# **Initial Report for the Effects of Southwest Monsoon in Zamboanga City (REGION IX)**

## **ACTIONS TAKEN**

### **Region 9**

#### **DSWD FO IX**

- Conducted profiling and assessment in the affected barangays;
- DSWD Field Office IX is continuously coordinating with the CSWDO of Zamboanga City for disaggregated data of families, additional relief assistance and augmentation needed by the affected families.

#### **LGU Zamboanga City**

- Immediately responded to the affected areas;
- Distributed food packs, water and other relief goods to the affected families and individuals;
- Continuous monitoring of water level at Tumaga River;
- Continuous information dissemination of weather advisories via social media

#### **OCD IX**

- Upon receipt of the report, OCD IX Emergency Operations Center immediately coordinated with the Zamboanga City DRRM Office for the details of the said report;
- OCD IX EOC is closely coordinating with Zamboanga City DRRMO for any significant disaster response updates and issues that may need immediate action;
- Continuous monitoring on the effects of Southwest Monsoon (SWM) and other Weather Disturbances that may affect the region.
