

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

MEMORANDUM
No. 076, s. 2022

MAY 16 2022

TO : ALL NDRRMC MEMBER AGENCIES
ALL OCD REGIONAL OFFICES

SUBJECT : Request for Comments and Recommendations on the
Typing of EOCs for LGUs and Relevant Government
Agencies

In the effort to streamline the operations and management of Emergency Operations Centers (EOCs) of relevant government agencies and local government units (LGUs), the Office of Civil Defense (OCD) drafted the checklist for **Typing of EOCs**. Typing describes performance capability and is made using a number (1 as the highest capability, 2 as the next highest, etc.).

In this regard, all NDRRMC member agencies and OCD Regional Offices are hereby enjoined to submit comments and recommendations on the draft checklist of Typing of EOCs for use by government agencies and LGUs. Further, OCD Regional Offices are directed to solicit comments and recommendations from agencies and LGUs within respective areas of responsibility.

It should be noted that the Typing of EOCs serves as a guide for categorization of operational capabilities of EOCs, but the programming, funding and implementation are based on the mandates and resources of concerned agencies and LGUs. Specifically, for LGUs, the Typing of EOCs, once adopted, will be in conjunction with Executive Order No. 138 s 2021 as the full devolution of functions allows LGUs to have leverage on use of resources and invest in DRRM-related programs, to include the establishment and upgrading of respective EOCs.

All comments and recommendations are to be submitted to the OCD through the Operations Service (OS)-24/7 Operations Center via email at ndrrmoc@ocd.gov.ph **not later than 31 May 2022**. Based on the comments and recommendations received, the OS will organize meetings, consultations and other related activities, as necessary.

For information and guidance.

By the Authority of the Executive Director, NDRRMC:

ASEC BERNARDO RAFAELITO R. ALEJANDRO IV CESO IV MNSA
Deputy Administrator for Operations, OCD
