Observance of Holy Week (Semana Santa) 2024

SitRep No. 6 for the Observance of Holy Week (Semana Santa) 2024

April 01, 2024 08:00 am

The Lenten Season or Semana Santa is a significant annual religious observance for the Filipino Roman Catholics. It begins on Palm Sunday and continues on through Easter Sunday. During this season, people go to churches to attend mass to reflect and offer prayers.

Also, Catholics observe Spanish-influenced rituals such as processions, passion plays (senakulo), and pabasa. It is also an opportunity for families to spend time together.

Easter Sunday culminates the celebration of Semana Santa, viewed as the greatest feast of the Church year. It is one of the most festive events, a day of joy, and celebration for the faithful commemorating Jesus Christ's resurrection from the dead.

SPECIAL WEATHER OUTLOOK ON THE OBSERVANCE OF SEMANA SANTA 2024 (25 -31 March 2024)

The Easterlies will be the dominant weather system to affect the country throughout the outlook period.

On 25 March 2024, Easterlies will bring cloudy skies with scattered rainshowers and thunderstorms over Bicol Region, Eastern Visayas and Caraga. This weather condition will gradually move northward, affecting the provinces of Quezon and Aurora by Tuesday (26 March). Meanwhile, Metro Manila and the rest of the country will be partly cloudy to cloudy, with the possibility of isolated rainshowers or thunderstorms.

For the rest of the outlook period (27 - 31 March), generally fair weather condition is expected over the whole country apart from isolated rainshowers or thunderstorms mostly over the eastern section.

The public is advised to lessen their physical outdoor activities between 12:00 to 4:00 in the afternoon when temperatures are at their highest. Otherwise, drink water regularly, stay and rest in shaded areas from time to time, and wear light-colored clothing to avoid experiencing fatigue, heat cramps and heat exhaustion.

RELATED INCIDENTS

The following incidents were reported in some areas of Region 2, Region 8.

REGION	Fallen Debris	Vehicular Accident

- Intensity checkpoint operations to ensure safety and security of all commuters:
- Maximize the deployment of personnel especially to churches, pilgrim sites, terminals, and other places of convergence to ensure the safety of tourist and general public:
- Mobilize Force Multipliers in the implementation of ordinances and in the regular conduct of "Oplan Bandillo"
- Enhance collaboration with other concerned law enforcement agencies, Local Government Units (LGUS), and private security providers and other force multipliers to prevent or minimize the occurrence of incidents.
- Coordinate with Local Government Units (LGUs) for the conduct of random inspection to business establishments and ensure the employment of lifeguards in beaches and pools especially in drowning prone areas.
- Conduct Red Teaming Operations in coordination with the RORRMC/PDRRMC for the Management of the Critical Incidents, and
- Provide traffic assistance in major thoroughfares, tourist destinations and other areas with ongoing road construction/rehabilitations.

Bureau of Fire Protection Region 2

- **Increased Monitoring:** The BFP intensifies monitoring and surveillance activities during Holy Week, particularly in areas where large gatherings or events are expected to take place. This includes monitoring fire-prone areas, commercial establishments, churches, and tourist destinations.
- **Public Awareness Campaigns:** The BFP launches public awareness campaigns to educate the public about fire safety and prevention measures during Holy Week. This may include distributing informational materials, conducting seminars or workshops, and engaging with communities through social media and other platforms.
- **Emergency Response Preparedness:** The BFP ensures that firefighting equipment, vehicles, and personnel are ready to respond to emergencies during Holy Week. Fire stations may be placed on high alert, with increased staffing and resources deployed in strategic locations. Moreover, the establishment of BFP F.A.S.T. (First Aid Service Team) in all municipalities will be observed which provides medical assistance to the public.
- **Coordination with Other Agencies:** The BFP coordinates closely with other government agencies, such as the Philippine National Police (PNP), local government units (LGUs), and emergency medical services (EMS) like PDRRMO, to enhance emergency response capabilities during Holy Week.
- **Public Assistance Desks:** The BFP may set up public assistance desks or booths in key locations to provide information, assistance, and emergency support to the public. These desks serve as points of contact for reporting emergencies, seeking assistance, or obtaining fire safety advice.
- **Traffic Management Support:** In collaboration with other agencies, the BFP may provide support for traffic management and crowd control during Holy Week events and processions. This helps ensure the safety and orderly conduct of religious activities and gatherings.
- **Continuous Monitoring and Evaluation:** Throughout Holy Week, the BFP continuously monitors developments, assesses risks, and evaluates the effectiveness of preparedness measures. This allows for timely adjustments and enhancements to response plans as needed.

- Pulling out of Rolling Cargoes once inside the Marshalling Area/Lane shall not be allowed.
- Roro cargoes shall only be released to shipping lines once the vessel is available or approaching and ready for loading in coordination between PCBSI APOO and the shipping lines port officer / personnel as advised by the latter.
- Simultaneous loading of available vessel shall be requested from Shipping Lines and PCG.

DILG MIMAROPA

- Issued Memorandum Circular No. 2024-034 re ENSURING A SAFE AND PEACEFUL OBSERVANCE OF THE SEMANA SANTA 2024 to All Provincial Governors, City and Municipal Mayors, Punong Barangays, DILG Regional Directors, the Chiefs of the Philippine National Police and Bureau of Fire Prevention, and all others concerned.

Policy Content and Guidelines

- All Local Chief Executives are directed to:
 1. Convene the Local Peace and Order Council (LPOC), Local Disaster Risk Reduction and Management Council (LDRPMC), and/or other local teams, for action planning, anticipating, and preparing for the heavy movement of people from various places, with focus on ensuring the availability of adequate, safe, and orderly public transportation, emergency medical services, among others;
 2. Cause the mobilization and deployment of law and traffic enforcers, barangay tanods, Barangay Peacekeeping Action Teams, public safety forces, medical personnel, and other force multipliers in:
 - > Local and national roads to provide assistance and intensify visibility to the traveling public and motorists, and intensify effective traffic management;
 - > Deploying patrols in "hotspots" and/or crime-prone areas within the provinces, cities, and municipalities to prevent the entry and exit of lawless elements, and to apprehend individual/s violating laws, rules, and policies; and
 - >Ensuring safety and security at air and seaports, and other transportation terminals, pilgrimages, churches, malls, markets, travel destinations, and public places, among others;
- Ensure the cleanliness and orderliness of the communities, by mobilizing all resources in garbage collections and disposal, and clean-up operations of all public places, especially after the conduct of various religious and social activities; and,
- Implement other necessary measures, as may be identified, to ensure peaceful and safe observance of Semana Santa 2024.
- The Philippine National Police (PNP) and the Bureau of Fire Protection (BFP) are also directed to be on full alert and to coordinate with, and provide necessary assistance to LGUs in employing stringent and appropriate measures to ensure the peaceful, orderly, and safe observance of Semana Santa 2024.
- The BFP is also directed to continue its awareness campaigns among communities, especially in anticipation of the Semanta Santa, and to ensure preparedness measures, in cases of fire emergencies, consistent with the observance of the Fire Prevention Month.
- All DILG Regional Directors are directed to cause the immediate and widest dissemination of the Memorandum Circular to ail LGUs within their areas of responsibility.

- Preparation of situation reports to be submitted to the PDRRMC members and OCD.

BFP ORIENTAL MINDORO

Concept of Operations

This Contingency Plan shall be conducted in four (4) phases:

Phase I – Preparatory/Readiness Phase

- It is the responsibility of the BFP to undertake the management of emergencies in order to protect lives and property from the effects or danger of this event. This plan is based upon the concept that the emergencies will generally be parallel with their normal day-to-day functions. The same personnel and material resources will be employed in both cases.
- Strict implementation of Pre-Fire Planning and ocular inspection of public places such as churches, terminals, and other establishments where people gather relative to Semana Santa.
- Preparedness measures shall be undertaken such as but not limited to coordination with the LGU's and CDRRMO and MDRRMO's pertaining to Semana Santa, and inventory of assets and resources as well as personnel;
- Identification of deployment areas and resources to be utilized during the implementation of the OPLAN.
- Due to heightened alert, all applications for leave are under the discretion of strict consideration of their respective fire Marshals.

- All operating units are hereby placed on HEIGHTENED ALERT STATUS (Code Blue) effective 24-26 March 2024.
- All BFP officers and personnel in the City and Municipal Fire Stations on OffDuty status are placed ON-CALL.

Phase II – Response/Implementation Phase

- Continuous information campaign on fire safety and prevention at home and office through tri-media.
- Fire Trucks, EMS, and Rescue personnel visibility in strategic areas that can be easily available to the public.
- In the event that a fire occurs in the area, respective team leaders will report for augmentation of the working force.
- Coordination with other support groups, recording and documentation of events and to be submitted thru channel.
- All operating units are hereby placed on FULL ALERT STATUS (Code Red) effective 27-31 March 2024.
- All personnel in the City and Municipal Fire Stations MUST BE PRESENT to maintain vigilance and ensure prompt and effective delivery of fire safety/ rescue/ emergency medical services and relief operations.
- All approved leave applications are recalled and suspended except maternity, paternity and sick leave.

Phase III – Rehabilitation and Post-Implementation Phase

- Demobilization of resources will take place at this time.
- All stations shall submit consolidated After Activity Report [AAR] with documentation within 24 hours after the issuance of Normal Alert (Code White) to the Office of the Provincial Fire Marshal at bfp.minor@yahoo.com.
- FULL ALERT STATUS is hereby downgraded and lifted effective 01 April 2024.

PHASE IV - Reporting and Post Event Analysis

- Reporting – Situational Report should be submitted every 12 hours (3am,3pm) using the given format. An After Activity Report also in PDF file format shall be submitted on or before 01 April 2024 thru bfp.minor@yahoo.com.
- Post Event Analysis – Issues and concerns should be duly noted and given immediate actions and should these issues require actions from higher office, shall be elevated through proper channel. All implementing units are hereby directed to observe the principle of command responsibility and ensure immediate actions to noted concerns.

PPO ORIENTAL MINDORO

- PPO shall provide security coverage and other public safety services through the Enhanced Managing Police Operations Strategy (E-MPO). The following offices/units are tasked to undertake necessary activities/operations such as, but not limited to:

a. POMU

- 1) Oversee and monitor the implementation of this IMPLAN through the Provincial Tactical Operation Center (PTOC); and
- 2) Perform other tasks as directed.

b. PIU

- 1) Provide timely intelligence updates to all unit commanders necessary in the conduct of police operations and in providing security coverage;
- 2) Conduct threat and risk assessment and recommendations on the peace and order situation, especially in identified tourist destinations and vital infrastructures; and
- 3) Perform other tasks as directed.

c. PIDMU

- 1) Monitor and supervise the investigation and disposition of cases filed during the period, especially on significant incidents; and
- 2) Perform other tasks as directed.

d. PCADU

- 1) Office Primarily Responsible (OPR) for the official design and display of tarpaulin for “Ligtas SUMVAC 2024;”
- 2) OPR in the conduct of an awareness campaign for “Ligtas SUMVAC 2024” and coordination of all PNP offices/units to Local Government Units (LGUs) and concerned government agencies;
- 3) Design safety reminder pamphlets to all units for reproduction, distribution, and subsequent posting on social media;
- 4) Coordinate with advocacy support groups and force multipliers to be mobilized for security coverage for the

wearing of appropriate uniforms and identification cards (IDs);

- 5) Coordinate with Provincial Tourism Office for the production and distribution of government agency safety tips during summer vacation;
- 6) Prepare a media release template on security preparations to be used by PNP offices/units NLT March 19, 2024; and
- 7) Perform other tasks as directed.

e. C/MPS, PTPU, 1st and 2nd PMFC

- 1) Conduct inspection in places of worship, transportation hubs/terminals, major thoroughfares, commercial areas, and other places of convergence;
- 2) Intensify checkpoint operations to ensure the safety and security of all commuters;
- 3) Enhance collaboration with all concerned law enforcement agencies, LGUs, private security providers, and other force multipliers to prevent or minimize the occurrence of untoward incidents;
- 4) All unit commanders to coordinate with respective LGUs and join in the conduct of replication ceremonies of the 82nd Araw ng Kagitingan on April 9, 2024;
- 5) Conduct mobile patrols and ensure maximum police presence in places of convergence, transportation hubs, and other areas vulnerable to illegal activities, in coordination with other concerned law enforcement agencies and LGUs;
- 6) Maximize the deployment of personnel through Tourist Police Units to ensure the safety and security of tourists, especially at churches, resorts, beaches, terminals, and recreational areas in all tourist destinations in coordination with LGUs, local tourism councils, and the City/Municipal Tourism Office;
- 7) Deploy dedicated personnel in areas with ongoing road construction/rehabilitation to assist the traffic 24/7. Unit commanders must also consider in their deployment the threat groups such as CTGs and other lawless elements which might put a risk to the security of deployed personnel;
- 8) Establish Assistance Hubs (AHs) along major thoroughfares, and Police Assistance Desks (PADs) in churches, airports, seaports, bus terminals, malls, grocery markets, tourist destinations, and other places of convergence in coordination with government agencies, LGUs, and advocacy groups;
- 9) Prepare respective media releases on security preparations and crime prevention tips for the public based on the template provided by the PCADU NLT March 22, 2024;
- 10) Utilize the space provided by the local fuel service stations in your AOR to serve as an assembly area for patrollers for police community-related activities, an information desk for motorists, and posting of safety reminders/tips;
- 11) Mobilize force multipliers for traffic management and control;
- 12) Monitor the possible occurrence of protest rallies during Labor Day and implement SOPs and contingency plans;
- 13) Ensure that all Unit Commanders/COPs supervise the deployment and operations of their personnel;
- 14) Conduct red teaming operations to ensure the operational readiness of all units; and
- 15) Perform other tasks as directed.
