Initial Report on the Diarrheal Incident in Conner, Apayao

DATE OF INCIDENT	May 22, 2025
TIME OF INCIDENT	03:30 pm
DATE ISSUED	May 22, 2025
OVERVIEW	<p>Since 29 April 2025 there were diarrhea cases in Barangay Sacpil, Conner, Apayao. The patients were engaged in agricultural work in the farm. During their lunch break, they prepared their meals using the water drawn from a pump well and concrete water tank. Several hours after consuming the food, all affected individuals began experiencing symptoms of dizziness, vomiting and loose bowel movement.</p> <p>On the succeeding days, the number of affected individuals increased.</p>

Prepared by: EDEN CLAIRE L. CARBONEL

Initial Report on the Diarrheal Incident in Conner, Apayao

ACTIONS TAKEN

CAR

Department of Health-Center for Health Development- Cordillera Administrative Region

- Raised and disseminated Code White Alert on the increasing cases of diarrheal cases in Apayao and Kalinga on May 21, 2025 for proactive and intensified monitoring and reporting of updates regarding the incident.
- Coordination with Program Managers and provided updates on the ongoing incident.
- Coordination with Apayao and Kalinga PESUs/DRRMH coordinators for validation/verification of reports.
- Coordination with DOST-CAR and DOST Region II for water sample testing.
- Preparation and submission of HEARS Form 1, RHA and Form 5 to higher authorities.
- Attended meeting with RESU, EIRID and EOH program for discussion for possible response on the increasing diarrheal cases in Apayao and Kalinga.
- Conducted inventory of available WASH supplies and public health commodities.
- Allocated and delivered HECs to Apayao and Kalinga.
- Conducted PDRA meeting for the increasing suspected diarrheal cases.
- Posting of Food and Water-Borne diseases campaign on the DOH Cordillera official Facebook page through the Communications Management Unit.
- Maintenance of the 24/7 patient navigation and referral unit for possible assistance to referral of patients.

Apayao Provincial Health Office

- Facilitated conduct of Barangay assembly at Barangay Sacpil, Conner, Apayao for community survey, environment survey and meeting with Barangay Officials.
- Coordination with Conner RHU and Conner District Hospital for validation/verification of reports.
- House to house visit and consultation done for active case finding and case investigation.
- Collection of water samples for testing.
- Recording and reporting of cases through ESR and HEARS reports.
- Provision of safe drinking water, jerry cans, troclosene, chlorine granules to affected families.
- Coordination meeting with personnel of RHU Conner via zoom.
- Provision of IEC on proper hygiene, proper handwashing and water and food borne diseases.

Office of Civil Defense- Cordillera Administrative Region

- Coordinated with Apayao PDRMO and DOH-CHD-CAR for the verification and validation of information related to the incident.
