Black Nazarene Traslacion 2024

SitRep No. 04 for the Black Nazarene Traslacion 2024

January 11, 2024 08:00 am

The Feast of the Black Nazarene is celebrated every 9th day of January wherein millions of devotees all over the country observe and join the celebration. Traditionally, the Image of the Black Nazarene is paraded from Quirino Grandstand to the Minor Basilica of the Black Nazarene (Quiapo Church).

This year, the traditional procession (Traslacion) returned, resulting in a number of devotees gathering and participating in the said procession.

SPECIAL WEATHER OUTLOOK FOR THE BLACK NAZARENE 2024 (08-10 January 2024)

Issued: 05 January 2024

The Northeast Monsoon (Amihan), Shear Line, and Easterlies are the dominant weather systems that will affect the country within the outlook period.

By Monday until Wednesday (January 8-10), Bicol Region, Eastern Visayas, and Quezon will experience cloudy skies with scattered rainshowers and thunderstorms caused by Shear Line. Mostly cloudy skies with light rains is expected over Cagayan Valley, Apayao, Kalinga, and Aurora, while partly cloudy to cloudy skies with isolated light rains will be experienced over Metro Manila, Ilocos Region, the rest of Cordillera Administrative Region, and CALABARZON due to Amihan. The rest of the country will have partly cloudy to cloudy skies with isolated rain showers or thunderstorms mostly in the afternoon or evening due to prevailing Easterlies.
