, V, VI, VIII, IX, X, XI, XII, and BARMM on 31 May 2021, 4:00 PM via video teleconferencing.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Participated on the Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 30 May 2021, 2:00 PM and provided Weather Update re Tropical Storm “DANTE” during Pre-Disaster Risk Assessment (PDRA) via video teleconferencing on 31 May 2021, 4:00 PM.
- b. Continuous weather monitoring and provision of weather updates.

3. Department of Social Welfare and Development (DSWD)

The Disaster Response Management Bureau (DRMB) is closely coordinating with the concerned field offices for significant reports on the status of affected families, assistance, and relief efforts.

4. Department of Health (DOH)

- a. Raised Code Alert.
- b. Sent weather alert memorandum to all Centers for Health Development and BARMM Ministry of Health and DOH-retained hospitals.
- c. Continuously monitoring the weather disturbance through DOST-PAGASA.
- d. Placed 39 Health Emergency Response Teams for deployment.
- e. Prepositioned Php 11,241,327.42 worth of drugs, and medical supplies.
- f. Ensured the availability of supplies worth Php 37,446,427.52 at the DOH Central Office warehouse.
- g. Coordinated with TG Service Continuity Plan for possible vaccination sites that will be affected by TS “DANTE”.
- h. Attended Pre Disaster Risk Assessment last May 31, 2021.
- i. Provided hygiene kits, medicines and jerry cans in CARAGA Region.
- j. Implemented strict adherence on health protocol and minimum standards for COVID 19.
- k. Reiterated DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID19 during disaster evacuation and displacement in Region V.
- l. Continuous coordination with concerned Provincial DOH Offices (PDOHO), Provincial Health

5. Department of the Interior and Local Government (DILG)

- a. Continuously providing all available information (i.e., PAGASA's Global Spectral Model/Weather Research Forecasting Model Forecast Rainfall, Severe Weather Bulletins and Tropical Cyclone Warning for Shipping; and MGB's Updated Barangay List of LGUs Prone to Landslide, Debris Flow and Flood) to all DILG Regional and Field Offices regarding the Tropical Depression DANTE thru texts and e-mails.
- b. Activated the Emergency Operations Centers and Disaster Online Reporting and Monitoring System (DORMs) for Tropical Depression DANTE in DILG Regions X, XI, and XII as of 31 May 2021, 12:00 NN.
- c. Advised concerned LGUs to establish critical preparedness actions based on the Operation L!STO Protocols, and DILG Memorandum Circular No. 2020-125 - LISTO SA TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020.
- d. Attended LDRRMC PDRA meetings.
- e. Informed and advised LCEs, LDRRMOs, and Punong Barangays to activate their EOCs.
- f. Prioritized the prepositioning of supplies, equipment, and personnel for response.
- g. Reminded LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes.
- h. Directed all concerned regions to assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID-19 testing requirements will not hamper and delay the entry, passage, and operations of all government and private sector disaster response personnel.
- i. Recommended the activation of BDRMMCs for early warning measures and monitoring of weather updates and hazard prone areas, conduction of canal clearing operations, implementation of pre-emptive evacuation in areas with high to very high susceptibility to hazards brought by the weather disturbance, restriction or ban of tourist activities, cessation of mining activities, and implementation of No-fishing policy and sea travel restrictions.

6. Department of Agriculture (DA)

- a. Activated DA Regional DRRM Operation Centers.
- b. Issued advisories to provinces thru the Agricultural Program Coordinating Offices (APCOs).
- c. Coordinating with the LGU counterparts and other RDRRM related offices and monitoring the actual field situation for possible agricultural damage.
- d. Prepositioned seeds of rice and corn; drugs and biologics for livestock and poultry.
- e. Ensured the availability of Quick Response Fund (QRF) for the rehabilitation of affected area, Survival and Recovery (SURE) Loan Program of Agricultural Credit Policy Council (ACPC), and the Philippine Crop Insurance Corporation (PICC) to indemnify affected farmers.

7. Department of Public Works and Highways (DPWH)

- a. Activated DPWH DRRM Teams of possibly affected Regional and District Engineering Offices.
- b. Continuous monitoring of the status of national roads and bridges
- c. Maintenance crew and equipment are on standby ready for deployment.

8. Mines and Geosciences Bureau (MGB)

- a. Provided a list of cities and municipalities susceptible to landslide and flood to the NDRRMOC and other concerned offices for information, reference, and redundancy of information.
- b. Attended the NDRRMC Emergency Meetings and PDRA Meetings and presented and recommended the following:
 - Vigilant monitoring of areas showing signs of landslides such as tension cracks, seepages, terracettes, and tilting of trees.
 - Avoid areas affected by repeated flooding, meandering with riverbank erosion, floodplain with shifting and braiding streams, coastal areas, affected by storm surge, flashflood areas, and river deltas with many distributary channels.
 - Be aware of the geohazard in your area. MGB Geohazard maps are available in the barangay, municipal, and provincial LGUs nationwide as well as your respective MGB Regional Offices. Visit the MGB Web portal and other platforms like Hazard Hunter (GeoRiskPH).

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs NCR, CAR, II, CALABARZON, MIMAROPA, V, VI, VIII, IX, X, XI, XII, and BARMM are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC CAR

OCD CAR

- a. Continuous monitoring on the possible threats of the tropical cyclone.
- b. Closely coordinates with LDRRMCs and council members of the Cordillera RDRRMC on incidents monitored, local weather situations/status, road networks conditions; alert status of LDRRMOs and council members; and other disaster related reports/incidents.
- c. Prepositioned skeletal workforce on RDRRMC EOC.
- d. Coordinated with member-agencies like PAGASA Baguio Synoptic Station and DPWH-CAR and continuously disseminates advisories to the public, LDRRMCs and member-agencies of RDRRMC Cordillera.
- e. Spearheaded information campaign and issuance of advisories thru text blast and social media.

DOST CAR

Continuous monitoring and maintaining of Community-Based Flood Early Warning Systems (CBFEWS) in coordination with LGUs and DOST-ASTI.

PAGASA Baguio Synoptic Station

Continuously monitors AOR and provides weather updates, advisories, and forecasts for dissemination.

DILG CAR

- a. Instructed all Field Office Units to take proactive measures and direct all LGUs to monitor all PAGASA weather advisories and bulletins.

- b. Utilized Met-Hydro Decision Support InfoSystem (Meteopilipinas), drnnis.dostcar.ph, ASTI's Philsensor website, MGB's Geohazard Web Portal, and HazardHunterPH to check for natural hazards and hazard assessment reports.
- c. Facilitated the utilization of Oplan Listo manuals by the LGUs/LCEs.

DSWD-FO CAR

- a. Ensured the availability of food and non-food items, transport vehicles, standby funds and QRT on standby alert.
- b. Prepositioned FNIs in the Regional Warehouse.
- c. Continuous coordination with Cordillera RDRRMC EOC.
- d. Prepositioned 32,090 family food packs amounting to ₱16,519,498 and various Non-Food items available for augmentation.

AFP

On heightened alert and continuously monitors AOR.

Tactical Operations Group 1 (TOG 1) PAF

On standby for possible response augmentation and to support the conduct of RDANA through aerial survey.

14th CAR RCDG, ARESKOM, PA

On heightened alert and continuously monitors the area of responsibility.

5031BDE,510, PA

On standby for possible response augmentation.

BFP CAR

- a. In close coordination with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment and augmentation.
- b. On standby for the possible activation of Oplan Paghalasa (Paghahanda Laban sa Sakuna).

DICT CAR

- a. Provisioned free public Internet access in public places to augment emergency communication in various communities in the Cordillera.
- b. Continuous monitoring, operations and maintenance of Regional Government Network in Baguio City.

DPWH CAR

- a. Provided information on status of road networks.
- b. Close monitoring of the national (essential) road networks and bridges situations in the Cordillera region through DPWH District Engineering Offices (DEOs).
- c. Continuous dissemination of situational reports on national roads and bridges to the Cordillera RDRRMC EOC.

DOH CAR

- a. In close coordination with RDRRMC Cordillera EOC in relation to continuous monitoring of uneventful health and health-related incidents.
- b. Activated 24/7 Operation Center.

- c. Ensured adequacy of prepositioned logistics and buffer stock to the Provincial Department Offices (PDOHOs): CAMPOLAS Kit, Hygiene Kits, First Aid Kits, WASH Commodities (Disinfectants, chlorine granules, aquatabs). and PPEs.

PIA CAR

Continuous information dissemination on safety tips, public advisories, and road alerts in close coordination with the Cordillera RDRRMC EOC.

PNP-PRO CAR

- a. Placed PNP PROCOR personnel and capabilities/resources on standby ready to extend assistance or response in case of emergencies and other eventualities.
- b. Conducted inventory of SAR equipment.
- c. In close coordination with the Cordillera RDRRMC EOC and on stand-by mode for possible disaster operations, deployment and augmentation.

PDRRMC Abra

- a. Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Close monitoring of municipalities and barangays along Abra River Basin and other flood-prone areas.

PDRRMC Apayao

- a. Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Maintained RED Alert Status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.

PDRRMC Benguet

Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring for COVID19 and weather disturbance.

CDRRMC Baguio City

- a. Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Regular updating and issuance of public advisories through text-blasts system and various social media platforms.

PDRRMC Ifugao and Kalinga

Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.

PDRRMC Mountain Province

- a. Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Advised all concerned agencies to be on alert for possible augmentations.
- c. Prepositioned volunteers on standby alert.
- d. Activated DMRS, monitored weather updates and disseminated advisories thru SMS.

2. RDRRMC I

- a. Conducted a Regional PDRA on 31 May 2021 via VTC.

- b. Conducted an Emergency Meeting on the Possible effects of TS “DANTE” on 02 June 2021.
- c. Continuous monitoring of AOR.

OCD Region I

- a. Participated in the Regional PDRA on 31 May 2021 via VTC.
- b. Continuous dissemination of severe weather bulletins and weather advisories.
- c. Issued and disseminated RDRRMC Memorandum #21 re Raising of Blue Alert Status ICOW TS “DANTE” effective 02 June 2021, 8AM.
- d. Issued and disseminated RDRRMC Memorandum #22 re Activation of Bravo Protocol as Level for Disaster Response Actions ICOW TS “DANTE”.
- e. Issued and disseminated RDRRMC Memorandum #23 re Raising of Red Alert Status ICOW TS “DANTE” effective 12NN of June 2, 2021.
- f. Issued and disseminated RDRRMC Memorandum #24 Advisory on Pre-emptive Evacuation and No Sail Policy ICOW TS “DANTE”.

DSWD FO1

- a. Close coordination with the Regional Disaster Risk Reduction and Management Council 1 (RDRRMC1) and Provincial Operations Offices (POOs).
- b. Close coordination with the different Provincial/City/Municipal Disaster Risk Reduction and Management Councils (P/C/MDRRMCs) and Provincial/City/Municipality Social Welfare and Development Offices (P/C/MSWDOs) to monitor the adverse effects that might be brought by the weather disturbance.
- c. Activated and on-duty status of the DSWD FO 1 Incident Management Team (IMT) while other DSWD staff are on standby for possible augmentation. Likewise, the Field Office ensures availability and readiness of resources.

Standby Funds

A total of PhP1,280,735.20 quick response funds are available and ready for disaster operations use

Stockpile

Food Items

A total of 18,936 Family Food Packs (FFPs amounting to PhP9,567,360.00 are prepositioned at different strategic locations as follows:

City/Province	No. of Stockpiled Relief Goods	Amount
DSWD FO 1 Regional Warehouse, Biday, City of San Fernando, La Union	10,769	PhP5,492,190.00
Satellite Warehouse, Ayusan Sur, Vigan City, Ilocos Sur	2,267	1,156,170.00
Satellite Warehouse, Rosales, Pangasinan	1,900	969,000.00
Satellite Warehouse, Maningding, Santa Barbara, Pangasinan	2,000	1,020,000.00
Satellite Warehouse, Alaminos City, Pangasinan	2,000	1,020,000.00
TOTAL	18,936	PhP9,657,360.00

Non-Food Items

A total of 14,336 non-food items amounting to PhP21,101,779.00 are prepositioned at different strategic locations:

Items	No. of Stockpiled Relief Goods	Unit Cost	Amount
Family Kit	4,863	2,300.00	PhP11,184,900.00
Hygiene Kit	498	1,787.75	890,299.50
	2,616	1,473.50	3,854,676.00
Kitchen Kit	920	758.00	697,360.00
	3,200	739.50	2,366,400.00
Sleeping Kit	2,212	757.75	1,676,143.50
Tent	27	16,000.00	432,000.00
TOTAL	14,336		21,101,779.00

DILG Region I

- a. Sent weather advisories and critical cyclone track charts to the Provincial Offices
- b. Activated reporting and monitoring for TS DANTE.
- c. Monitored DORMs for TS DANTE.
- d. Collated and submitted narrative reports of LGUs' disaster preparedness measures.

3. RDRRMC II

OCD II

- a. On BLUE Alert Status effective 2 June 2021, 7:00 AM.
- b. Issued CVDRRMC Memo No 36 s 2021 dated 02 June 2021 re raising of BLUE Alert Status at the CVDRRMOC and LDRRMOCs in relation to the possible effects of Tropical Storm "DANTE" in the Region.
- c. Attended National PDRA on 31 May, 2021 and NDRRMOC Virtual EOC.
- d. Conducted PDRA Core Group Meeting on 02 June 2021 at 1:30PM.
- e. Continuous dissemination of weather updates/advisories to Cagayan Valley
- f. RDRRMC member-agencies, P/C/MDRRMCs, Media and other stakeholders thru SMS, viber and social media.
- g. Close coordination with P/C/MDRRMOs in the Region.
- h. Continuous monitoring of the major river systems in the region.
- i. Ensured that emergency telecommunications are all functional

DILG II

- a. Activated OpCen.
- b. Issued Memorandum to all Provincial Directors re activation of Operation Center.
- c. Disseminated and coordinated weather advisories to LCEs and MDRRMOs.
- d. Continuous monitoring and dissemination of all updates from field offices.
- e. Informed all LGUs and MLGOOs re activation of reporting system and necessary LGU preparedness actions.

DSWD-FO II

- a. Alerted all SWAD Teams/ MATs on the occurrence of TS "DANTE" and advised to coordinate with LDRRMCs.
- b. Continuously monitors the weather advisory and provides advisory to all RDRMTs, SWADTs and Municipal Action Team (MATs).
- c. Ensure availability of Food and Non-Food Items (FNIs).

AFP

- a. Alerted disaster response teams and ensured availability of response assets.
- b. In close coordination with members of the CVRDRRMCs and LDRRMCs.
- c. Prepositioned response teams from 501'1 BDE, 502nd BDE for possible deployment.

BFP II

- a. Strictly monitored AOR including those landslide and flood-prone areas
- b. Closely coordinated with LDRRMCs.
- c. SRU teams are on standby for possible deployment.

DENR- MGB II

- a. Attended the PDRA Core Group Meeting
- b. Issued General Public Advisory and Geohazard Advisory with list of Barangays in Region II with High to Very High landslide and flood susceptibilities to OCD, DILG and Provincial Governments.
- c. Activated the MGB RO II Geohazard Operations Center.
- d. Continuously monitors status for the possible effects of TS "DANTE".
- e. In close coordination with MGB Central Office and other MGB Regional Offices for the updates and effects of TS "DANTE".

DOH II

- a. ERT on standby and ready for deployment.
- b. Activated medical teams from different DOH-retained hospitals for possible deployment
- c. Continuous monitoring thru quad-media 24/7.
- d. Coordinated with HEMB, OCD, DRRM Offices, DMO IV and V.

DPWH II

- a. Disaster response teams on alert.
- b. Ensured availability of response assets.
- c. Closely coordinated with members of the CVRDRRMCs and LDRRMCs.
- d. Submitted of timely update and advisory on road network status.
- e. Prepositioned assets to strategic locations in the region.

PIA II

- a. Continuous dissemination of weather updates/ advisories.
- b. In close coordination with CVRDRRMC member agencies.
- c. Disseminated information provided by CVRDRRMC member agencies to the media and public.
- d. Continuous posting of social media cards and weather bulletins/advisories through social media.

PCG II

- a. Ensured availability of response assets.
- b. Prepositioned personnel on standby and ready for possible deployment.

PNP PRO II

- a. In close coordination with CVRDRRMC member agencies and P/C/MDRRMCs.
- b. Disseminated weather updates/advisories to the public.
- c. Placed rescue and response assets on standby alert.
- d. Directed lower units to strictly monitor AOR.

4. RDRRMC III

OCD III

- a. Conducted PDRA Meeting and disseminated the Emergency Preparedness Response "Alpha Protocol" to all RDRRMC III members as ordered by OCD-NDRRMC OPCEN via Zoom Meeting on 31 May 2021, 4:00PM.
- b. Closely monitored weather conditions in all seven (7) provinces and two (2) HUCs in Central Luzon.
- c. Advised DRRMOs to observe social distancing and minimum health protocols during the conduct of pre-emptive evacuation operations and monitor observance of minimum public health standards inside evacuation centers.
- d. Disseminated 24-Hour PWF, Rainfall Advisories, Thunderstorm Advisories, and Severe Weather Bulletins to all LDRRMOs and member line agencies thru SMS, Facebook messenger, and emails.
- e. Continuously monitors landslide-prone and low-lying areas all over Central Luzon.
- f. Continuously monitors roads, bridges, dams and rivers within AOR.
- g. Attended EOC briefing via Zoom on 01 June 2021.
- h. Conducted Regional PDRA via Zoom on 01 June 2021.

DILG III

- a. Activated OPCEN at DILG Regional Office, DMGC, Maimpis, CSFP.
- b. Closely monitored presence of LCEs in their respective areas.
- c. Disseminated track chart of TS "Dante" to all LGUs.
- d. Monitored the LGUs' preparedness and response actions.

DSWD III

- a. Activated Rapid Deployment Team DRMD to continuously monitors weather disturbance and coordinates with Provincial Extension Offices for the situation of their respective LGUs.
- b. Prepositioned 15 QRT's ready for deployment upon the activation of the Blue and Red Alert status.
- c. Placed QRT members, team leaders in Camp Coordination and Camp Management, trained personnel in mental health and psychosocial support and basic first aid ready for deployment.
- d. Provided a total of 7,613 family food packs stockpile, additional 24,420 FFPs and on-going procurement of 13,000 FFPs amounting to ₱ 6,725,980.000.
- e. Ensured the availability of (1) disaster response facilities and (1) equipment vehicles, 4 handheld radio, 13 emergency lights and 3 portable generator set.

DPWH III

Prepositioned resource on strategic areas in AOR.

PDRRMC Aurora

- a. Prepositioned resources on strategic areas in AOR
- b. Maintained EOC on Blue Alert Status for monitoring of COVID-19 situation and TS "Dante".
- c. Coordinated with PCG to raise Gale Warning on 'No Sailing Policy' to warn fisherfolks that sea travel is risky for all types of sea crafts.
- d. Continuous weather monitoring and dissemination.
- e. Continuous coordination with MDRRMCs and concerned agencies to monitor any untoward incident, water tributaries and high-risk areas.

P/CDRRMC Bataan/Nueva Ecija/Pampanga/Tarlac/Zambales, Angeles City and Olongapo City

- a. Prepositioned resources in strategic areas in AOR
- b. Continuous weather monitoring and dissemination of information/weather advisories in AOR
- c. Continuous coordination with MDRRMCs and concerned agencies to monitor any untoward incident, water tributaries and high-risk areas.

BULACAN PDRRMC

- a. Activated Operation Listo.
- b. Attended PDRA Meeting on 1 June 2021 led by OCD III.
- c. Conducted monitoring of TS "Dante" using DOST PAGASA, Windy, Typhoon 2000, and NoGaps.
- d. Disseminated notices and advisories regarding water level of dams, rain-induced landslide, and flood threat advisory to all concerned C/MDRRMOs through text message, email and group chat.
- e. Regular reading/receiving of observation from rain gauges and water level stations located in different areas in the province.
- f. Continuously monitors the weather situation through radio, TV, fax, telephone, mobile messages and social media.
- g. Prepositioned rescue team on standby alert.
- h. Continuous coordination with the provincial government.

5. RDRRMC MIMAROPA

OCD MIMAROPA

- a. Continuous monitoring of AOR for the possible effects of TS DANTE through virtual EOC.
- b. Continuous coordination with response agencies and concerned LGUs.
- c. Continuous monitoring and dissemination of advisories.
- d. Conducted PDRA Meeting re TS "DANTE" via video teleconference on 01 June 2021.
- e. Attended the Pre-Disaster Risk Assessment (Weather Update) Meeting with NDRRMOC via Zoom video teleconferencing on 31 May 2021.
- f. Conducted inspection of warehouse facility and available food and non-food items.

DILG MIMAROPA

- a. Joined PDRA Meeting re TS "DANTE" via video teleconference on 01 June 2021.
- b. Disseminated DILG Advisories to provinces, municipalities down to the barangay level relative to TS "DANTE".
- c. Activated DILG Regional and Provincial Emergency Operations Center (EOC) and Disaster Operations Reporting and Monitoring System (DORMS).
- d. Disseminated to LGUs the MGB's Updated List of LGUs Prone to Landslide and Flood, GSM & WRF Daily Forecast Rainfall and Tropical Storm Dante Potential Risk Area.
- e. Advised LGUs, thru DILG field officers, to monitor the PAG-ASA weather advisories and typhoon bulletins.
- f. Continuous updating of the provinces by sending weather bulletin through email and social media.
- g. Enjoined LGUs to are actively carrying out actions as recommended in Operation LISTO and DILG Memorandum Circular No. 2020-125 - LISTO SA

TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020.

- h. Reminded LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes, and ensure that they can withstand the strong winds brought about by TS "DANTE".
- i. Established critical preparedness actions based on the operation LISTO protocols and prioritize preemptive evacuations and repositioning of supplies and equipment for response.
- j. Submitted Critical Preparedness Actions of LGUs to DILG CODIX and OCD.
- k. DILG Provincial DRR-CCA Focal Person Palawan on duty at DILG Palawan EOC.
- l. MLGOOs Palawan conducted coordination with their respective LCEs and MDRRMOs re TS "DANTE".

DSWD MIMAROPA

- a. Joined PDRA Meeting re TS "DANTE" via video teleconference on 01 June 2021.
- b. Continuous monitoring and dissemination of advisories.
- c. On-call status of the expanded R/P/C/M QRTs together with special projects staff on a 24/7 basis for possible activation of Operation Center to respond in case any untoward incident and eventualities are reported.
- d. Continuous coordination with the Office of Civil Defense (OCD) and RDRRMC MIMAROPA for any updates for monitoring purposes and response mechanism for areas that will be affected.
- e. Prepositioned logistical equipment and workforce through coordination with SWADT Offices and concerned LGUs on the management of stranded passengers, if any, in ports and terminals.
- f. Information and Communication Technology Management Unit (ICTMU) is on standby status to ensure robust communication system.
- g. Available Stockpile Distribution as of 31 May 2021:
 - 23,872 FFPs
 - Php 15,653,650.00 total amount of FFP

DOH MIMAROPA

- a. Joined PDRA Meeting re TS "DANTE" via video teleconference on 01 June 2021.
- b. Activated Code Alert in the DOH Regional Office, Provincial DOH Offices and DOH-Retained Hospitals through the Health Emergency Response and Operation Center.
- c. Regional Office Code Alert Red.
- d. Prepared HEARS (Health Emergency Alert Reporting System) reports and properly disseminated these to all concerned units and agencies, e.g., heads of the health offices (DOH-HEMB, OCD, RDRRMC, and other concerned offices).
- e. Monitored all health and health-related events on a 24/7 basis,
- f. Ensured the timely mobilization, proper prioritization and maximum utilization of resources, and minimization of wastage.
- g. Established Incident Command System.
- h. Prepositioned IMT for Hydro-meteorological hazards on standby.
- i. Checked inventory of logistics in all warehouses (Regional & Provincial).
- j. Ensured availability of vehicles and drivers 24/7
- k. Placed standby administrative staff, engineers, security and safety officers
- l. Placed Response Teams on stand-by for possible deployment.

- m. Coordinated with regional hospitals for their preparedness and availability of back-up teams.
- n. Coordinated with all health-related response efforts to major health emergencies and disasters.
- o. Facilitated the issuance of appropriate warnings to all concerned health offices and facilities in anticipation of impending emergencies.
- p. Prepositioned drugs and medicines in Regional office and Provincial DOH offices and Dome Tent in strategic areas and areas of concern for health service.

DICT Luzon Cluster 3

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Placed assets on standby (e.g. VHF/HF Radios, handheld radios) within provinces for constant communication.
- c. Continuous monitoring of wi-fi sites before disaster as baseline data for checking of availability of ICT services and facilities during and post disaster.
- d. Constant monitoring of installed IP radios and communications devices to ensure the free wi-fi’s accessibility.
- e. Close coordination with DRRM offices and different LGUs for monitoring of different Tech4ED Centers and free wi-fi sites.
- f. Advised checking of generator sets and oil in preparation for possible power outage during typhoons and low-pressure areas in D CT LC ’s area of responsibility.
- g. Conducted inventory of equipment per province.

PRO MIMAROPA

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Ensured the availability of search and rescue assets and personnel.
- c. Alerted all Police Provincial Office down to their lower units and continuous monitoring of situation in their respective AORs. Lower units are directed to undertake precautionary measures and other disaster preparedness activities.
- d. Directed all members of the Regional Head Quarters and Regional Mobile Force Battalion SAR Team to be ready for any possible Search and Rescue Operations.

BFP MIMAROPA

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. With available assets of 947 personnel, 303 SRU personnel, 125 fire trucks and 478 tools.
- c. Prepositioned SRR, trucks and response assets are readily available in case needed.
- d. Continuous coordination with LGUs, NGOs and other Government agencies to the operational activities.
- e. Alerted Disaster Response Team.

PCG SOUTHERN TAGALOG

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Prepositioned rescue equipment for possible deployment.

PCG Palawan

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Reminded all stations and sub-stations with the compliance on HPCG MC 02-13, HPCG MC 03-2001 and HPCG SOP 01-12.
- c. Organized Deployable Response Group (DRG) in this district including its stations and sub-stations. Prepared all disaster response equipment for possible deployment.
- d. Directed all stations and sub-stations to conduct information dissemination.
- e. Directed all stations and sub-stations to strictly enforce the pre departure inspection to all vessel.
- f. Directed all stations and sub-stations to intensify the conduct of coastal security patrols to prevent unauthorized departure of any watercrafts.
- g. Ensured preparedness of all SAR assets, and other responding teams/units for immediate dispatch/deployment for assistance.
- h. Coordinated with other local government units and agencies re the necessary preparations for the passage of weather disturbance in Palawan.

AFP WESCOM

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Conducted physical accounting and inspection of DRT compositions and functional check of equipment to ensure the readiness of manpower and equipment.
- c. There are a total of 21 DRTs in WESCOM JAO comprising the Phil Air Force, the Phil Navy, the Phil Marines and the Western Command of which all DRTs are ready deployable forces with HADR equipment.

AFP (SOLCOM, 2nd ID, 203rd BDE)

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Ensured availability of assets and Disaster Response Unit (personnel).
- c. Close coordination with Local Government Units within AOR.

PIA MIMAROPA

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Disseminated weather forecasts through News on the Go SMS version and sitreps of provincial information center managers.

DPWH MIMAROPA

- a. Monitoring of all road network.
- b. DDRRMT reactivated and deployment of maintenance crew facilities and equipment in various road sections prone to landslide, flood on possible road section to be affected.

DENR – MGB

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Forwarded list of Municipalities / Barangays in MIMAROPA region susceptible to flooding and landslide due to TS “DANTE”.

NEDA MIMAROPA

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.

PDRRMC Palawan

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Prepositioned of response teams, equipment, and food and non-food items.
- c. Prepared Evacuation Centers and ensured that all lifelines are functional and safe to use.
- d. Conducted Emergency Response Preparedness Inspection to assess all municipalities of their response capabilities and to ensure that the implementation of health standards during actual operations will not be set aside.

- f. Conducted inventory of response cluster assets and resources.

PDRRMC Oriental Mindoro

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Prepositioned Rescue Equipment (11 Rescue Boat prepositioned at different Municipalities).
- c. Ensured functionality of communication equipment (radio VHF, cellular phones, satellite phones).
- d. Prepositioned Rescue Vehicle and Heavy Equipment.

PDRRMC Occidental Mindoro

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- b. Continuously coordinating with response agency and monitored weather situation in area of responsibility.
- c. Activated (EOC) Emergency Operations Center 24/7.
- d. Ensured all volunteers are on standby mode.
- e. Alerted Provincial Hospital on their preparedness action regarding the possible effect of TD Dante.
- f. Response cluster PQRT are on standby mode
- g. Alerted PQRTs, PCG, AFP, PNP and Volunteers on the possible response operations.
- h. Prepositioned food packs to different PGO/PDRRMO sub- offices.
- i. Ensured availability of basic facilities in the evacuation centers such as: toilets, bathrooms, community kitchen, trash bins for proper waste disposal to ensure cleanliness of the environment.
- j. Coordinated MDRRMOs on the preparation of their evacuation centers, prepositioning of food packs, equipment's, and other necessary requirements.
- k. Informed and warned the people of an impending emergency to better prepare for it.
- l. Coordinated and disseminated to the community of the impending treat/hazard or emergency.
- m. Continuous dissemination Severe Weather Bulletin/Thunderstorm Advisory to LDRRMCs thru radio station, text blast, GC, FB account.

PDRRMC Marinduque

- a. Conducted PDRA Meeting on 02 June 2021

- b. Issued PDRRMC Memo “Reiteration of Red Alert Status and Activation of EOC on 02 June 2021.
- c. Issued PDRRMC Advisory on Suspension of Work and Classes on 02 June 2021.
- d. Joined PDRA Meeting re TS “DANTE” via video teleconference on June 1, 2021.
- e. Continuous coordination with MDRRMCs.
- f. Ensured readiness of Evacuation Centers and functionality of communication equipment.
- g. Prepositioned food and non-food item, medical supplies and heavy equipment and other response assets.

CDRRMC Puerto Princesa

- a. Joined PDRA Meeting re TS “DANTE” via video teleconference on 01 June 2021.
- b. Activated Barangay and CDRRMC Response Agencies Emergency Operations Center.
- c. Conducted trimming/pruning of trees, specifically to those pose imminent dangers to commuters and residents and de-clogging of canals and tributaries.
- d. Continuous dissemination of weather information and typhoon preparedness measures.

PDRRMC Romblon

MDRRMC San Agustin

- a. Issued No Sail Policy.
- b. Activated BDRRM Volunteers and Kagawad for early warning measures.
- c. Informed and advised communities on the updates of the situation and preparedness actions.
- d. Ensured communication lines are working.
- e. Monitored critical areas such as vulnerable to flooding and landslide.
- f. Prepositioned relief goods, logistical resources, trucks, ambulances, patrol cars, multi-cabs and SAR equipment.

PDRRMC Occidental Mindoro

MDRRMC Mamburao

- a. Conducted inventory of search, rescue and communications equipment.
- b. Conducted inventory of food packs, hygiene kit, and various non-food item.
- c. Conducted coordination to the Barangay DRRM Committee regarding the weather condition and recommending appropriate preparedness measure.
- d. Disseminated public warnings and weather advisory through social media, “bandilyo” to identified high risk areas.
- e. Implemented No Sail Policy in closed coordination with the Philippine Coast Guard
- f. Municipal auxiliary response team advised and on-standby.

PDRRMC Marinduque

MDRRMC Boac

- a. Continuous monitoring of PAGASA Weather Updates.
- b. Disseminated Weather Updates/Advisories to 61 barangays thru text brigade and social media.
- c. Conducted PDRA Meeting on 02 June 2021.

MDRRMC Buenavista

- a. Disseminated weather advisories to 15 BDRRMC via SMS and social media
- b. Continuous monitoring of Accumulated Rainfall via CBFEWS Digital Rain Gauges.
- c. Disseminated weather bulletins via FM Station-Radio Kamalindig.
- d. Submitted preparedness measures and inventory of resources to PDRRMO
- e. Conducted PDRA Meeting 02 June 2021.

MDRRMCs Gasan, Mogpog, Marinduque, and Torrijos

- a. Continuous monitoring with of PAGASA Weather Updates.
- b. Disseminated weather updates to 25 Barangay DRRMCs thru social media and text messaging.
- c. Submitted preparedness measures and inventory of resources to PDRRMCs.
- d. Conducted PDRA Meeting 01 June 2021.

6. RDRRMC V

OCD V

- g. On RED Alert status for TS Dante effective 01 June 2021.
- h. Conducted PDRA with RDRRMC and PDRRMOs on 01 June 2021 via VTC at Handyong Hall, OCD5, Camp Ola, Legazpi City.
- i. Issued memorandum to LDRRMCs to implement their respective Response Plans/Contingency Plans; preparedness measures and local counter measures for floods and landslide, and to include pre-emptive evacuation and no sailing policies when necessary.
- j. On-going coordination with PDRRMOs and NGAs for preparedness activities and response for TS "DANTE".
- k. Disseminated information, Weather Advisories and other relevant advisories regarding "TS DANTE".
- l. Prepositioned mobilities, radio communications and satellite phone on standby.

DOST-PHIVOLCS

- a. Released timely relevant advisories to LGUs.
- b. Coordinated with PAGASA Southern Luzon of the developments of TS "DANTE" for the preparation of lahar advisories.

PAGASA Southern Luzon

- a. Provisioned weather updates/advisories including localized weather updates to the Regional and local DRRMCs and other stakeholders.
- b. Continuously monitors weather updates.

DSWD V

- a. Prepositioned a total of 22,632 FFPs amounting to ₱ 9,156,164.80 and Food Items amounting ₱10,061,204.50 (i.e.12,908 tins of Goldcup sardines, 60,000 tins of Kingcup sardines, 120,000 Bingo corned beef, 12,908 tins of Youngstown corned beef, 120,000 tins of Century Tuna flakes in oil, 6,454 tin Century Tuna, 78,980 sachet Maskape brown and creamy coffee, 150,000 sachets Blend 45 coffee, and 166,765 sachets Energen cereals) available and ready for repacking.

- b. Provided NFIs amounting to ₱18,121,555.40 (i.e. 33 sets of tents, 1,772 boxes of sleeping kits, 1,475 boxes of family kits, 1,384 hygiene kits, 1,559 kitchen kits, 16,197 pes, malongs, 1,060 rolls laminated sacks and 16,330 pes blanket).
- c. Continuously monitors weather updates and information.
- d. Ensured the availability of FFPs and NFIs as need arises.
- e. Alerted QRT.
- f. Activated PAT and MAT members in the six (6) provinces and instructed them to coordinate with the P/MDRRMOs, C/MSWDOs for effects of heavy rain reports and updates.

BFP V

- a. Circulated Memorandum dated 01 June 2021 re: Operational Preparedness and Intensification of OPLAN PAGHALASA and Observance of Precautionary Measures in Response to the effects of TROPICAL STORM DANTE:
 - Coordinate with DILG, RDRRMC, PDRRMC and LDRRMCs in the conduct of local PDRA and undertake preparedness and response protocols.
 - Intensify conduct of Oplan Paghalasa in line with COVID19 situation;
 - Continuous
 - monitoring of PAGASA weather advisories and bulletins;
 - Conduct close coordination with the local DRRMO and other agencies for possible effects and/or hazards brought about the weather disturbance;
 - Ensure availability of BFP assets and PPEs at all times;
 - Vigilant monitoring within AOR for possible rise of waters prone to flooding especially on areas proximal to river channel and nood plains (prioritize areas which are highly susceptible to recent and repeated flooding for monitoring)
 - Monitor houses along esteros and riverbank for possible erosion, debris flow and flooding;
 - Conduct vigilant monitoring of landslide prone areas including moderately sloping ground with creeks/gullies;
 - Strict observance of precautionary measures in responding to Search and Rescue Operations, Medical Response and Mass Evacuation;
 - Coordinate with other agencies for the assessment of safety of evacuation centers and other established COVID-19 isolation, quarantine and treatment facilities from hazards;
 - Ensure health and safety of all responders at all times
- b. All units are directed to closely monitor respective areas of responsibility, implement preparedness measures and ensure the availability of resources as necessary for monitoring and prompt responses. In addition, continuous implementation of BFPS Implan on OPLAN PAGHALASA in response to typhoons and its damaging effects.
- c. Standby/Operational readiness of all units ready to respond to any emergency and rescue operations.

DA V

- a. Activated Regional Command and Action Center and personnel are instructed to conduct an inventory of machineries in their respective areas that can be used in evacuation and rehabilitation activities.
- b. Instructed their personnel to secure all properties, documents, computers and all electronic equipment in their work areas.

DENR-MGB

- a. Issued Landslide Warning Bulletin No 1 for Typhoon "Dante".
- b. Coordinated with PAGASA Southern Luzon of the developments of TS DANTE for the preparation of MGB Advisories.

DOH-CHD V

- a. On Code White Alert status per Regional Circular No. 2021-0050
- b. Activated OpCen on 24/7 alert status and attended RDRRMC PDRA thru VTC
- c. Reiterated DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID-19 during Disaster Evacuation and Displacement) during RDRRMC PDRA Meeting.
- d. Monitored weather system thru DOST PAG-ASA website/Facebook Page.
- e. Coordinated with PDO's, DOH Hospitals and DRRM-H Managers for inventory of logistics and action taken in their respective AOR.
- f. Prepositioned medical teams on standby drugs and medicines to PDO's worth ₱500,000.00.
- g. Released advisories on Typhoons thru DOH-BCHD facebook page
- h. Conducted inventory of logistics at Supply Section and Warehouse.
- i. Submitted reports to HEMS, OCD 5 and other partner agencies
- j. Buffer Stock at DOH BHD warehouse:
 - Drugs and medicines- 17,344,949.34
 - Hygiene kits-4,10S,710.16
 - Responder kits- 24,456.80
 - Family kits- 56,828.00
 - Collapsible water containers- 255,121.60
 - Slim water container- 1,275,755.00

Provincial DOH Offices

- a. On Code White Alert Status
- b. Coordinated with MDRRMO/RHU/LGU and monitored TS "Dante" through DOST-PAG-ASA website.
- c. Conducted inventory and prepositioned medicines.
- d. Attended SPDRRMC meeting.

DOH Hospitals

Bicol Regional Teaching and Training Hospital (BRTTH)

- a. Conducted 24/7 monitoring of the latest tracking of the typhoon via media and all other reliable sources
- b. Conducted pre-disaster ocular inspection of hospital and secured identified vulnerable areas.
- c. Activated daily 9:00 habit meeting via Zoom application.
- d. Activated Code Blue Alert status, adjusted personnel staffing basing on the code alert raised.
- e. Continuous reporting to EXECOM, Senior House on Duty, Nurse Officer of the shift and OpCen Medical Officer on duty.
- f. Ensured availability of lifelines (communication, fuel and food).
- g. Facilitated transfers of vulnerable areas.
- h. Coordinated with OCD V regarding augmentation of manpower and logistics.

- i. Disseminated latest weather bulletin to hospital personnel
- j. Prepositioned necessary logistics at the COVID Ward, regular ward and emergency department
- k. Coordinated with network agencies
- l. Activated monitoring of typhoon related injuries at ER Department.
- m. Managed the preparation of timely and updated reports and documentation

Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

Activated on Code White Alert, standby evacuation center and conducted pre-assessment.

Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

Placed on Code White Alert and convened with safety officers regarding preparation to TS "Dante".

DPWH V

- a. Prepositioned DRRM Team and other related assets ready for emergency response.
- b. Placed early warning signs to alert motorists against road blocks or hazards brought about by the typhoon to ensure road safety.

Joint Task Force BICOLANDIA (PA, PAF, NAVY)

- a. Placed ORO Teams and mobility assets on standby alert for possible deployment
- b. TOGS coordinated with OCDs for the prepositioning of air asset for Aerial Assessment of areas to be affected by TS "DANTE"
- c. Continuous monitoring of situation in the AOR and close coordination with R/LDRMMCs

LTO V

- a. Issued Memorandum No. 2021-05-009 - Precautionary measures on the imminent threat of TS "Dante".
- b. Implemented temporary suspension of land travel of vehicles bound for Visayas and Mindanao.

NFA V

- a. Activated Regional Operations Center.
- b. Conducted inventory of Rice at NFA warehouses in the Region V.

PCG V

- a. Implemented "NO SAIL POLICY".
- b. On-going patrol and manning of control points and patrols.
- c. Prepositioned SRR Teams on standby at the CGD Bicol Headquarters.
- d. Placed personnel, equipment and mobility on standby for possible deployment
- e. Disseminated weather updates to all sub-stations.
- f. Continuous monitoring of situation of sea ports of Bicol Region.

PNP-PRO V

- a. Attended the PDRA on 01 June 2021.
- b. Activated of Regional Disaster Incident Management Task Group (RDIMTG)
- c. Directed lower units to activate their EOC and SAR Team in preparation TS "DANTE".
- d. Activated Tactical Operations Center 24-hour close monitoring of the situation provided technical assistance and other public safety service to LDRRMC.

- e. Activated Reactionary Stand-by Support Force on 01 June 2021.
- f. Coordinated to different unit Commanders to other NGAs and PDRRMO/MDRRMO on preparation for incoming TS 'Dante'.
- g. Conducted safety reminders for security measures thru patrolling and monitoring of flood-prone areas and posting on social media.

PRC V

- a. Placed PRC chapters on 24/7 duty.
- b. Prepared response equipment, communications and logistics (wash and relief logistics).
- c. Prepared and briefing of team for deployment.
- d. Continuous coordination with the National Headquarters and PDRRMCs.

- a. Issued advisories regarding Preparedness Status and Evacuation Status of the Albay Province, Suspension of Work for both Private and Government, online and face-to-face classes and mall operations.
- b. Continuous coordination with the local DRRMCs and monitoring and updates of the weather disturbance.
- c. Conducted PDRA at the provincial level.
- d. Issued advisories to the public on preparedness activities.
- e. Disseminated of weather advisories and other relevant advisories to the public via sms, tri-media and social media platforms.
- f. Continuously monitors weather forecast and rainfall advisory issued by PAGASA.
- g. [Attended Regional PDRA Meeting.](#)
- h. [Maintained 24-hour PDOC operation and PDRRMC-APSEMO, in close coordination and constant monitoring with LDRRMOs.](#)
- i. [Consolidated reports from LGUs, prepared and released daily activity and monitoring report and Issued PDRRMC Advisory No. 3.](#)

PDRRMC CAMARINES NORTE

- a. Attended Regional PDRA Meeting.
- b. Advised to monitor weather condition relative to the forthcoming weather disturbance.
- c. Disseminated weather advisories, thunderstorm advisories and other relevant weather advisories.
- d. Alerted emergency responders are alerted and put on stand-by.
- e. LCE is regularly monitoring the situation.
- f. Close monitoring of data and alert sources from PAGASA.

PDRRMC CAMARINES SUR

- a. Issued PDRRMC Memorandum No. 1
- b. Activated response clusters (SRR, Road Clearing, CCCM, ETC, Law and Order, Health, Education, MOM) and 24/7 IMT and EOC.
- c. Implemented no sailing policy and prohibition of other water activities starting 01 June 2021.
- d. Checked community-based early warning tool and early warning system
- e. Closely monitors AORs.
- f. Conducted pre-emptive evacuation and ensured implementation of minimum public health standards in evacuation centers.

PDRRMC CATANDUANES

- a. Attended Regional PDRA Meeting
- b. Prepositioned and conducted inventory assets are inventoried and prepositioned
- c. Activated City/Municipal DRRM Operation Centers on 24/7 monitoring.
- d. Alerted barangays with flood, landslide and storm surge prone area.
- e. Disseminated warning/alerts/advisories from PAGASA MWS to PDRRMC member agencies, MDRRM Officers and to the general public.
- f. Coordinated with key PDRRMC member agencies and MDRRM Officers to closely monitor their AORs.

PDRRMC MASBATE

- a. All Members of the PDRRM Council have prepared all the necessary resources needed for immediate response.
- b. Activation of EOC and 24n OpCen of PDRRMO Masbate.
- c. Close monitoring with PAGASA for latest weather updates.
- d. Close monitoring with all C/MDRRMOs of the Province of Masbate for their reports.

PDRRMC SORSOGON

- a. Continuous monitoring and updates of the weather disturbance.
- b. Disseminated information and weather advisory obtained from PAGASA regarding the TS "DANTE" to SPDRRMC Member/LDRRMOs, public and concerned person thru broadcast, social media, INFOBOARD and INFOSYS.
- c. Issued Memorandum No. 0521-04 regarding Weather Advisory and Memorandum No. 2021 – 08 regarding Blue Alerts Status:
- d. Conducted PDRA Meeting with SPDRRMC Members/Stakeholders and LDRRMOs;
- e. Attended the Emergency PDRA Meeting for Tropical Storm "CHOI-WAN" or "DANTE" hosted by the RDRRMC Bicol.
- f. Issued of temporary cancelation of travel traversing to Visaya's and Mindanao;
- g. Reminded Quarry Operators to extract stockpile of materials that may block the flow of water ways and to avoid flooding, flash flood and blockage of river channels and tributaries.
- h. Conducted inventory of prepositioned goods, rescue equipment and resources;
- i. Pre-positioned soup kitchen for distribution to strategic areas for standees/travelers.
- j. Plotted coordinates and conducted assessment to all possible affected municipalities.
- k. Ensured clear lines of communication with all DRRMOs for updates and coordination.
- l. Operation Center on 24/7 standby alert.
- m. Issued PHO Memorandum No. 2021-0036, DOH Declaring of Code White Alert in relation to TS "DANTE".
- n. Advised LDRRMOs to conduct are advised of the preemptive evacuation within their AOR.
- o. Task-Force Tagapagbisay continuously monitoring and manage standees at Matnog Port, Pilar Port and along Maharlika Highway.
- p. Continuous distribution of commodities to Putiao, Matnog and Pilar Standees.

CDRRMC NAGA

- a. Attended Regional PDRA Meeting

- b. Standby of Search and Rescue Personnel
- c. Conducted inventory of equipment.
- d. Timely monitoring of weather situation.

7. RDRRMC VI

OCD VI

- a. Conducted EOC Monitoring via Zoom to PDRRMCs and RDRRMC re TS DANTE on June 1, 2021 at 5:00 PM.
- b. Attended PDRA Core Group Meeting re TS DANTE on 31 May 2021, 4PM.
- c. Continuous dissemination of warning advisories and issuances.
- d. In close coordination with the PDRRMCs and CDRRMCs (Highly Urbanized Cities) for updates.
- e. Attended the Virtual EOC with NDRRM Operations Center on 01 June 2021.
- f. Continuous monitoring of the AOR.

DILG

- b. Conducted Rapid Damage Assessment and Needs Analysis (RDANA).
- c. Distributed food packs to Lamian IDPs.

PDRRMC Sultan Kudarat

Continuously monitors the situation and coordinating with LGUs on the effects of TS "DANTE".

CDRRMC Tacurong

- a. Continuously monitoring the situation in the AOR.
- b. Placed City of Tacurong Emergency Rescue Team, Barangay Search and Rescue Team and Rescue Team together with the PNP and Military Units operating in the area on standby.

MDRRMC Isulan

- a. Conducted pre-emptive evacuation in barangays Kolambog and Bambad.
- b. Closely monitoring the AOR with AFP, BFO, and MEO.
- c. Continuous desilting operation along Allah River in Isulan and Bagumbayan.

MDRRMC Columbio

- a. Continuous monitoring of water levels of Musak, Kima, and Lumaga creeks and Alip river in Sitio Blisa, Brgy Sinapulan and Purok 3, Brgy. Poblacion.
- b. Issued advisory to residents along the affected areas through social media and radio network.
- c. Advised barangays downstream to monitor possible flooding.

PDRRMO North Cotabato

- a. Continuously monitors the situation and coordinating with LGUs on the effects of TS "DANTE".
- b. Continuous desilting operation along Allah River in Isulan and Bagumbayan.
- c. Continuous dissemination of alert and warning advisories to LDRRMO particular the low-lying municipalities.

MDRRMC Magpet

- a. Continuously monitoring the AOR and responded in the area with BLGU.
- b. Conducted RDANA and clearing operations to severely affected areas.

MDRRMC Libungan

- a. Responded immediately on the onset of the calamity with LCE, MDRRMO, and BFP.
- b. RDANA Team conducted an assessment on the affected sites.

MDRRMC Kidapawan City

- a. Conducted clearing operations of debris blocking the waterway and landslide blocking the tourism road.

- b. BDRRMC of Ilomavis continuously monitoring of their AOR.

12. RDRRMC CARAGA

OCD CARAGA

- a. Raised Blue Alert status in OCD-RDRRMC EOC.
- b. Issued RDRRMC Advisory No. 6 advising all concerned to take precautionary measures such as raising EOC alert status to Blue, conduct PDRA meeting, issue and disseminate local advisories to communities, alert emergency teams, conduct pre-emptive evacuation as necessary, and report submission on preparedness measures/actions taken to NDRRM EOC.
- c. Coordinated with DOH-CHD Caraga and Local Health Offices on COVID-19 health management protocols in evacuation centers.
- d. Continuous dissemination of weather advisories and warning information to all concerned via SMS, social media, etc.
- e. Participated in the Virtual EOC re: TS “Dante” hosted by NDRRMC OCD for faster coordination and monitoring.

DILG CARAGA

- a. Sent Regional Advisory on TS “Dante” to DILG Provincial/ HUC Offices.
- b. Reactivated the DILG XIII EOC and Disaster Monitoring and Reporting System (DMRS) for TS “Dante”.
- c. Issued Regional Memorandum directing all provinces and HUC to submit situational report and pre-typhoon report forms and reiterated Operation Listo to all DILG Field Operating Units.
- d. Disseminated Weather Updates/ Advisory to all DILG Field Operating Unit, continuously monitors TS “Dante” and submits situational report to CODIX and RDRRMC Caraga.
- e. Attended the PDRA Meeting by the Regional DRRM Council.

DSWD-FO CARAGA

- a. Continuous monitoring of weather updates.
- b. Attended the PDRA/ERP Meeting spearheaded by OCD Caraga.
- a. Alerted Regional and Provincial QRTs on possible activation and deployment.
- b. Prepositioned 2 smartphones available to be utilized for EOC operation and 1 wingvan and 1 disaster vehicle to be used for logistical support.
- c. Continuous coordination with SWADTLs and LSWDOs to monitor the situation in their respective AOR.
- d. Provided 7,304 Family Food Packs (FFPs) available amounting to ₱ 3,089,619.68, to wit:

Family Food Pack		
Location	Quantity	Amount
DSWD Regional Warehouse Butuan City	5,048	2,137,271.84
FFP's Strategically located at LGUs and SWAD		
Surigao City, Surigao Del Norte	1,300	548,782.00
Tandag City, Surigao del Sur	956	403,565.84
Total	7,304	3,089,619.68

- e. Prepositioned raw materials amounting to ₱ 2,151,627.30 and other food items amounting to ₱ 23,760.00 and non-food items amounting to ₱ 17,234,065.54.

- f. Has available standby funds of ₱ 3,000,000.00.

DA CARAGA

- a. Disseminated weather advisories to Agricultural Program Coordinating Offices (APCO).
- b. Placed Operation Center on standby mode.
- c. Advised all APCOs to continuously monitor weather condition, watch latest PAG-ASA updates and coordinate with the Municipal Agriculture Offices.
- d. Updated planting reports for the vulnerable areas likely to be affected by TS "DANTE".
- e. Conducted inventory of resources for early recovery for areas likely to be affected.

DOH CARAGA

- a. Activated OpCen on 24/7 monitoring.
- b. Placed HERT Teams on standby for possible deployment.
- c. On Code Red status in relation to any health events and any weather disturbances.
- d. Prepositioned drugs & medicines.

DPWH CARAGA

- a. Activated Disaster Risk Reduction and Management Teams (DDRRMT) for possible impact of flash flood and landslide likely to occur within AOR.
- b. Placed Operation Center on standby mode.
- c. Closely monitors the situation for possible deployment.

PIA CARAGA

- a. Activated PIA Caraga's regional disaster information service.
- b. Continuously provides weather forecast, advisories, and reminders regarding preparedness measures to the public to ensure readiness on the potential impacts of the weather disturbance.
- c. Utilized all information dissemination platforms such as text blast service, community Viber group chats/telegram/messenger, social media (Facebook), and national and regional websites for publishing of disaster-related press releases.
- d. Ensured that all communication and information dissemination facilities are in place.

PNP CARAGA

Conducted inventory of PNP consolidated search, rescue and retrieval equipment/assets and personnel disaster and related trainings.

402nd Bd, PA

- a. Disaster Response Team on monitoring and roving of AOR for possible deployment.
- b. Conducted close coordination with the LDRRMOs for possible augmentation.
- c. Continuously monitors weather updates and status.

CDRRMC Butuan City

- a. Conducted PDRA-ERP on 31 May 31 2021, 2PM.
- b. Activated EOC.
- c. Closely coordinates and monitors all BDRRMC especially those high-risk barangays.

- d. Prepositioned 2 units Strada Pick-up, 2 units Fire Truck (6L capacity), 1 units Rescue Ambulance, 1 unit 32 ft. Rescue Boat (double engine 230 HP), 1 unit speedboat (115HP) and 3 units Baracuda Fiber Plastic Boat (30 HP) of CDRRMO Butuan on standby.
- e. Prepositioned non-food items such as 499 blankets, 327 plastic mats, 4207 cooking pots, 4449 plastic plates, 1083 plastic drinking glass, 262 stainless fork, 260 stainless spoon and 831 family bags from CDRRMO Butuan.
- f. Alerted SAR teams and conducted equipment inventory.
- g. Placed 2 vehicles, 9-18 personnel of 23rd IB, 1-unit Mini dump truck and 7 manpower of CGSO on standby.
- h. Continuously monitors the water level in Agusan River.
- i. Placed CSWD on 24-hour operation.
- j. Activated QRT and Camp Manager.
- k. Placed DRR Team on standby at the evacuation center.
- l. Activated DMRS and coordinated with barangays.
- m. Issued CDRMMC Advisory on Preparedness Measures during "TS Dante" and Memorandum Order on Activation of IMT & Response.

CDRRMC Cabadbaran City

- a. Continuous monitoring of the weather status and updates.
- b. Activated CDRRMO Operation and Command Center.
- c. Conducted evacuation of the affected families.

PDRRMC Agusan del Norte

- a. Activated EOC.
- b. Issued EO placing ADN on Code "Blue" Alert Status and EO for Sea Voyage and Fishing Activities in the Province.
- c. Send advisory to LDRRMOs for preemptive evacuation of families located at high risk to landslide and flooding areas.
- d. On-going monitoring status of TS "DANTE".
- e. Conducted inventory of resources for early recovery for areas likely to be affected.

MDRRMC Magallanes, Nasipit, Buenavista and Santiago

On-going monitoring status of TS "DANTE".

MDRMMC Jabonga , Tubay and Remedios T. Romualdez

- a. Continuously monitors the status of TS "DANTE".
- b. On-going evacuation of the affected families in their respective AORs.

MDRMMC Carmen

- a. Continuously monitors the status of TS "DANTE".
- b. Prepositioned rescue team on standby alert status.

MDRMMC Las Nieves

- a. Conducted PDRA Meeting.
- b. Continuous monitoring of TS "DANTE".

MDRRMC Kitcharao

- a. Continuous monitoring of TS "DANTE".
- b. Coordinated with BDRRMC Committee.

PDRRMC Agusan del Sur

- a. Activated EOC.
- b. Disseminated weather updates/warnings/advisories to PDRRMC, C/MDRRMCs and BDRRMCs members.
- c. Close monitoring of the weather and water level of C/MLGUs under AOR.
- d. Advised all LDRRMOs to undertake precautionary measures giving emphasis on proactive measures – pre-emptive evacuation rather than rescue to ensure zero-casualty.
- e. Conducted PDRA Meeting with PDRRMC and C/MDRRMCs members.
- f. Conducted massive information dissemination on precautionary measures.

13. RDRRMC BARMM

OCD BARMM

- a. Continuous monitoring is being conducted by OCD-ARMM 24/7 OpCen.
- b. Coordinated with MDRRMOs and PDRRMOs re effects of TS “DANTE” and disseminated weathers advisories/updates of the weather disturbance.
- c. Coordinated with MDRRMOs and PDRRMOs regarding the effects of TS “DANTE”.
- d. Furnished report to BARMM READI OpCen, MSSD, MOH-BARMM, DOST-PAGASA Cotabato Station and MILG.
- e. Attended National PDRA Meeting on 31 May 2021.

MOH BARMM

- a. Coordinated with Provincial HEMS Maguindanao, BARMM READI, and OCD BARMM.
- b. Continuous monitoring of the flooding incidents.
- c. Attended National PDRA Meeting on 31 May 2021.

PDRRMC Maguindanao

- a. Continuous monitoring and dissemination of alert warning and advisories is being conducted by PDRRMO 24/7 Operation Center.
- b. In close coordination with PDRRMO Bukidnon re status of the four (4) Dams in the province of Bukidnon.
- c. Continuous monitoring of low lying/flood prone municipalities in Maguindanao.
- d. Conducted ocular assessment and validation on extent of flooding in Sultan Sa Barongis on 21 May 2021.

MDRRMC Datu Piang

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Continue/on-going assessment on the effect of floods with BDRRMC.
- c. Coordinating with BDRRMC on possible evacuation of affected residents.
- d. Continuous monitoring of water level at Rio Grande and Dansalan river and the movement of water hyacinths.
- e. In close coordination with RHU on health concerns.
- f. Municipal Agriculture Officer still on assessment re extent of agricultural damages.

MDRRMC Datu Saudi Ampatuan

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Conducted assessment and monitoring of affected barangays.

MDRRMC General Salipada K. Pedatun, Datu Hoffer, and Datu Abdullah Sangki

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Conducted validation and assessment re effects of flooding in the AOR.

MDRRMC Pagalungan

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Provided 300 sacks of quality rice to be repack and 500 pcs of Tarpaulin (Trapal) for the affected population.

MDRRMC Mamasapano

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Coordinated with OCD-BARMM and PDRRMO-Maguindanao regarding the effects of TS "DANTE".

MDRRMC Ampatuan

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Coordinated with BDRRMC re Flooding Incident and regularly checking of Water Level Marker at Dicolongan Bridge.
- c. Conducted ocular inspection and recorida for awareness of possible worst-case scenario on the affected barangays.
- d. Placed transportation vehicle on standby for possible pre-emptive evacuation.

MDRRMC Matanog and Shariff Saydona Mustapha

Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.

MDRRMC Sultan Sa Barongis

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Conducted validation and assessment of extent of flooding incident.
- c. Assisted the PDRRMO in the conduct of ocular assessment and validation re flooding incident in the AOR.

14. RDRRMC NCR**OCD NCR**

- a. Continuously disseminates weather advisories, updates and MGB Geohazard advisory via email, Viber, Busybee, and social media
- b. Issued MDRRMC Memo No 25 re Submission of Preparedness Measures and Actions Taken re TS "Dante"

DOST-PAGASA

Continuous dissemination of weather advisories, warnings, and severe weather bulletins.

DSWD NCR

- a. Stockpiled and status of commodities and standby funds.

- b. Continuous monitoring of weather conditions and other emergencies through telephone, internet, cellphone, etc. by the Response Management Division Staff and Quick Response Team Leaders.
- c. FO-NCR and the FO-DROMIC Focal tasked to prepare the consolidation of disaster reports in the event of 24 hours monitoring.
- d. Continuous provision of Disaster Assistance Family Access Card (DAFAC) to requesting LGUs.
- e. Maximized the availability and accessibility of at least four (4) vehicles.
- f. Activated QRT FO-NCR in response to any eventualities.
- g. Established EOC.

DISASTER RESPONSE

As of 2 June 2021, 12AM

I. DISASTER RESPONSE (In Cluster)

A. Food and Non-Food Items (F/NFIs)

1. Department of Social Welfare and Development (DSWD)

Actions Taken

DSWD- CAR

- Monitored the weather updates and information.
- Ensures availability of food and non-food items for resource augmentation as the need arises.

DSWD V

- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.

DSWD VII

- Warehouses in the three island provinces are also on standby alert for any response activities. Repacking of goods is continuously being done to replenish stocks and maintain the needed quantity of stockpile of goods. Volunteers from the AFP including DSWD Regional staff and personnel came to assist the Labangaon warehouse.

DSWD- CAR

- Monitored the weather updates and information.
- Ensures availability of food and non-food items for resource augmentation as the need arises.

DSWD V

- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.

DSWD VI

- [Repacked family food packs in the regional warehouse.](#)

DSWD VII

- Warehouses in the three island provinces are also on standby alert for any response activities. Repacking of goods is continuously being done to replenish stocks and maintain the needed quantity of stockpile of goods. Volunteers from the AFP including DSWD Regional staff and personnel came to assist the Labangaon warehouse.

DSWD VIII

- Prepositioned Family Food Packs (FFPs) in Samar Island, Biliran and Southern Leyte which can be distributed immediately by the P/C/MATs to Local Government Units that need augmentation support.

DSWD XII

- Released 500 family food packs, 146 malong, and 146 mats for the affected families in LGU of Banga.

A. CAMP COORDINATION AND CAMP MANAGEMENT and INTERNALLY DISPLACED PERSON PROTECTION (CCCM and IDPP)

1. Department of Social Welfare and Development (DSWD)

Camp Management Summary

- There are **3,090 families** or **12,071 persons** currently taking temporary shelter in **94 evacuation centers** in Region XI and **CARAGA**.

B. Search, Rescue, and Retrieval (SRR)

Source: BOM_SITREP_TS DANTE as of 2PM June 2, 2021

- Activated DPWH DRRM Teams of possibly affected Regional and District Engineering Offices
- Monitored the status of national roads and bridges
- Maintenance crew and equipment are on standby ready for deployment.

3. DOTr

- Processed the request of OCDRO V for the temporary suspension of land transportation bound for Visayas and Mindanao via Matnog Port or any ports in Region V

4. DOE

- Alerted members of the Task Force on Energy Resiliency (TFER), pursuant to the Department Circular No. DC2018-01-001,
- Activated respective Operations Center;
- Activated respective Operations Center;
- Activated action plans and / or contingency plans;
- Conducted inventory of oil supply in the affected areas through the DOE-OIMB.

5. NEA

- Send advisory to all Electric Cooperatives (ECs).
- Send reminder advisory to those ECs that might be directly affected.
- Coordinated with the Philippine Association of Technical Managers (PHILATMEC) for organization and dispatch of PRRD Task Force to affected ECs.
- Coordinate with the ECs for further guidance.
- Coordinate with the Task Force Energy Resiliency (TFER) and National Disaster Risk Reduction and Management Council (NDRRMC).

6. NATIONAL GRID CORPORATION OF THE PHILIPPINES (NGCP)

- Implemented necessary preparations and precautions to minimize the impact on transmission operations and facilities
- Ensures the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.
- Monitored flood at the substation and its access road and prepare anti-flooding materials such as sump pumps, clean drainage system, sandbags.

7. NATIONAL TRANSMISSION CORPORATION (TRANSCO)

- Monitored status of the grid before and after the typhoon thru physical presence in the National Control Center and report to TFER Viber Group as it happens
- Physical inspection of damaged TransCo facilities (if any) and submit a report to DOE.

8. NATIONAL POWER CORPORATION (NAPOCOR)

- Stationed personnel of the flood operation team at the dam offices and respective areas for the expected discharge warning operation;
- Coordinated with local officials and related agencies;
- Disseminated pertinent dam discharge warning information / notices to the public and concerned agencies;
- Conducted inspection of equipment and facilities required for the operation of spill gates; power supply system including auxiliary generator, telecommunication systems, telemetering and warning systems including patrol vehicles, and stock materials including fuel;
- Continuous intensive basin monitoring and analysis of hydro-meteorological data from a variety of sources relative to the flood operation for efficient assessment of the current and forecasted situation affecting basin;
- Implemented necessary measures to manage dam inflow and regulate outflow from the dam in order to avoid dam overtopping and endangering lives and properties downstream.

1. Department of Health (DOH)

DOH Central Office

- Raised Code Alert
- Attended Pre-Disaster Risk Assessment last May 31, 2021
- Virtual Emergency Operations Center standby for activation
- Sent weather alert memorandum to all Centers for Health Development and
- BARMM Ministry of Health and DOH-retained hospitals on the following:
 - Weather Disturbance
 - Activation of Code Alert and 24/7 Operations Center
 - Health Emergency Response Teams are on standby and ready for
 - deployment
- Coordinated with TG Service Continuity Plan for possible vaccination

- sites that will be affected by TY Dante
- Monitored the weather disturbance through DOST-PAGASA.
- Attended coordination meeting with the Department of Energy, MERALCO and Philippine Disaster Resilience Foundation in relation to the NGCP Power Grid Red Alert over Luzon Area
- Joined in the Vaccination Preparedness and Response Meeting with NVOG and RVOG and presented Situation Report Re Typhoon Dante
- Continuous monitoring on the weather disturbance through DOST-PAGASA

DOH Regional Offices

- Raised Code Alert
- Alerted concerned Provincial DOH Offices to actively monitor and report untoward incidents in their respective areas of responsibility
- Monitored the situation of TTMFs in the regions.
- Health Emergency Response Teams on standby
- Disseminated promotion and advocacy materials through social media, television and radio
- Provision of hygiene kits, medicines and jerry cans in CARAGA Region
- Strict adherence on health protocol and minimum standards for COVID-19
- Reiteration of DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID 19 during disaster evacuation and displacement in Region V
- Coordinated with concerned Provincial DOH Offices (PDOHO), Provincial Health Offices (PHOs), Office of the Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Council

DOH V

A. Bicol Region Teaching and Training Hospital (BRTTH)

- Raised Blue Code Alert status
- Reiteration of DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID 19 during disaster evacuation and displacement in Region V
- Conducted pre-disaster ocular inspection of the hospital and secured identified vulnerable areas.
- Ensure availability of lifelines
- Coordinated with OCD V regarding the augmentation of manpower and logistics. Prepositioned necessary logistics at the COVID ward, regular ward and emergency department.

B. Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

- Raised White Code Alert status
- Conducted pre-disaster ocular inspection of the hospital and secured identified vulnerable areas.

C. Bicol Medical Center (BMC)

- Raised White Code Alert status
- Conducted a meeting with the safety officers in preparation to TS "DANTE".

DOH VIII

- Ongoing Rapid Health Assessment in North Samar and Samar

F. Others

Actions Taken

DSWD-DRMB

- The Disaster Response Management Bureau (DRMB) coordinated with the concerned field offices for significant reports on the status of affected families, assistance, and relief efforts.

DSWD NCR

- Daily monitoring of weather conditions and other emergencies through telephone, internet, cell phone, etc. by the Disaster Response Management Division Staff and Quick Response Team Leaders.
- The Quick Response Teams of FO-NCR composed of organic staff from the Field Office and Centers and Residential Care Facilities (C/RCFs) are activated and on standby in response to any eventualities. The assignment of said staff is scheduled per day.
- DSWD-FO NCR has established its EOC located at Room 109, FO-NCR, Sampaloc, Manila.

DSWD- CAR

- Monitored the weather updates and information.
- On standby for the possible effects of the weather disturbance.
- Monitored the weather updates and information.
- DRR Focal persons in coordinated with LDRRMOs and MSWDOs for weather reports and updates.

DSWD CALABARZON

- Emergency Operations Center (EOC) has been placed on heightened alert status to monitor the possible effects of Tropical Cyclone "Dante".
- EOC has constant communication with the Local Social Welfare and Development Offices (LSWDOs) with pre-disaster assessments being conducted.
- DSWD-FO CALABARZON DRMD conducted close coordination with the Local Government Units (LGUs) with regards to the preparedness efforts undertaken in the Flood, Landslide and Storm Surge prone areas.
- Coordinated with SWAD Team Leaders and Provincial Action Team of the CALABARZON and advised them to monitor and coordinate with the LGUs to gather reports on the possible effects of Tropical Cyclone "Dante".
- Coordinated with LSWDOs and LDRRMOs and advised them to be on standby alert and prepare their respective evacuation centers, and family food packs should need arises.
- Coordinated with RDRRMC IV-A OpCen for updates on the preparedness level of the members of the Response Cluster of the region.
- Informed member agencies of the response cluster to be on-stand-by alert status and ready for mobilization in case situation arises.

DSWD V

- DSWD-FO V shall continuously monitor weather updates and information.
- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.
- DSWD-FO V Quick Response Team (QRTs) are alerted.

- PAT and MAT members in the six (6) provinces are activated and instructed to coordinate with the P/MDRRMOs and C/MSWDOs for weather reports and updates.
- DRMD team are activated and are now on duty at DSWD 5 Operation Center.
- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.
- DSWD-FO V Quick Response Team (QRTs) are alerted ready for augmentation.
- PAT and MAT members in the six (6) provinces are activated and instructed to coordinate with the P/MDRRMOs and C/MSWDOs for weather reports and updates.

DSWD MIMAROPA

- Alerted SWADT Offices to monitor daily local weather condition and related eventualities, and ensure provision of information to all concerned offices, divisions, sections, and units.
- On-call status of the expanded R/P/C/M QRTs together with special projects staff on a 24/7 basis for possible activation of Operation Center to respond in case any untoward incident and eventualities are reported.
- Standby logistical equipment and workforce through coordination with SWADT Offices and concerned LGUs on the management of stranded passengers, if any, in ports and terminals.
- Information and Communication Technology Management Unit (ICTMU) is on standby status to ensure robust communication system.
- Cordinated with the Office of Civil Defense (OCD) and RDRRMC MIMAROPA for any updates for monitoring purposes and response mechanism for areas that will be affected.
- Coordinated with the Local SWDOs on the implementation of minimum health protocols related to Camp Coordination and Camp Management to prevent and mitigate the possible transmission of COVID19 and other illnesses during evacuation.

DSWD VI

- Close Coordinated with Provincial DROMIC Counterpart on the submission of DROMIC report.
- Real time Monitoring of weather report and information dissemination.
- QRT Isabela, Negros Occidental augmented last June 01, 2021 in the MSWDO since MSWDO staff are currently under quarantine.
- The Disaster Response Management Division coordinated with PSWDO for significant reports on the status of affected families, assistance, and relief efforts.
- Provided technical assistance on DROMIC Report Writing.

DSWD VII

- Regional/Provincial/City/Municipal Quick Response Team is on standby alert and ready for mobilization for any assistance and augmentation support needed from the LGUs.
- City and Municipal Action Team and SWAD Offices were alerted and already requested to closely coordinate with their local counterparts and their respective LDRRMCs. Field staff requested to monitor AOR and provide reports and updates to the Regional DROMIC Focal for any

impacts/effects.

- Monitored the DSWD Regional DROMIC Focal for the latest weather updates from PAGASA and cascading the same for widest dissemination to Provincial /City/Municipal Action Teams.
- Regional Disaster Division coordinated with OCD-7 and other members of the RDRRMC for any response mobilization activities/strategies. Regional QRT members on standby alert.

DSWD VIII

- Communicated with SWAD Teams and City/Municipal Actions Teams to be alerted on the weather disturbance.
- Monitored the weather situation through watching the live updates of PAGASA regarding the weather disturbances.
