

Kanlaon Volcanic Activity

SitRep No. 6 for Kanlaon Volcanic Activity

June 07, 2024 09:00 am

On 03 June 2024, at 6:51 PM, a moderately explosive eruption occurred at the summit crater of Kanlaon Volcano. The event was recorded as an E-type earthquake that lasted six (6) minutes based on seismic data and produced a five (5) kilometer-high voluminous eruption plume. Thermal camera monitors showed material collapsing from the incandescent plume forming pyroclastic density currents or PDCs that descended the southern slopes to a distance of two (2) to three (3) kilometers. Incandescent ballistic ejecta were also observed to rain down from the eruption plume. Rumbling sounds generated by the eruption were heard in La Castellana and La Carlota City, Negros Occidental and Canlaon City, Negros Oriental. Coarse ashfall reportedly fell upon barangays of these same areas and Bago City, Negros Occidental. Sulfurous odors were also experienced by residents in these areas as well as in Kanlaon Volcano Observatory-La Carlota City (KVO-LCC) and as far away as Murcia, Negros Occidental and Bacolod City.

In view thereof, DOST-PHIVOLCS raised the Alert Level of Kanlaon Volcano from Alert Level 1 (abnormal) to Alert Level 2 (increasing unrest). This means that there is current unrest driven by shallow magmatic processes that could eventually lead to further explosive eruptions or even precede hazardous magmatic eruptions.

Explosive activity at Kanlaon on 3 June 2024 was immediately succeeded by profuse degassing from the summit crater that waned by 8:20 AM on 4 June 2024 based on camera monitors. Post-eruptive degassing likely entrained volcanic ash that fell as light ashfall on the southwest sector of the volcano as reported by a KVO-LCC survey team. As of 04 June, 12:00 NN, a total of 84 weak low-frequency volcanic earthquakes events have been recorded by the KVN, consistent with current low-level degassing from the Kanlaon crater. SO₂ emission measured by campaign survey has reached 4,113 tonnes/day, the highest flux this year and the second highest ever measured from Kanlaon.

Kanlaon occasionally exhibits phreatic and short-lived explosive eruptions that produce small-magnitude hazards. Of the 43 eruptions recorded since 1866 including this most recent one, only the 1902 eruption was magmatic and associated with the generation of small-volume lava flows on the upper slopes.

Source: DOST-PHIVOLCS

RELATED INCIDENTS

The following incidents were reported in some areas of Region 7.

REGION	Lahar
Total	1
Region 7	1

AFFECTED POPULATION

A total of 7,400 families or 25,605 persons were affected. Of which, 361 families or 1,400 persons were served inside 8 ECs and 62 families or 364 persons were served outside ECs:

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

National Disaster Risk Reduction and Management Council

Kanlaon Volcanic Activity ACTIONS TAKEN

National

NDRRM Operations Center (NDRRMOC)

- Issued NDRRMC Memorandum No. 107, s. 2024 re Maintaining of Blue Alert Status of the National Disaster Risk Reduction and Management Operations Center to BLUE ICOW Kanlaon Volcano.
- Issued two (2) Emergency Alert and Warning Messages.
- Continuous monitoring and coordination with OCDROs and NDRRMC Member-Agencies.
- Conducted Coordination Meeting ICOW Mt. Kanlaon Volcanic Activity on 05 June 2024, 3:00 PM.

Department of Health (DOH)

- Verified the incident and coordinated with Regions VI and VII.
- Available surgical mask: 780 boxes; N95 mask: 18,200 pieces.
- Hospitals near Kanlaon were placed on White Alert.

DOST-Philippine Institute of Volcanology and Seismology (PHIVOLCS)

- Issued Kanlaon Volcano Bulletin and Eruption Notification.
- Continuous monitoring of the situation.

Department of Social Welfare and Development (DSWD)

Standby Funds

- PhP306.99 million Quick Response Fund (QRF) available at the DSWD Central Office.
- PhP10 million available at DSWD FOs VI and VII.
- PhP59.95 million available in other DSWD FOs which may support the relief needs of the families affected by the Kanlaon Volcano eruption through inter-FO augmentation.

Prepositioned FFPs and Other Relief Items

- 190,125 FFPs available in Disaster Response Centers; of which, 115,649 FFPs are at the National Resource Operations Center (NROC), Pasay City and 76,176 FFPs are at the Visayas Disaster Resource Center (VDRC), Mandaue City.
- 88,576 FFPs available at DSWD FOs VI and VII.
- 1,199,299 FFPs in other DSWD FOs which may support the relief needs of the families affected by the Kanlaon Volcano eruption through inter-FO augmentation.
- PhP1.21 billion worth of other FNIs at NROC, VDRC, and DSWD Field Office Warehouses.

DSWD DRMG

- DSWD Secretary provided instructions through a meeting with the Regional Directors of FOs VI and VII on how to efficiently respond to the families and individuals affected by the Kanlaon Volcano eruption.
- Disaster Response Management Bureau (DRMB) closely coordinates with DSWD FOs for significant disaster response updates relative to the eruption of Kanlaon Volcano.
- DRMB closely coordinates with DOST-PHIVOLCS for significant updates and other related information relative to the Kanlaon Volcano eruption.

- National Resource and Logistics Management Bureau (NRLMB) ensures the replenishment and availability of FNIs for resource augmentation to DSWD FOs as need arises.

Department of Interior and Local Government (DILG)

- Activated the DILG-CODIX Emergency Operations Center (EOC) and Disaster Online Reporting and Monitoring System (DORMS) due to Kanlaon Volcano Alert Level 2 effective 3 June 2024.
- Issued and disseminated the DILG Advisory on "Kanlaon Volcano Alert Level 2", dated 3 June 2024 to DILG Regions VI and VII and all concerned LGUs to ensure that the concerned LGUs are undertaking necessary critical preparedness actions within their respective AOR.
- Issued DILG Memorandum dated 3 June 2024, relative to the Activation of EOC and DORMS of DILG Regions VI and VII to closely monitor the situations within their respective jurisdictions and ensure that the concerned LGUs are implementing the minimum critical preparedness actions.
- Participated in the NDRRMC Coordination Meeting for Kanlaon Volcano Alert Level 2 Emergency Preparedness and Response Action Updates 05 June 2024.

Department of Education (DepEd)

Central Office

- Prepositioned funds for possible response interventions;
- Conducted Emergency Meeting ICOW Mt. Kanlaon Eruption;
- Provided updates to DepED-CO QRRT and Education Cluster partners;
- Monitored the effects of hazard in affected regions, divisions, and schools;
- Disseminated IEC materials and hazard information/bulletin;
- Disseminated memorandum on the activation of Field Offices DRRM Team; and
- Activated DRRM team in all governance level.

Field Office

- Prepared the report on the schools used as evacuation centers;
- Activated Field Offices DRRM Team;
- Attended MDRRMO Meeting in Municipality of La Castellana, Negros Occidental; and
- Monitored the effects of hazards in affected divisions and schools.

Department of Agriculture (DA)

- Activation of DA RFO VI and VII DRRM Operations Center and Livestock Rescue Evacuation Center
- Continuous monitoring of the Kanlaon Volcano and its possible impact on agriculture and fisheries.
- Mobilization of Agricultural Program Coordinating Offices (APCOs) for the dissemination of advisory to farmers and fisherfolk through all available media of communication.
- Close coordination with LGUs, particularly agricultural, veterinary, and P/C/M DRRMC offices.
- Prepositioning of rice, corn, and vegetable seeds and drugs and biologics for livestock and poultry.
- Updating of animal inventory and list of locations for possible Animal Evacuation Centers and resources needed for rescued animals.

Region 6

OCD VI
