Bacuit Sur		Drowning	26 December 2022	05:00 pm	Initial investigation revealed that at around 4:30 PM of Dec 26, 2022, victim's daughter Geosa Osillo y Gines, 26 years old, married also resident of Brgy. Bakakeng, Baguio City and Mars Raven Gines y Jimenez, 15 years old, student and also resident of same place went to the sea and swam along the beach located at above mentioned barangay. However, while having fun, the former was dragged to the deeper portion of the sea until she was instantly engulfed by the high and strong waves. Acting thereof, Mr. George Gines y Pacudan tried to rescue his daughter however, while doing so, the latter was also drowned. Not long after, Mrs. Osillo was then rescued by their relatives and rushed at Ilocos Training Regional and Medical Center, City of San Fernando, La Union. They also tried to save his father but all their exhaustive efforts turned to no avail.	Search and rescue operation were conducted together with Bauang MDRRMO, Philippine Coast Guard (PCG), and BFP Bauang that resulted to the recovery of the missing victim at around 5:50 PM of same date. Consequently, rescue breathing was immediately aided prior to the arrival of the ambulance and consequently rushed also at same hospital for treatment.	Victim (Mrs. Osillo) was pronounced dead at 5:26 PM of Dec 26, 2022 during the course of treatment while victim (Mr. Gines) was declared dead on arrival at 6:25 PM by Dr. Ryan Corpuz

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

National Disaster Risk Reduction and Management Council

**2022 Year-End Celebration and Monitoring
ACTIONS TAKEN**

National

National Disaster Risk Reduction and Management Operations Center (NDRRMOC)

- Maintained BLUE ALERT Status since COVID-19 response operations.
- Issued NDRRMC Memo No. 204 Observance of Holiday Season 2022
- Continuous monitoring and ensures dissemination of Rainfall, Gale Warnings, Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCROs through SMS, NDRRMC website, and official social media websites for further dissemination to its respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).

Region 1

Office of Civil Defense Region 1

- Continuous monitoring of the weather situation
- Strengthen risk communication
- Ensure safety and secured response activities following COVID-19 health protocols
- Conducted Year-End Meeting and After-Action Review for previous Disaster on 21 December 2022 at 10:00AM
- Released Memorandum No. 130 and 131,s.2022 : Raising of Alert Status in Observance of the Holiday Season (Christmas and New Year) and Submission of Preparedness Measures

Department of Environment and Natural Resources Region 1

- Heighten alert and intensify health and safety measures during any events and celebrations;
- To give way for the busy holiday and celebrations of our stakeholders, scheduled fieldwork and/or travel/mission orders without urgency concern may be suspended/cancelled;
- Adherence to the Minimum Public Health Standards is reiterated;
- Strictly comply with road safety, curfew hours in public places and other protocols set by the local and national government for the protection of the general public;
- Ensured that public services provided by this Office are unhampered or delivered without unreasonable delay during the holiday season;
- Ensured availability of skeleton workforce within the Division/Section on every working days;
- Immediately notify PISMU on system glitch and errors, and internet connection problems to prevent impediments to online transactions; and
- Keep a record/log book of personnel reporting to the Office.
- Always secure and keep laboratory equipment, materials and chemicals at the Office laboratory
- Immediately report to key personnel any known incident or emergencies in the Office or at the fieldwork operations;
- The concerned focal persons/committee on Occupational Health and Safety and Risk Reduction Management are likewise advised to stay in open lines or on standby and prepared to respond to any incident that may occur within the workplace or at authorized fieldwork of employees
- Monitor/stay informed about weather news updates, warnings, and advisories;
- Activate "go bag" that has food packs, clothes, whistle, flashlight, logistics and other important emergency items;

- Conduct necessary inspection and preventive treatment to secure existing Differential Optical Absorption Spectroscopy (DOAS) equipment, and other EMB-1 operational facilities before and after the anticipated disaster, if any;

National Telecommunications Communication Region 1

- Monitor the status of Public Telecommunications Entities (PTE's) to ensure uninterrupted telecommunications service in Region 1.
- Ensure the functionality and availability of all office emergency telecommunications equipment, backup power supplies and safety equipment for utilization when needed. DRRM focal persons are on call.
- Activate and monitor the activities of all accredited local Civic Action and Amateur Radio Groups to closely monitor the status of communications line in their respective area/s of jurisdiction.
- Provide "Libreng Charging Stations" at office lobby.

Bureau of Fisheries and Aquatic Resources Regional Field Office 1

- BFAR RFO1 Command Center is Activated
- Secretariat monitors and disseminates all OCD 1/RDRRMCs Advisories;
- Open and maintain communication line between Command Center every 8-12 hours and monitor incidents within 8 hours
- Activation/Deployment of Response Teams (as needed)

PANGASINAN

PDRRMO PANGASINAN

- Raising of BLUE ALERT status in the Province of Pangasinan effective 8:00 AM, 22 December 2022.
- Daily roving at Bay walk, Lingayen with Task Force Bay walk in coordination with PNP for security and implementation of Safety Health Protocols
- Established Incident Command Post and Medical Post at Bay walk
- SAR team on standby for possible deployment
- Alerted C/MDRRMC to raise their alert status into blue in reference of OCD and PDRRMC Memorandum for Holiday season
- WASAR-trained personnel on standby for possible deployment.
- 24/7 Emergency Operations Center operation
- Lifeguard on duty at Bay walk
- Established 2 quick response team (1 at Bay walk, 1 at EOC) for emergency situation
- Regular conduct of IECs, advisories, announcements, via social media and roving TF IEC
- Continuous monitoring of the situation in the province (weather update, San Roque Dam, river system, tide level)

LGU BANI

- Activated EOC.
- Declared Blue Alert status starting December 22, 2022 8AM in accordance with RDRRMC1 Memo No. 131 series of 2022
- Conducted Pre-Disaster Risk Assessment with MDRRM Council members
- Prepositioned rescue assets.
- Monitoring and coordinating with BFP Bani, PNP Bani and Market Office regarding the Firecracker regulations
- Coordinated with Tourism Office regarding the monitoring of tourist arrivals and safety measures in resorts and beach areas
- Activated BDRRMC's to be on stand-by and conduct regular monitoring of incidents in their AOR's, and advised to send situational reports accordingly
- Set-up/prepared Incident Command Post at Town Plaza for motorist and tourist assistance

LGU NATIVIDAD

- Preposition of Emergency Response Team
- Collaborate with RHU for provision of medicines and medical services
- Preposition of equipment
- Preposition of vehicles on standby

LGU ROSALES

>MDRRMO

- Activation of the emergency operations center and raising the alert status to blue effective 8:00am December 2022
- Continuous monitoring of the situation in the municipality.
- Incident Management Team on standby for possible deployment.
- Continuous coordination with the barangay DRRMCs regarding the situation in their barangay.
- Close and constant coordination with the DRRM Council members

>BFP

- Municipal-Wide information dissemination of the "Oplan Iwas Paputok" is being conducted.
- Prepared the station capacity (Human, Equipment)
- Coordination between agencies (BFP, PNP, MDRRMO, LGU)

>PNP

- PNP-Rosales conducted coordination with the council members
- PNP-Rosales prepared SRR Teams and SAR Equipment for possible search and Rescue and disaster response operations and maximizing police visibility.

>Rural Health Unit

- Coordinate with MDRRMO, MSWD, BFP, PNP and other stakeholders.
- Activation of 24/7 Operation Center and raised code alert and standby 24/7
- Prepositioning of human resources (RHU personnel and Barangay Health Emergency Response Team)
- Stockpiled medicines, medical supplies, and water sanitation and hygiene supplies

LGU STA. BARBARA

> 22 DECEMBER 2022

- Continuous 24/7 Emergency Operations and Heightened Incident Monitoring
- Alert all the Emergency Response Teams
- Coordination with NGO's and Volunteers
- Coordination with the Municipal Health Office for Medical Service Assistance and Emergency Response
- Coordination with PNP-Sta. Barbara headed by PLTCOL Roderick Y. Gonzales for Security and Safety when a disaster occurs during the celebration.
- Coordination BFP-Sta. Barbara headed by INSP GIAN GLOREINE U. GALANO for response related to fire suppression, Emergency Medical Service Support and Education and Information Campaign.
- Education and Information dissemination thru Social Media platform to advice the public for safety tips during the celebration.
- Prepare all necessary equipment for Incident Response during the event.
- Motorcade together with the PNP Sta. Barbara and BFP Sta. Barbara regarding OPLAN: IWAS PAPUTOK 2022
- Assist the PNP and BFP for monitoring of illegal/unauthorized sellers of firecrackers.

> MDRRMO Sta. Barbara

- The Municipal Disaster Risk Reduction and Management Council of Sta. Barbara thru MDRRM officer Mr. Raymondo T. Santos conducted orientation and briefing to all the emergency response teams regarding the raising of Blue Alert Status in the municipality in observance of the Holiday Season. The Emergency Operations of the said office will continuously serve 24/7 and advised all the personnel to heighten their monitoring activity and emergency response capacity for incidents that may occur during the said event.
- Coordination with the PNP, BFP and Municipal Health Office Teams regarding the raising of Blue alert status in the Municipality in observance of the Holiday Season
