

NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

21 JUL 2025

MEMORANDUM
No. 175, s 2025

To : All NDRRMC Member-Agencies

Subject : Activation of the NDRRMC Inter-Agency
Coordinating Cell effective 22 July 2025,
8:00 AM

The NDRRMC Inter-Agency Coordinating Cell (IACC) is hereby activated in response to the Combined Effects of Southwest Monsoon and Low Pressure Area effective on 22 July 2025, 8:00 AM. The IACC will support operation coordination for response, as well as facilitate informed decision-making at the strategic level. Immediate actions must be taken to address the needs of the affected population prioritizing the most vulnerable.

In this regard, All NDRRMC member agencies are directed to convene in person at the NDRRMC Emergency Operations Center to discuss immediate actions, resource mobilization, and response strategies to address the impacts of Southwest Monsoon and LPA.

For guidance and compliance.

For the Executive Director, NDRRMC:

ASEC BERNARDO RAFAELITO R. ALEJANDRO IV, CESO IV, MNSA
Officer-in-Charge, Office of Civil Defense
