

Situational Report for TC BETTY (2023)

SitRep No. 11 for TC BETTY (2023)

June 04, 2023 08:00 am

20 May 2023

-At 3:00 AM, a Tropical Cyclone Outside PAR was located 2,510 km East of Northern Mindanao (6.4°N, 149.0°E).
-At 3:00 PM, the TC developed as Tropical Storm MAWAR (2302) and was located 2,525 km east of Northeastern Mindanao (6.0°N, 149.1°E) with an almost stationary movement.

21 May 2023

-At 4:00 PM, MAWAR developed into a Severe Tropical Storm and was located at 2,390 km East of Northeastern Mindanao (7.5°N, 148.0°E) and has 100 km/h maximum sustained winds. Gustiness is traveling at up to 125 km/h and 10 km/h in a North-northwesterly direction.

22 May 2023

-At 3:00 AM, MAWAR developed to a Typhoon and was located at 2,330 km East of Mindanao (8.3°N, 147.5°E) with maximum sustained winds of 130 km/h near the center and gustiness up to 160 km/h moving West-northwestward at 15 km/h.

23 May 2023

-At 3:00 PM, MAWAR developed into a Super Typhoon (STY) and was located at 2,285 km East of Visayas (11.8°N, 146.4°E) with maximum sustained winds of 185 km/h moving Northward at 15 km/h.

24 May 2023

-At 11:00 PM, Typhoon "MAWAR" moves past the Northern Mariana Islands while maintaining its strength with maximum sustained winds of 185 km/h near the center moving Northwestward slowly.

25 May 2023

-Super Typhoon "MAWAR" further intensifies over the Philippine Sea with maximum sustained winds of 205 km/h near the center, gustiness of up to 250 km/h, and central pressure of 910 hPa moving westward at 20 km/h.

26 May 2023

-At 11:00 AM, "MAWAR" slightly intensifies while moving westward over the Philippine Sea with maximum sustained winds of 215 km/h near the center, gustiness of up to 260 km/h, and central pressure of 905 hPa.

27 May 2023

-At 2:00 AM, STY "MAWAR" entered the Philippine Area of Responsibility (PAR) and was named "BETTY". It has a maximum sustained winds of 195 km/h near the center, gustiness of up to 240 km/h, and central pressure of 915 hPa. BETTY is forecasted to remain as a super typhoon over the weekend.

-At 11:00 AM, Tropical Cyclone Warning Signal (TCWS) No. 1 is raised over The eastern portion of Cagayan including Babuyan and Camiguin Islands and the eastern portion of Isabela.

-At 11:00 PM, "BETTY" weakens into a typhoon as it continues to move over the Philippine Sea. It has a maximum sustained winds of 175 km/h near the center, gustiness of up to 215 km/h, and central pressure of 935 hPa.

TCWS No. 1 is raised over Batanes, Cagayan including Babuyan Islands, Isabela, Apayao, Ilocos Norte, the northern and central portions of Abra, Kalinga, the eastern and central portions of Mountain Province, the eastern and central portions of Ifugao, the northern and central portions of Aurora, Quirino and the northeastern portion of Nueva Vizcaya.

28 May 2023

-At 5:00 AM, TY "MAWAR" maintains its strength while moving over the Philippine sea east of northern Luzon.

-At 5:00 PM, TY "BETTY" slightly weakens and is now moving west northwestward over the Philippine Sea east of northern Luzon. TCWS No. 1 is still raised over Batanes, Cagayan including Babuyan Islands, Isabela, Apayao, Ilocos Norte, the northern and central portions of Abra, Kalinga, the eastern and central portions of Mountain Province, the eastern and central portions of Ifugao, the northern and central portions of Aurora, Quirino and the northeastern portion of Nueva Vizcaya.

29 May 2023

-At 5:00 AM, TY "BETTY" slightly accelerates northwestward over the waters east of Cagayan.

TCWS No. 2 is raised over Batanes, the eastern portion of Babuyan Islands (Babuyan Is., Camiguin Is., Didicas Is., Pamuktan Is.), and the northeastern portion of mainland Cagayan (Santa Ana).

TCWS No. 1 is raised over the rest of Babuyan Islands, the rest of mainland Cagayan, Isabela, Quirino, the northeastern portion of Nueva Vizcaya, Apayao, Abra, Kalinga, Mountain Province, Ifugao, Ilocos Norte, the northern and central portions of Aurora, Polillo Islands, the northern portion of Catanduanes, the northeastern portion of Camarines Sur, and the northern portion of Camarines Norte.

-At 5:00 PM, TY BETTY continues to decelerate as it moves north northwestward over the waters east of Cagayan.

30 May 2023

-At 5:00 AM, TY BETTY further weakens over the sea east of Batanes. It has maximum sustained winds of 150 km/h near the center, gustiness of up to 185 km/h, and central pressure of 955 hPa.

-At 5:00 AM, TY BETTY decelerates while slowly moving northward over the sea east of Batanes.

TCWS No. 2 is still raised in Batanes, while, TCWS No. 1 is raised over the northern and eastern portions of Isabela, Apayao, the eastern portion of Ilocos Norte, the northern portion of Kalinga, the northeastern portion of Abra and Cagayan including Babuyan Islands.

31 May 2023

-At 5:00 AM, TY BETTY further weakens while moving slowly over the sea east of Batanes, with maximum sustained winds of 120 km/h near the center and gustiness of up to 150 km/h.

TCWS No. 2 is still raised in Batanes. TCWS No. 1 over Cagayan including Babuyan Islands, the northern and eastern portions of Isabela (Santo Tomas, Santa Maria, Quezon, San Mariano, Dinapigue, Delfin Albano, San Pablo, Ilagan City, Benito Soliven, Tumauni, Cabagan, Palanan, Quirino, Divilacan, Gamu, Maconacon, Naguilian, Mallig), the eastern portion of Ilocos Norte (Piddig, Bangui, Vintar, Marcos, Pagudpud, Banna, Adams, Carasi, Dingras, Solsona, Dumalneg, Nueva Era), Apayao, the northern portion of Kalinga (City of Tabuk, Balbalan, Pinukpuk, Rizal), and the northeastern portion of Abra (Tineg, Lacub, Malibcong)

-At 5:00 PM, "BETTY" continues to accelerate northward over the sea east northeast of Batanes. TCWS No. 2 is now lifted. Meanwhile, TCWS No. 1 is still raised over Batanes and the eastern portion of Babuyan Islands (Calayan Is., Babuyan Is., and Camiguin Is.).

01 June 2023

-At 5:00 AM, BETTY weakens into a severe tropical storm as it continues to move northward. TCWS No. 1 remains hoisted over Batanes.

-At 4:00 PM, STS BETTY steadily weakens and is now outside the Philippine Area of Responsibility. All TCWS are lifted.

RELATED INCIDENTS

The following incidents were reported in some areas of Region 1, Region 3, MIMAROPA, Region 6.

REGION	Fallen Tree	Rock Slide	Self-vehicular accident	Landslide (Rain-Induced)	Tornado/Destructive Winds/Strong Winds	Stranded Individuals	Mudslide	Soil Erosion	Flooded Areas			Storm Surge	Collapsed Structure	Fallen Trees	Lightning Incident

The MATs in Gonzaga, Cagayan, assisted by the MSWDO and MDRRMO, distributed FFPs to the displaced families and individuals in Brgy. Sta. Clara.

DSWD FO III conducted production of FFPs to increase the current stockpile.

DSWD-FO III prepositioned additional FFPs in the Municipalities of Subic and Castillejos, Zambales.

Distributed 1,305 FFPs to affected fisherfolks in the Municipality of Dingalan, Aurora.

DSWD FO MIMAROPA

Ongoing unloading of FFPs in two (2) provincial warehouses in Puerto Princesa City.

2.. CAMP COORDINATION AND CAMP MANAGEMENT (CCCM) and INTERNALLY DISPLACED PERSONS PROTECTION (IDPP)

DSWD

a. Inside Evacuation Center

There are 34 families or 85 persons currently taking temporary shelter in two (2) evacuation centers in Regions I and III.

b. Outside Evacuation Center

There are 193 families or 392 persons temporarily staying with their relatives or friends in Region II.

3. HEALTH

DOH

A total of PHP 43,891,147.39 worth of assorted drugs and medicines, medical supplies and other commodities were prepositioned by All CHDs to its provinces. In addition, a total of PHP 73,900,996.93 worth of commodities is available at the DOH Central Office Warehouse.

4. EMERGENCY TELECOMMUNICATIONS (ETC)

DICT

A total of 28 emergency ICT equipment/resources were deployed/prepositioned, while 182 emergency ICT equipment/resources are available and ready for deployment.

OCD

A total of 320 emergency ICT equipment/resources are available and ready for deployment.

5. LAW AND ORDER (PNP)

PNP

-23,606 personnel and 12,766 equipment and vehicle are on standby

6. LOGISTICS

OCD

A total of 151 transportation deployed from AFP and DSWD

DOST- Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

- Continuous weather monitoring and provision of weather updates to all stakeholders.

DENR - Mines and Geosciences Bureau (MGB)

Provided the List of Barangays Susceptible to Landslides and Flooding based on the DOST-PAGASA Rainfall Data GSM and WRF 72hr.

Department of the Interior and Local Government (DILG)

-Issued an advisory for Local Government Units in connection with Super Typhoon Mawar and enhanced Southwest Monsoon

Department of Agriculture

- Activation of DA Regional DRRM Operations Centers
- Prepositioned a total of 705,205 bags of rice seeds, 11,409 bags of corn seeds, and 6,216 kilograms of assorted vegetable seeds from all regions
- Continuous dissemination of localized advisories to APCOs, LGUs, farmers and fisherfolk
- Coordination with other National and Regional DRRM-related offices, as well as Local Government Unit counterparts, in monitoring the possible impacts of STY "MAWAR"

Department of Public Works and Highways

- Closely monitors national roads and bridges
- Prepositioned Quick Response Assets

Department of Education (DepEd)

- Deployed the Rapid Assessment of Damages Report (RADaR) trigger to affected schools with lifted TWCS.
- Monitored the impacts of hazards in exposed and affected regions and divisions.
- Participated in the Pre-Disaster Risk Assessment meeting called by NDRRMC last May 27, 2023, at 3:00 PM.
- Disseminated IEC materials about the Rapid Assessment of Damages Report and DO 33, s. 2022.
- Conducted coordination meetings with exposed and affected regions and divisions.
- Disseminated Weather Advisories and Tropical Cyclone Bulletin to affected regions and divisions, and DepEd Quick Response and Recovery Team (QRRT).

Region 1

Office of Civil Defense (OCD) Regional Office 1

- Monitor the weather situation thru the PAGASA website
- Strengthen risk communication
- Ensure safety and secured response activities following COVID-19 health protocols
- Participated to the PDRA Analyst Group Meeting, PDRA Core Group Meeting, Virtual EOC Meeting and other related meetings in connection with STY "BETTY" (MAWAR)
- Conducted PDRA Meeting and Weather Updating Session
- Release Memorandums for Preparedness measures

Department of Social Welfare and Development (DSWD) Field Office 1

- DSWD Field Office 1 is closely monitoring the track and movement of Super Typhoon "MAWAR" through Department of Science and Technology – Philippine Atmospheric, Geophysical and Astronomical Services Administration (DOST – PAGASA) and in close coordination with the Regional Disaster Risk Reduction and Management Council 1 (RDRRMC1).
- DSWD Field Office 1 is in close coordination with the Provincial Disaster Risk Reduction and Management Councils (PDRRMCs) and the Provincial Social Welfare and Development Offices (PSWDOs) to monitor the possible effects of the current weather condition and to ensure submission of reports when needed.
- DSWD FO 1 staff in different Provincial Operations Offices (POOs) are closely monitoring their respective Area of Responsibility (AOR) for any eventualities.
- A total of 10,500 FFPs from National Resource Logistics and Management Bureau (NRLMB) were delivered as an augmentation to Field Office 1 stockpile in preparation for Super Typhoon "MAWAR". The requested 10,500 FFPs were delivered and prepositioned to different satellite warehouses in the Region for ready augmentation to affected Local Government Units (LGUs).
- A total of 20,000 pieces of rice bags were also requested from NRLMB and still waiting for the delivery. Likewise, DSWD Field Office 1 already received 97,500 pieces of rice bags from the 100,000 pieces procured. The balance of 2,500 pieces of rice bags will be delivered by the supplier once production is completed.
- Maintain the functionality of the following warehouses:
 - >Two (2) DSWD owned Regional Warehouses with an absorptive capacity of 60,000 FNFI
 - >Eleven Satellite Warehouses with an absorptive capacity of 11,000 FNFI
 - >One (1) rented warehouse with an absorptive capacity of 50,000 FNFI
 - >Updating of the official Facebook page and other social media accounts of DSWD Field Office 1 to inform the public on the Department's preparation activities.
 - >A total of 58 IMT members are on standby for possible activation of the DSWD FO 1 IMT while other DSWD staff are on stand by for possible conduct of response operation.
 - >Likewise, the Field Office ensures the availability of all resources for ready augmentation to affected LGUs.

Department of Public Works and Highways (DPWH) Region 1

- District Disaster Risk Reduction Management Team was activated, District Maintenance Engineer (DME) & District Maintenance Point Persons (DMPPs) - QRAs were prepositioned since May 24, 2023

Bureau of Fisheries and Aquatic Resources (BFAR) Regional Fisheries Office 1

Upon entry of typhoon within PAR, BFAR RFO I shall:

- Adopt appropriate Level Alert (depending on typhoon signal and advisory from DOST – PAGASA and OCD1/RDRRMC1) and all employees advised.
- Activate BFAR RFO I Command Center
 - >>Monitor and post Status Updates from the PAGASA on typhoon situation

Department of the Interior and Local Government (DILG) Regional Office 1

DILG Regional Action

- Coordination with other agencies.
- Inventory of Rescue equipment and tools.
- All Fire Stations are monitored and advice to be always ready to respond to any untoward incident.
- Monitoring and roving within AOR.
- All emergency tools are prepared that any incident happened.
- Continuous monitoring to weather forecast of PAG-ASA.
- Closely coordinated with their respective RDRRMCs, especially those with areas that recently experienced extended or prolonged rain events and/or landslides/floods;
- Participated in Regional DRRMCs Pre-Disaster Risk Assessment Meetings;
- ACTIVATED the Emergency Operations Centers and Disaster Online Reporting and Monitoring System (DORMS) for STY BETTY effective

28 May 2023

- Attended RDRRMC Response Cluster Meeting
- Continuous monitoring of DORMs
- Monitored the submission of action photos of LGUs
- Monitored the submission of Provincial Sitrep
- Submitted Regional Sitrep
- Continuous dissemination of advisories re: STY MAWAR

27 May 2023

- Continuous monitoring of DORMs
- Monitored the submission of action photos of LGUs
- Monitored the submission of Provincial Sitrep
- Submitted Regional Sitrep

26 May 2023;

- Monitoring of the PAGASA Critical Cyclone Track Chart (CCTC) for LISTO Protocols for potential areas at risk and caused its widest dissemination;
- Advised all concerned LGUs to establish critical preparedness actions based on the Operation LISTO Protocols, and DILG Memorandum Circular No. 2020-125 - LISTO SA TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020, and prioritize the health and safety of all response personnel and evacuees, the prepositioning of supplies and equipment;
- Reminded LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes, and ensure that they can withstand the strong winds brought about by the tropical cyclone;
- Continuous monitoring of situation within their respective areas of responsibility; and
- Caused the widest dissemination of the memorandum and other relevant advisories, including the NDRRMC Memorandum No. 18 s. 2021 dated 09 March 2021 Reiteration COVID-19 Preparedness Measures for the Anticipated Rainy Season and NDRRMC Memorandum No. 54 s. 2020 dated 29 May 2020 COVID-19 Preparedness Measures for Rainy Season.

- Activated the DORMs
- Continuous dissemination of advisories re: STY MAWAR
- Monitored the accomplishment of DORMs

25 May 2023

- Attended RDRRMC PDRA
- Attended RDRRMC Press Briefing
- Disseminated Advisories re: Typhoon MAWAR

24 May 2023

- Issued Advisory re: Southwesterly Wind flow and Typhoon MAWAR Outside PAR
- Ensured that all LGUs are informed about STY MAWAR

DILG Provincial/Field Offices General Actions:

- Participated in Local DRRMC Pre-Disaster Risk Assessment Meetings;
- Informed and advised LCEs, LDRRMOs & Punong Barangays to activate their respective Emergency Operations Centers and undertake the necessary preparations for STY BETTY;
- Monitored the compliance of the LGUs on the Operation L!STO Protocols; and
- Continuous monitoring of DENR-MGB Brgys. susceptible to floods and landslides lists, weather bulletins and critical cyclone track chart and dissemination of same to Provincial and Field Offices.

LGU Level General Actions:

- Monitoring of the PAGASA and DILG's Critical Cyclone Track Chart (CCTC) and implementing necessary critical preparedness actions based on the Operation L!STO Protocols on Typhoon and Localized Weather Disturbance;
- Advised residents in high-risk areas to take precautionary measures, and immediately evacuate to designated safe sites, when advised by local authorities;
- Convened their respective LDRRMCs and have conducted PDRA Meetings;
- Activated all concerned BDRRMCs for close coordination, prepositioned necessary supplies and prepared evacuation centers, are on full alert and continuously monitoring and disseminating weather updates to the communities;
- Pre-positioning of all rescue equipment/resources in strategic areas within their respective AOR; and
- Informed Punong Barangays of weather advisories and other relevant information and to continuously monitor the situation through social media platforms, radio and TV.

ILOCOS NORTE

PDRRMOC Ilocos Norte

- Conducted PDRA for PDRRMC and attended RDRRMC1 PDRA and regular weather updates
- Advice all DRRMOs and NGAs to be on alert status and continuously monitor their respective AORs.
- Advice all SAR Personnel to be on alert status and be ready for any possible deployment.

 - PCG Station
14. Bacolod City DRRMC activates its Emergency Operations Center and raised it to BLUE ALERT with Emergency Preparedness and Response (EPR) Protocol activated to BRAVO Protocol (High Priority for

PDRRMO Capiz

May 28,2023

- MDRRM Council members convened and conducted PDRA meeting
- BDRRM Council members convened and conducted PDRA meeting
- MDRRMC - OpCen 24/7 standby for possible deployment.
- MDRRM Office still continues to monitor weather status.
- ALERTeam are on standby and continuously monitoring the AOR.
- Rescue equipment and vehicles are on standby
- Conducted massive information dissemination
- Continuous monitoring on weather status for upland, low lying and coastal barangays

May 27, 2023

PDRRMC/O

- The PDRRMC-OPCEN is continuously monitoring the weather situation in the whole province
- Providing weather updates and information dissemination using social media to the Public
- PDRRMO coordinates with the C/MDRRMOs by means of Unified Command radio frequency or social media to obtain real-time updates on their respective AOR
- All CERT personnel and other Response Units are on standby in case of possible deployment
- C/MDRRMOs are continuously monitoring their respective AOR
- As of May 26, 2023, PDRRMC members conducted Pre-Disaster Risk Assessment

Response system in place.

1. Ensure that all communications equipment is well maintained and working order.
2. Ensure that there is an updated disaster management plan containing a comprehensive contact directory with numbers of all functionaries, all departments, NGOS's, DRRMCs.
3. Conduct regular training to the early warning and communication task force.

Early Warning Alert

1. Assemble in the operation center and listen to the radio to determine what the situation is like.
2. Pay attention to local warnings.
3. Disseminate the warning using megaphone's/mikes, sirens, door-to-door announcements, etc.
4. Carry with it a hazard map demarcating the most vulnerable areas and households, safe areas and shelter and evacuation centers.

Stockpiling and Relief distribution

1. Familiarize themselves with damage and needs assessment formats.
2. Assess the estimated need for relief materials.
3. Stocks of temporary building materials such as ropes, bamboos, tarpaulin, and asbestos/G sheets in the identified safe shelter.
4. Conduct regular training.

Establishment of Social Media Account of PDRRMO for weather bulletin, advisories, and information.

1. Weather Update/Travel Advisory and/or any related event are posted on PDRRMO Capiz FB Account for massive information dissemination throughout the Province.

Organize meeting with the Search and Rescue team members

1. Familiarize themselves with the response mechanisms of the government at all levels to ensure effective coordination and reduced response time during disasters.
2. Keep the equipment in the operation center, and will be responsible for its continued maintenance.
3. Have with it a detailed map of the municipality indicating vulnerable areas, vulnerable individuals and households, safe areas and safe shelter, pre-identified evacuation routes, and facilities.
4. Devise search strategies and rescue plans, which are hazard-specific.
5. Organize themselves into pairs (buddy system).
6. Have backup teams ready so that shifts and the rotation of personnel can be organized.
7. Identify the vulnerable areas in which their help is required and decide upon the action plan.
8. Gather the equipment they require.
9. Divide and allocate responsibilities amongst team members according to the need.
10. Shift the seriously injured persons to the nearest hospital for further treatment.

Water and Sanitation

1. Ensure that sufficient water is stored in proper tanks and rainwater harvesting tanks in safe shelters.
2. Ensure that there is a list of contact persons at Drinking Water stations to contact for assistance.
3. Raise awareness amongst the community about how to treat contaminated water resources.
4. Set minimum standards for the distribution of water in an emergency.
5. Work with other NGOs and the local government on raising awareness about personal hygiene, house cleaning, and wider environmental protection and sustainability.

First Aid and Health

1. Maintain the management plan by listing the pregnant women, infants, the disabled, sick, and senior citizens in the municipality to ensure that their medical needs are met.
2. Keep stretchers/local alternatives ready to carry injured people.
3. Keep a First Aid kit ready and ensure that expired drugs are replaced with new ones.
4. Ensure that all the contents of the first Aid kit are in place and prepared.
5. Rescue volunteers shall proceed to the operation area.

Evacuation and Shelter Management

1. Monitor the infrastructural needs of the municipality.
2. Stock dry food/pre-cooked food, water, medicines, candles and kerosene sufficient to last the evacuees a week with the help of the community, local authorities, local traders and business associations and NGOs.
3. Help to evacuate people from their homes and clear the area as rapidly as possible.
4. Move stocks of dry food, water, utensils, and medicines to the operation center.
5. Organize space to accommodate evacuees' families.
6. Help evacuees, especially the senior citizens, disabled, pregnant women, the sick, and children to settle in the evacuation center.
7. Ensure that strict sanitary practices are adhered to in the evacuation center.
8. Register the evacuees and give them identification slips/cards which they will carry in order to receive food, water, medicine, other relief material, and monetary relief from government

DSWD VI

Region 7

OFFICE OF CIVIL DEFENSE VII

- The RDRRMC members actively participated in conducting a Post-Disaster Rapid Assessment (PDRA) last May 25, 2023
- Actively monitor weather updates and ensure the prompt dissemination of weather advisories to RDRRMC Member Agencies, Local Chief Executives, Local DRRM Officers, and other relevant stakeholders.

DSWD-VII

- The DSWD Field Office VII has a stockpile of resources and a reserve fund amounting to Php 80,380,433.88.
- A total of 41,600 family food packs (FFPs), worth Php 24,856,325.40, and other food items worth Php 680,567.00, as well as non-food items (NFIs) worth Php 43,319,058.90, are available.
- Manned the Emergency Operations Center (EOC) for reporting, response, and resource operations.
- Establish a virtual operation center for the Quick Response Team and activate it whenever the need arises.
- Keep a close watch on the provincial Quick Response Team (QRT) Viber Group and monitor the group chats of the Local Social Welfare and Development Office (LSWDO) and Local Disaster Risk Reduction and Management Office (LDRRMO) to stay informed about the situations at the LGU level.
- Provide daily weather updates on a regular basis.
- Attended the virtual Emergency Operations Center (EOC) meetings of the RDRRMC as directed by the Secretariat.
- Submit a daily incident report concerning sporadic incidents associated with STS "MAWAR".
- Provide DROMIC (Disaster Response Operations Monitoring and Information Center) Reports whenever necessary.
- Issue a memorandum to QRT members regarding their standby mode and the virtual EOC link.
- Organize the RSO of QRT members who are called for duty in response to pre-emptive evacuation as the need arises.
- Initiate the activation of the QRT in accordance with the advisory.
- Maintain continuous coordination with affected LGUs to ensure our provision of augmented support.
- Substitute 5,499 FFPs with Oceans Best Tuna Brand to create FFPs with a temporary composition consisting of 6 kilograms of rice, 5 cans of sardines, 5 cans of corned beef, 5 packets of cereal, and 5 packets of coffee at a rate of 2,000 per day for a duration of 3 days.
- Substitute 3,750 FFPs with the newly received batch of 15,000 tuna, which will be carried out within a span of two days.
- Produced a total of 747 FFPs utilizing the available raw materials while incorporating the temporary components.
- Readily prepare additional PRs as the need arises (based on available funds)
- Initiate a follow-up regarding the requested additional standby fund amounting to 7.2 million.
- Establish coordination with the supplier of the procured transport service, namely All Transport Network, to explore potential utilization.
- Maintain close coordination with DRRS staff to provide necessary support and assistance to LGUs in need of augmentation.
- Maintain continuous coordination with the warehouse staff to ensure their required support and promptly address any issues or concerns that may arise.
- Maintain an inventory of trained CCCM personnel per province, readily available and prepared for deployment.
- Activate the CCCM and IDP Cluster as necessary, in response to emerging needs and situations.

PAGASA-CENTRAL VISAYAS

- Continuous dissemination of weather updates to RDRRMC Member Agencies, LDRRMCs, and other stakeholders.

BFP-VII

- Coordinated with DILG and RDRRMC and LDRRMCs in the conduct of Local PDRA and undertook

preparedness and response protocols;

- Intensified the conduct of OPLAN PAGHALASA in line with COVID-19 situation;
- Instigated continuous monitoring of PAGASA weather advisories and bulletins;
- Conducted close coordination with the local DRRMO and other agencies for possible effects and/or hazards brought about by the weather disturbances;
- Ensured availability of BFP Assets and Personnel Protective Equipment at all times (list attached herewith);
- Vigilantly monitored their AOR for possible rise of waters prone to flooding especially on areas proximal to river channels and flood plains (prioritized areas which are slightly susceptible to recent and repeated flooding for monitoring);
- Monitored houses along esteros and riverbank for possible erosion, debris flow and flooding;
- Conducted vigilant monitoring of landslide prone areas including moderately sloping ground with creels/gullies; cmag/nnba/rod/memo/bfpr7 available resources preparedness measures and situational reports re ty betty
- Implemented strict observance of precautionary measures in response to Search and Rescue Operations, Medical Response and Mass Evacuation;
- Coordinated with other agencies for the assessment of safety of evacuation centers and established COVID-19 Isolation, quarantine and treatment facilities from hazards; and
- Ensured health and safety of all responders at all times.

DEPED-VII

- All offices and schools conduct preventive, mitigation, and preparedness measures within their respective areas of responsibility (AOR).
- Take proactive measures to prepare for a worst-case scenario involving severe flooding and landslides.
- Ensure regular updates are provided to our schools, teaching and non-teaching personnel, and learners regarding the prevailing weather conditions in your area.
- Establish an executive MOA/MOU with the LGU to secure the use of classrooms as evacuation centers for internally displaced individuals (IDPs) and other stakeholders. This arrangement will facilitate the repositioning of necessary supplies such as teachers' and learners' kits, as well as temporary learning spaces (TLS).
- Regular monitoring of areas susceptible to flooding and landslides is ongoing.
- Offices and schools are required to provide periodic situational reports (SITREPs), especially if the situation is at risk of escalating to a severe condition. The implementation of DO 37s, 2021 (Guidelines on the Cancellation or Suspension of Classes and in Government Offices Due to Typhoons, Flooding, and other Weather Disturbances and Calamities), must be enforced at all levels of governance.

LGU CEBU-CEBU CITY

- At 4:17 pm on May 24, 2023, the Cebu City Disaster Risk Reduction and Management Council issued a resolution elevating the city's status to BLUE ALERT in response to the impact of Super Typhoon MAWAR, which is expected to intensify the Southwest monsoon in the following days.
- All response clusters, division heads, section heads, volunteer response units, and barangay-based units in Cebu City are required to remain prepared for immediate response, including the repositioning of emergency vehicles/equipment and providing accurate situational updates using the provided templates from the Cebu City Operation Center.

LGU CEBU-DAANBANTAYAN

- The MDRRMO 24/7 Operation Center has been activated and is actively monitoring and coordinating with all barangays, maintaining a red alert status.
- ALL MDRRMO personnel are on standby ready for augmentation.
- All low-lying Barangays are advised to closely monitor their respective areas for potential flooding caused by the current red rainfall warning weather condition.
- Barangay Poblacion officials are advised, in coordination with MDRRMO, to assess the residents living in flooded areas.
- Coastal Barangays are advised to take action and advise all fishermen to refrain from venturing into the sea.
- Observed an escalated rise in the water level of Lanao Lake and provided guidance to residents in the vicinity to adopt necessary safety measures.

- Early warning devices and personnel are stationed strategically.
- Advised the Coastguard to ensure rigorous adherence to guidelines regarding vessel movement during severe weather conditions, particularly in the absence of local weather bulletins. This directive was issued in collaboration with the MDRRMO to enhance coordination efforts.
- Advised to activate the BDRRM committee to conduct PDRA and imposed Pre-emptive evacuation.

LGU-CEBU-TABOGON

- In anticipation of Typhoon "MAWAR," the MDRRM-Tabogon carried out a comprehensive examination of all 25 barangays to prepare for potential risks. Additionally, they conducted a Pre-Disaster Risk Assessment.
- Convened a meeting with the MDRRMC (Municipal Disaster Risk Reduction and Management Council) to deliberate on the preparations and response strategies for the imminent typhoon.
- The DRRM TEAM conducted an examination/inspection of the flooded areas, creeks, and coastal areas.
- Prepare the Disaster Response Team to be on standby (at full capacity) and ready for immediate deployment.
- Ongoing follow-up and dissemination of updates, bulletins, and advisories to all local media networks.
- Coordinated with the Philippine Coast Guard to obtain updated alert signals, monitor potentially affected areas, and establish response mechanisms.
- Called all Barangay to disseminate the susceptible to flooding and landslide areas.
- Coordinated with the Municipal Social Welfare and Development Office (MSWD) to prepare food packs in case any internally displaced persons (IDPs) are present in Evacuation Centers.
- Carried out road-clearing operations.
- Placed or installed signages on the impaired roadway.

LGU-CEBU-TALISAY CITY

- Conduct a meeting involving Barangay Captains, Barangay officials, DepED School Heads, PNP, BFP, Coast Guard, Disaster office, CT TODA, DSWD, and all Department heads to discuss our preparations for Typhoon MAWAR.
- Primary and secondary evacuation centers have been established in anticipation of the possibility of forced evacuations, particularly in areas prone to flooding, storm surges, and landslides.
- The primary evacuation centers are located in the multipurpose gymnasiums within the barangays. In the event that these gyms reach maximum capacity, our secondary evacuation centers, which are public schools, will be utilized.
- The barangay disaster teams in all 22 barangays have been activated.
- In the event that our LDRRMO personnel are attending to other incidents, the Barangay Disaster Teams (BDT) will assume the role of first responders.
- Prepared the relief supplies, which include provisions such as food, clothing, hygiene products, and sleeping kits, among other essential items.

LGU-CEBU-TABUELAN

- The local DRRM council convened on May 25, 2023, at 9:30 AM.
- Collaborative efforts with various government agencies (such as BFP, PNP, PCG, PA, and DILG), LnB, MAO, MEO, and other relevant offices.
- Conducted PDRA (Post-Disaster Rapid Assessment).
- Coordinate with Barangay Officials for awareness of the populace living in prone areas.
- The LGU has adequate resources, including equipment and non-food items, available for use if necessary.

LGU-CEBU-SOGOD

- Convened the Municipal DRRM Council on May 25, 2023 2:00 PM
- Maintained continuous coordination with relevant agencies and government bodies such as BFP, PNP, DILG, PCG, MAO, volunteers, and barangays.
- Coordinated with barangay officials to conduct regular monitoring of flood-prone areas.
- Conducted a Pre-Disaster Risk Assessment (PDRA).

- Ensured that the LGU has sufficient resources in case any unforeseen needs arise.

LGU-CEBU-TUDELA

- The MDRRMO convened and held a Pre-Disaster Assessment Meeting on May 25, 2023. They also carried out public announcements and information drives.
- In coordination with Solid Waste Management personnel, the MDRRMO conducted road clearing operations to remove encroached road objects and trim trees.
- MSWO personnel are actively packing relief goods for the anticipated evacuees.
- The MDRRMO and responders are preparing response equipment to address high-risk hazards within the municipality.
- DRR vehicles and generator sets have been fueled and made ready for deployment.

NEGOR-MABINAY

- Attended PDRA Meeting Regional Level
- Conducted PDRA to LDRRM Personnel and PNP
- In coordination with LDRRMC and Punong barangay with BDRRM ERT.
- Pre-positioned LDRRM vehicles, heavy equipment, and rescue equipment.
- Pre-positioned Food and Non-food items.
- LDRRM Personnel are on standby 24/7 at Emergency Operations Center
- Activated BDRRMC and Coordinated with the BDRRM Coordinators and Alternates to provide status and updates on the impacts of the hazard.
- Continue to disseminate advisories and/or warnings from authorities.
- Disseminated advisories from DOST-PAGASA and IECs on Preparedness Measures for Landslide and Flood thru: Radio @ JU FM, SMS, social media, Messenger (GC).
- Monitor Spillways and River's that are prone to flooding.

BOHOL-PROVINCE OF BOHOL

- The PDRA was conducted on May 24 at 9:00 AM to assess the province's level of preparedness, identify mitigation and preparedness measures, and determine logistical concerns in the event of a worst-case scenario.
- The DSWD has deployed personnel in every municipality and trained them on how to properly fill out and submit reports. Additionally, pre-positioned family food packs are available in the towns of Carmen, Loboc, Pres CPG, Sagbayan, Buenavista, Dimiao, Tubigon, Maribojoc, San Miguel, Loay, Jagna, Anda, and Corella.
- A total of 2,112 ready-to-use food packs have been designated for the Abante Caravan, should they be required in response to the consequences of Mawar. Furthermore, we have acquired goods currently awaiting the NTP to facilitate delivery.
- The primary area of focus for the PCG's operation will be the coastal regions. In the event of rough sea conditions, they will implement a suspension of voyages. They are eager to receive early notifications such as gale warnings or weather advisories, enabling them to advise small fishing boats, particularly fishermen, against sailing. They have expressed concerns about the diving establishments in the Panglao area, especially if foreign nationals have already made reservations for diving expeditions.
- The AFP detachments and troops are prepared and ready for augmentation. They will await instructions from the PDRRMC or LGUs regarding their assistance, should it be required.
- The PPA will make timely announcements about PAGASA and PCG warnings to suspend voyages and minimize the number of "stranded" passengers. The terminal area is prone to strong winds and high waters, so discouraging travel during adverse weather conditions is crucial for passenger safety.
- The PPA requested hot meals and family food packs (FFPs) for possible stranded individuals and will coordinate with local government units (LGUs) for evacuation if needed.
- The Port Police will also be involved in coordinating with LGUs for stranded individuals.
- The PNP will request that all stations be on standby alert (QRT), ready for immediate action. They will also collaborate with their respective MDRRMCs, particularly for providing assistance in evacuations when needed.
- The DPWH given their limited equipment and specific mandate, their primary focus will be on providing assistance and clearing the national roads, especially those susceptible to landslides.
- The PEO guarantees the readiness of dump trucks, equipment, fuel, and personnel to ensure their availability. Heavy equipment deployed or stationed in various towns will be instructed to be on standby in the

población area for swift deployment when needed.

- The PHO personnel have already been organized into clusters, such as WASH and medical teams. Hospitals will also be notified, and it is important to note that the readily available medicines primarily cater to hypertensive patients.
- They have a quick response team (QRT) ready; requested consumers to prepare flashlights and solar-powered lights in case power will be cut off from Leyte.
- In the event of a power interruption or outage, Bohol Water Utilities is equipped with standby generators (both mobile and stationary) that are ready for deployment. They will prioritize the distribution of water to areas with hospitals and government offices.
- DPWH II acknowledges the limited availability of their equipment but assures the prepositioning of their existing resources. They have requested coordination with the Bohol Contractors Association, as the association possesses heavy equipment that can provide support in clearing operations if necessary.
- Currently, the Tagbilaran warehouse of the NFA has an inventory of 37,547 bags of rice. This quantity is sufficient to meet the rice consumption needs for approximately 4 days, considering the estimated daily consumption of 9,000 bags.
- The DILG will maintain close monitoring of the LGUs and will compile reports for a comprehensive assessment.
- PIMO will disseminate information materials in accordance with the advice of the PDRRMO.
- In addition to their regular 24/7 emergency response services, PDRRMO-TaRSIER 117, including the Headquarters and 7 substations, will be on standby starting Friday. Emergency responders, including the Search and Rescue and Water Search and Rescue teams, will be prepared for immediate deployment if necessary. The substations will be notified and will continue monitoring, especially in their respective catchment areas. Continuous monitoring of water levels in the major dams within the province will also be conducted. They will remain vigilant in performing system checks, maintaining coordination with LGUs, and collaborating with PDRRMC members.
- BALDRRMO will make necessary preparations for the barangays and establish close coordination with MDRRMC members.
- DepEd Bohol will be prepared in case there is a need to designate schools as evacuation centers.

Region 8

Office of Civil Defense VIII

1. Convened RDRRMC member agencies and LDRRMCs for a PDRA / Weather Update on STY Mawar on 25 May 2023.
2. Participated in the PDRA Meeting and Weather Updating facilitated by NDRRMOC.
3. Inventory of available NFIs ready for augmentation/distribution.
4. Continuous monitoring of current weather condition.
5. Continuous monitoring and coordination with P/C/MDRRMOs in their AOR.
6. Published various IEC materials and weather updates to the stakeholders via FB Messenger and FB Page for widest dissemination.

Provincial Government of Eastern Samar

1. Monitoring of weather updates, warnings and advisories and dissemination to LGUs through their MDRRMOs and other agencies concerned.
2. Dissemination of MGB List of LGUs and Barangays susceptible to flooding and landslide.
3. Activation of PDRRM Council as needed.
4. Emergency Operations Center activated.
5. Emergency Response Team on standby.
6. Prepositioned relief goods.
7. PDRRMO Rescue vehicles on standby.
8. Conducted inventory of supplies and equipment.

Department of Social Welfare and Development

1. Continuous monitoring of weather situation for any possible effect of the weather disturbance;
2. Ensured availability of operational evacuation centers and FNIs;

3. Continuous monitoring with Office of the Civil Defense (OCD) for possible request of their available procured trucking service and to Tingog Partylist for their service trucks to be on standby;
4. Coordination with DRMD PDOs and SWADTs regarding updates on the weather status in different provinces of Eastern Visayas;
5. Sub-field Offices (SFOs) and Quick Response Teams (QRTs) are on standby and on alert for activation;
6. Attended Preparedness Response Meeting with Secretary in preparation for the possible effects of Super Typhoon "MAWAR";
7. Established DROMIC Tool for the Super Typhoon "MAWAR" in the live spreadsheet for monitoring and reporting;
8. Standby funds of Php3,658,750.00, stockpile of 47,924 Family Food Packs and stockpile of 24,527 Non-Food Items.

Philippine Air Force - Tactical Operations Group 8

- Constant weather monitoring;
- Inventory and inspection of DRTU Equipment;
- Operational Check of DRTU Equipment;
- Alerted 1 Team QRF, ready to respond during calamities;
- Mustering of the DRTU;
- B412 and S70i CUH element on Typhoon Evacuation to Mactan but on standby alert for deployment after the weather restrictions;
- Ensured serviceability of ground vehicles of this Group;
- Attended the PAF Battle Staff Bravo coordination meeting regarding the effects of TY "MAWAR";
- Secured facilities within TOG8 compound;
- Reviewed TOG8 Typhoon Evacuation Plan and Camp Defense SOPs and subsequently reminded and disseminated the same to all personnel..

Bureau of Fire Protection 8

1. Continuous monitoring of PAGASA weather advisories and bulletins;
2. Conduct close coordination with the local DRRMO and other agencies for possible effects and/or hazards brought about by the weather disturbances;
3. Ensure availability of BFP Assets and Personal Protective Equipment at all times;
4. Vigilant monitoring within AOR for possible rise of waters prone to flooding especially on areas proximal to river channels and flood plains (prioritize areas which are highly susceptible to recent and repeated flooding for monitoring);
5. Monitor houses along esteros and riverbanks for possible erosion, debris flow and flooding;
6. Conduct monitoring of landslide prone areas including moderately sloping ground with creeks/gullies;
7. Strict observance of precautionary measures in responding to Search and Rescue Operations, Medical Response and Mass Evacuation;
8. Coordinate with other agencies for assessment of the safety of evacuation centers;
9. Ensure health and safety of all responders at all times.

Mines and Geosciences Bureau 8

- Generated list of Barangays Susceptible to Landslide and Flood (no data yet for region 8);
- Disseminated recommendations on how to get rid of possible flooding and landslides occurrences to agencies, LDRRMCs;
- Provided web portal link for public information on the list of possible affected areas.

Philippine Coast Guard - CGDEV

- CONTINUOUS MONITORING OF WEATHER UPDATES;
- DISSEMINATION OF WEATHER UPDATES TO ALL CG STATIONS AND SUB-STATIONS;
- MONITORING OF ALL PORTS FOR ANY CANCELLATION OF TRIPS;

- DIRECTING ALL CG STATIONS AND SUB-STATIONS TO ADVISE ALL MBCA'S BELOW 3 GT NOT TO VENTURE DURING TYPHOON;
- DIRECTING ALL CG STATIONS AND SUB-STATIONS TO ACTIVATE THEIR RESPECTIVE DISASTER RESPONSE GROUP (DRG) AND PREPARE THEIR - - RESCUE ASSETS FOR IMMEDIATE RESPONSE.

Philippine National Police - Police Regional Office VIII (PRO8)

PRO8 has directed all PDs, PPOs/CPOs of affected areas to conduct the following disaster preparedness measures:

1. Coordinate with the local Disaster Risk Reduction and Management Council (DRRMC);
2. Assist in the conduct of pre-emptive evacuation of residents in landslide and flood-prone areas in coordination with concerned agencies, if situation requires;
3. Get support from concerned private sectors and volunteers to help monitor and disseminate weather reports to other force multipliers and require them to reposition their Barangay SRR assets for deployment and advise all 1st responders to secure/evacuate their family to safe area before disaster strikes;
4. Organization of CPS/MPS personnel into three (3) groups (SAR Group; Security Group and Mobile Patrol);
5. Preposition General Dispatch Vehicles, Search, Rescue and Retrieval (SRR) Teams and available medical teams for timely and rapid response;
6. Provide security at designated Evacuation Centers;
7. Conduct coordination meeting with businessmen in the affected areas;
8. Deployment of Personnel to business establishment and vital installations prone to looting and conduct patrol operation to deter crime and extend police assistance;
9. Deployment of personnel to secure NFA warehouses and DSWD Relief Hubs, if situation requires; and
10. Deployment of WCPD Personnel in Bunkhouses/Evacuation Center;

Philippine Information Agency 8

- The PIA regional and provincial operating units will provide the needed information to the public to create awareness relative to the weather disturbance;
- In sharing and posting related information, we utilize our existing platforms, such as text blast messaging, PIA national, regional and provincial pages, and websites as well as the social media through Facebook, Twitter, Messenger, Viber, Tiktok and others;
- Curating contents for the production of social media/information cards that will serve as reminder to the public on safety measures before, during, and after the typhoon;
- Regular cascading of public announcements, emergency alerts, and weather forecast / advisories to recipients who want to keep track of the weather updates from PAG-ASA;
- Intensify monitoring of activities in the area of responsibilities and keep the community informed as part of the proactive action of the agency to help people maintain vigilance and be more consciously prepared at all times;
- The Agency is also in constant coordination with other government agencies and other partner institutions to gather relevant updates;
- Produce and publish news stories and photo releases if it is needed;
- Updated situation reports will be submitted/reported to PIA Central Office;
- Produce news reports for airing via People's Television (PTV) Network, the flagship government television network owned by the Philippine Government;
- Disseminate related information to local media partners from different areas in the region who served as multipliers to keep a well-informed community.

Department of Agriculture Field Office VIII

1. Reactivation / manning of the DA Command Center;
2. Closely monitoring on the real weather situations in the provinces thru our DA-RFO8, APCO (Agr'l Program Coordinating Officer) employees;

3. Update / Validate the standing crops by commodity / by Municipality / by Ecosystem;
4. Advisory, information and awareness campaign. Sending information materials and airing of advisories to farmers and fisherfolks for the incoming calamity thru Quad media (Facebook, radio stations, print, emails, txt messages);
5. Coordinate closely with RDRRMS (OCD on PDRA ICOW);
6. Monitor PAGASA Weather forecast and Bulletin issuances;
7. Update the inventory of buffer seed stocks in bodegas;
8. Transport vehicles and trucks on standby mode for field monitoring and delivery of buffer seed stock for rehab;
9. Submission of situationer / update report to DA Central Operations Center.

Municipality of Cabucgayan, Biliran

1. Convened MDRRMC for STY "MAWAR" and other disaster related matters on 23 May 2023, 1:30 PM at LGU Conference Hall;
2. Disseminated the weather updates to 13 barangays through "GC" and radio communication;
3. Prepared the Contingency Plans for Typhoon, Flood, Rain-Induced Landslides, and Storm Surge;
4. Prepared food items for ready distribution to affected families and now stocked at MDRRMC EOC supply room;
5. Reminded the 13 BDRRMCs on the functionality of the designated evacuation centers in their respective barangays, in case there is a need for pre-emptive evacuation;
6. Alerted the Composite Disaster Response Team and pre-positioned all available rescue vehicles for mobilization;
7. Directed all DRR personnel to be on Red Alert Status on 26-29 May 2023 while STY MAWAR is inside PAR;\
8. Submission of Situational Report to PDRRMO and RDRRMC

Department of Health Eastern Visayas Center for Health Development (DOH-EVCHD)

Activation of DOH Code Alert System

1. Emergency Operation Center is currently on Code Red Alert Status for COVID19 and Code White Alert Status for the MR-OPV-SIA.
2. Code White alert also raised for Super Typhoon "MAWAR"
3. EOC on active Monitoring and surveillance on COVID19 and other incidents in Eastern Visayas.

Activation of Operations Center

4. Hotline number reachable 24/7.
5. Dissemination of advisories and Code White Alert to PDOH offices, Regional Hospitals, LGUs, and other health facilities
6. Regional Health Emergency Management Staff (HEMS),
7. Patient Navigation and Referral Unit (PNRU) staff, & Operations Center team in place.
8. Buffer commodities (drugs, medicines, supplies, equipment) for initial response prepositioned to 6 Provincial DOH offices.

Region 9

DEPARTMENT OF INTERIOR AND LOCAL GOVERNMENT IX

- ? Directed all DILG Regional Offices to coordinate with respective RDRRMCs and continuously reminded all LGUs, especially those areas that have recently experienced an extended or prolonged rain events and / or landslides/ floods within their respective AOR.
- ? Continuously monitoring all PAGASA weather advisories and typhoon bulletins issued by the PAGASA for additional information;
- ? Continuously monitoring the PAGASA Regional Services Division's

local thunderstorm / rainfall advisories and heavy rainfall warnings, to their “ MATINO , MAHUSAY at MAASAHAN Trunk line: (02) 8876-3454 loc. 6102 the general flood advisories and basin flood bulletin that may be issued by the Hydrometeorology Division and River Basin Flood Forecasting and Warning Center as appropriate;

? Convened their respective Local DRRMCs and conduct Pre – Disaster Risk Assessment (PDRA) for floods, flash floods, rain – induced landslides, debris flow, strong winds and other appropriate preparedness and response actions are undertaken.

? Informs and advise all communicates through, but not limited to, the local television and radio stations, of the situation updates and preparedness actions of the media platforms for public information;

? Established and strictly implemented the critical preparedness actions based on Operations LISTO Protocols and DILG MC 2020-125 – LISTO SA TAG-ULAN AT COVID – 19: Preparedness Measures of LGUs for the rainy season CY 2020, and prioritize the prepositioning of supplies and equipment for response;

REGIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL IX
Republic of the Philippines

RO: Pres. Corazon C. Aquino, Regional Government Center, Brgy. Balintawak, Pagadian City
Tel/Fax No. (062) 945-0969; 926-6854; E-mail Address: ocdrc9@gmail.com

Facebook: Civil Defense IX - Zamboanga Peninsula; OPCEN: 0915 647 8884 / 0998 280 5411

? Vigilantly monitor areas showing signs of landslide, such as tension cracks, seepages, terracettes, titling of trees, etc.

? Monitor the moderate slopes with thick soil overburden and areas underlain by old landslide deposits;

? Conduct preemptive evacuation, if deemed necessary and avoid areas affected by repeated flooding and landslide, meandering rivers water hillsides/ riverbanks erosion, floodplains with shifting and braiding streams, coastal areas affected by storm surge, flash floods areas, river deltas with many distribution channels, etc.;

? Vigilantly monitor quarry and mining areas, cleared all waterways (eg., canals drainage, etc.) and ensured that dams are stable, and freeboard of tailings dams that can accommodate the projected rainfall amount;

? Utilized Hazard HunterPH to generate indicative hazard assessment reports that the user's specified location via
<http://hazardhunter.georisk.gov.ph>

? Implement necessary actions indicated in the DILG Advisory re: Preparedness Measures for Rainy Season CY 2022”, issued last 18 May 2022

? Implement fastest and widest dissemination of advisories.

DEPARTMENT OF SOCIAL WELFARE AND DEVELOPMENT IX

? Ensures availability of F/NFIS continuous production and replacing of food packs

? Ongoing procurement of F/NFIS and requested for an additional fund to complete the 5Mio standard stockpile fund in preparation of the procurement of raw materials for the continuous packing of goods in regional warehouses

? Continuously monitoring through its Disaster Response Management Division the daily weather forecast of PAG-ASA;

? Ensures coordination with the response cluster member agencies for logistic support;

? Quick Response Team (QRT) members and the Disaster Response Management Division (DRMD) are ready in case augmentation of workforce is needed in the delivery of services to the affected individuals;

? Closely coordinates with the Social Welfare and Development (SWAD) Teams, the Provincial/City/Municipal Disaster Risk Reduction and Management Councils (P/C/MDRRMCs), and the Provincial/City/Municipal Social Welfare and Development

Offices(P/C/MSWDOs) to monitor the possible effects of the current weather condition and to ensure submission of reports when needed; Regional Resource Operation Section (RROS) is alerted to ensure the availability of Family Food Packs (FFPs) and Non-Food Items (NFIs) should the need arise; and
? Continues production and repacking of goods in DSWD Mampang Warehouse in Zamboanga

ARMED FORCES OF THE PHILIPPINES

? Issued directives to joint task group to conduct mastering and checking of the readiness of HADAR equipment and assets.
? Placed the disaster response task units on standby alert and ready to respond in all emergencies that may occur;
? Preposition the HADAR Units in a disaster prone areas as necessary and are prepared and ready to assist the LGUs in the conduct of preemptive evacuation, if deemed necessary;
? Participates in the emergency meetings and the response activities in RDRRMC in the respective joint operation areas;
? Identified areas that are highly susceptible to hazard to anticipate actions to be taken
? Provides assistance to LGU for the evacuation of affected residence if needed;
? Directed to submit situational report to headquarter in every 6 hours for consolidation and for the proper action to take;

POLICE REGIONAL OFFICE (PRO)IX

? Forwarded 2 memos to lower units informing the latest PAGASA – DOST bulletins/advisories;
? Directed the Police Provincial Offices, City Police Offices down to Municipality Police Stations to undertake the Pre – Disaster Stage of the PNP Critical Incident Management Operational Procedures;
? Updates of the PNP Blue box or the Search and Rescue Box;
? Mandated the submission of situational reports every 6 hours starting 12 noon of May 24, 2023 to Disaster Viber group and emails and submission of disaster list of focal persons;
? Forwarded another Memorandum dated May 25, 2023 directing the timely amplification efforts for tropical storm MAWAR through crafting and posting safety tips in social media and other necessary preparations on relative on the incoming typhoon;
? Attend relevant meetings; and
? Provided the standby response capabilities with:
? 95 PNP Blue Boxes
? 153 Life Vest
? 27 Spine Board
? 96 Rescue Rope
? 34 Rappelling Set
? 14 Floating Rings
? 61 Megaphones
? 3 Chainsaw
? 11 Portable Electric Generator
? Provided the PRO 9 Owned Mobility Assets with:
? 5 Utility Truck
? 22 Light Truck
? 1 Ambulance
? 57 Motorized Boats
? 2 Rubber Boat without Board Motor
? 4 Drum Boat
? 2 Tactical Watercraf

DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS IX

- ? Availability of District Engineering Offices who can respond during typhoons;
- ? Prepositions of all the equipment that are ready for deployment and an onsite team on special areas that are prone to landslide;
- ? Submission of situational report submitted by the district officer in every 6 hours; for the region to monitor and submit to central office; and
- ? Attend relevant meetings called for by RDRRMC IX

COAST GUARD DISTRICT SOUTH WESTERN MINDANAO

- ? Quick Response Team composing of 235 personnel (SOG) prepositioned and on stand-by in various locations
- ? Assets ready for deployment: ambulances, rescue equipment, hand held radios, rubber boats and RHIB, vehicles, aluminium boat, vans, truck, motor banca, jetski, floating assets (MRRV); and
- ? Attend relevant meetings called for by RDRRMC IX

BUREAU OF FIRE PROTECTION IX

- ? Ensure operational readiness in case of incidents/events;
- ? Ensure availability of BFP assets and personal protective equipment at all times
- ? Continuous monitoring of PAGASA weather advisories and bulletins
- ? Strict observance of precautionary measures in responding to any untoward safety of all responders at all times and
- ? Ensure health and safety of all responders at all times
- ? Attend relevant meetings called for by RDRRMC IX

DEPARTMENT OF HEALTH IX

- ? Activation of 4 Clusters in Emergencies:
 1. Public Health
 2. Water Saturation and Hygiene (WASH)
 3. Nutrition in Emergency (NIE)
 4. Mental Health and Psychosocial Support (MHPSS)
- ? Preparation of Health Emergency Logistic and Commodities
 1. CAMPOLAS
 2. Jerry Cans
 3. Hygiene Kits
 4. Emergency Drugs and Medicine
 5. First Aid Kits (add: drug for hypertension)
- ? Composition of Health Emergency Response Team
- ? Manning of 24/7 Operations Center

Office Civil Defense IX

- ? Release of related RDRRMC IX memorandums
- ? Attend weather briefing and PDRA convened by the Central Office
- ? Continuously and timely dissemination of weather and other related advisories
- ? Conducted Regional PDRA Meeting dated 25 May 2023
- ? In close coordination with RDRRMC IX member-agencies
- ? Conducts inventory of resources of all concerned agencies
- ? Manning of 24/7 of Operations Center
- ? Heightened monitoring of weather condition in the AOR
- ? Submit reports to the NDRRMOC through the NMD

Region 10

LGU Catarman

- o Ongoing monitoring of the situation within AOR.

Iligan City DRRMO

- o Raised its alert level to BLUE ALERT status.

CDRRMC Cagayan de Oro City

Downgraded from BLUE to WHITE Alert Status effective today, June 2, 2023.

- o Raised its alert level to BLUE ALERT status.
- o Continuous monitoring of the status of rainfall to all watersheds of CdeO rivers in Bukidnon, and status of water levels of the seven (7) rivers in CdeO;
- o Continuous information dissemination of weather updates and coordination with the BDRRMC for the updates of STY MAWAR;
- o Responders ready for possible deployment and to give medical assistance to the injured, if necessary.
- o Implementation of alternate routes for flood-affected highways and streets in the event of flooding.
- o Continuous monitoring of water level and intensity of rainfall within the city and its watersheds.

LGU Lguindingan

- o Continuous monitoring of the status of Typhoon MAWAR and on the AOR.

LGU Magsaysay

- o The MDRRMO Operations and Warning Division personnel are on standby mode should any development on the current weather system occur within our AOR.
- o The different BDRRMCs of the Municipality were already provided with the situational briefer.
- o Reported current inventory of response assets to OCD 10 for Information.

PDRRMC Misamis Oriental

- o Declared the PDRRMO on BLUE ALERT Status
- o Provincial Operations Center on monitoring 24/7.

LGU Clarin

- o Conducted close monitoring on the Typhoon Updates and Advisories issued by the DOST-PAGASA, DENR-MGB, OCD-10, DILG, PDRRMO Mis. Occ. and other surveillance agencies;
- o Intensified Information Education Campaign (IEC) in the community thru messenger and call brigade and social media;
- o Coordinated with hazard-prone barangays for situation monitoring and reporting;
- o Initiate Pre-Disaster Risk Assessment (PDRA);
- o Prepositioned stockpile on Food and Non-food Items, Response Vehicles and Equipment and Assets;
- o Ensure availability of Evacuation Center/s;
- o Activate Emergency Operations Center and Response Clusters in the municipality.

PDRRMC Lanao del Norte

- o Provincial Emergency Response Team 24/7 on standby and monitoring at the Operation Center.
- o Disseminate public warning and advisories thru radio message and SMS.

- o Prepositioning of Search and Rescue equipment, emergency vehicles and F/NFIs
- o Closed coordination with the MDRRMOs, AFP, PNP, PCG, BFP and other security units in the monitoring and easy access of any response.
- o Activation of the Emergency Response Unit (ERUs).
- o On Standby Medical Teams, Service Vehicles, and power generator sets.

LGU Sagay

- o Conducted monitoring of coastal barangays, creeks, rivers, and landslide prone areas.
- o Operatives were placed on standby.

RDRRMC 10

Released and Disseminated RDRRMC 10 Advisory No. 2023-14 Downgrading of ALERT Status from BLUE to WHITE Alert at the RDRRMC-10 Emergency Operations Center.

- Released and Disseminated RDRRMC 10 Advisory No. 2023-12 raising of BLUE ALERT Status at the RDRRMC-10 Emergency Operations Center.
- Attended the National Weather Update on May 28, 2023 at 2:00PM via VTC
- Attended the Regional PDRA Meeting on May 28, 2023 at 5:00PM via VTC
- Attended the PDRA Analyst Group Meeting on May 27, 2023 at 12:00PM via VTC
- Attended the PDRA Analyst Core Group Meeting on May 27, 2023 at 3:00PM via VTC
- Released and Disseminated RDRRMC 10 Advisory No. 2023-09 re Preparations for Typhoon MAWAR (I.N.) Outside the Philippine Area of Responsibility to all RDRRMC 10 Member- Agencies and LGUs.
- Disseminated Advisories from Warning Agencies.

LGU Mambajao

- o All operatives in the barangays are in the monitoring stage and positioned in the areas which are prone to flooding.
- o 1855 responders were placed on standby and monitoring.

PDRRMC Camiguin

- o Provincial Emergency Response Team 24/7 on standby and monitoring at the Operation Center.
- o Travel Advisory No. 0523-001 from the Philippine Coastguard Camiguin Station about the cancellation of trips going to white Island and Mantigue Island due to strong winds and rough sea condition. Also, fishermen with small vessels are advised not to venture out to the sea.

LGU Cabanglasan

- o The MDRRMO Personnel together with the Partner Agencies from MEEDO, BFP and PNP in this Municipality, continued the monitoring and activation of EOC.

LGU Kibawe

- o Issued a Memorandum Order declaring suspension of work on May 26, 2023 at 1:00 PM onwards and instructed the MDRRMO, MEO, MHO and MEEDO to continue to perform their functions and are on call.

LGU Valencia City

- o Conducted PDRA on May 25, 2023 with the 31 Punong Barangays of the City and City Department Heads and Uniformed Services and RETT.
- o The City is now on BLUE Alert Status.

PDRRMC Bukidnon

- o Downgraded from BLUE to WHITE Alert Status effective today, June 2, 2023.
- o Conducted a Pre-Disaster Risk Assessment PDRA in preparation of the coming Typhoon MAWAR.

- o Members of Response Clusters presented their readiness and preparation for this coming typhoon.
- o Confirmed the committed resources of the Provincial Departments and Provincial Line Agencies for Disaster Response.
- o Declared the PDRRMD under BLUE Alert Status

MGB 10

- Continuously provided updated List of potentially affected barangays in the Region and disseminated by RDRRMC 10.

Region 12

OCD XII

- Standby NFIs
 - Hygiene Kit – 1000 boxes
 - Kitchenware/dinnerware – 500 boxes
 - Sleeping Kit – 470 boxes
 - Malong – 4200 pieces
 - Blanket – 3992 pieces
 - Trapal/Tarpaulin – 170 pieces
 - Genset – 9 units
 - Megaphone – 54 units
 - Raincoats – 33 pieces
- Available communications equipment
